Brief aim(s) of the proposal and the outcome(s) you want to achieve

Fulfil the duty of Trustees of Hillsborough Park, ensuring the organisation's charitable aims are met and enabling the delivery of a range of additional community benefits for the Park's users.

Granting leases to Age UK Sheffield will enable the organisation to use externally secured funding not available to SCC to refurbish a formerly derelict heritage building and to deliver a range of community activities for the benefit of its client group, elderly people and the wider community of Park users.

Impact

Under the [Public Sector Equality Duty](#) we have to pay due regard to the need to:

- eliminate discrimination, harassment and victimisation
- advance equality of opportunity
- foster good relations

More information is available on the [Council website](#) including the [Community Knowledge Profiles](#).

Note the EIA should describe impact before any action/mitigation. If there are both negatives and positives, please outline these – positives will be part of any mitigation. The action plan should detail any mitigation.

Overview

Briefly describe how the proposal helps to meet the Public Sector Duty outlined above

Our Parks provide a universal environmental and social community benefit

The overall approach of the Age UK Sheffield's proposal supports the following criteria, which advance equality of opportunity and foster good relations:

- Affordable public access
- Addressing inequalities and promoting activity and participation in our most deprived communities
- Improving quality across all our facilities in all areas of the city

Action Plan and Supporting Evidence

Action Plan

- The impact of the project will be evaluated through a range of measures:
- Regular monitoring of the agreement with AgeUK through regular review meetings, and this will include reviews of user numbers;
 - Park and café surveys will be undertaken to seek feedback from site and facility users, including the annual parks satisfaction survey;
 - Bookings and user numbers will be recorded for the pavilion and these will be monitored;
 - Visitor counters are being considered for this and a number of visitor destination sites in order to track site users;
 - Sheffield Standard and Green Flag assessments will be undertaken to

- Yes No

If consultation is not required please state why

Consultation – see the Cabinet Report for the full detail.

All surveys undertaken for projects relating to Hillsborough Park, which have been undertaken via Parks & Countryside, have evidenced supportive findings. There was widespread support for the project and all its aspects have been received from throughout the age demographic. There is no statistical difference in the responses across different age groups.

Older people have been particularly consulted on the development of the activity plan. Letters of support from Sheffield 50+, Burton Street Project, which supports people with physical and learning disabilities, Disability Sheffield and Friends of Hillsborough Park. All respondents “really loved” the idea of having a café in the park.

Summary of overall impact

Summary of overall impact

Overall this proposal will have a positive impact that will benefit Age UK Sheffield's target group (over 50's) and users of Hillsborough Park

The provision of a café and toilets are important to making green spaces more widely accessible, and consequently should encourage social interaction, visitors to stay longer in the outdoors, bring new users to the park and increase opportunities for the community connections needed to get people more active hence promoting Health & Wellbeing.

There are no negative impacts identified.
