VOTING RECORDS

At the meetings of the full Council, voting is generally conducted using the electronic voting facility within the Council Chamber in the Town Hall. These votes are recorded and then published. The records of the electronic votes conducted at this Council meeting are set out in the following pages of this document.

Please note that the electronic voting facility is not used in instances where the affirmation of the meeting has been sought by the Lord Mayor (chair of the meeting) and no Member dissents. In these instances, the votes are deemed to have been carried unanimously, and this term is used within the minutes of the meeting.
