## ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

---

New standards arrangements were introduced by the Localism Act 2011. The new regime made changes to the way that members' interests are registered and declared.

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner, undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period\* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

\*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority -
  - under which goods or services are to be provided or works are to be executed; and
  - which has not been fully discharged.
- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) -
  - the landlord is your council or authority; and
  - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
  - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
  - (b) either
    - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
    - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

Under the Council's Code of Conduct, members must act in accordance with the Seven Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership), including the principle of honesty, which says that 'holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest'.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life.

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously, and has been published on the Council's website as a downloadable document at [-http://councillors.sheffield.gov.uk/councillors/register-of-councillors-interests](http://councillors.sheffield.gov.uk/councillors/register-of-councillors-interests)

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

[Please read guidance note 2]

On 15th March 2013 a serious incident took place at the premises which has led South Yorkshire Police to seek an Expedited Review of the premise licence. At 22:58hrs the Police received a call from Ambulance control advising of a stabbing at the above location. They advised the injured party was a 31 year old male with a single stab wound who was conscious and bleeding. Ambulance control advised that the offender had left the premise and that he may be at a nearby flat. Officers arrived at the scene at 23:03hrs. As there is an ongoing investigation connected with this incident full details cannot be provided so a brief summary of events will be outlined below:-

An argument occurred within the premise between the injured party and three males. This argument spilled out into the car park of the premise where the injured party was stabbed multiple times. Two members of door security intervened in the incident to split up the fighting and escorted some people from the car park back into the premise. However the fighting subsequently carried on in the road outside the premise. There was no attempt made by security staff to deal with this extension of the incident.

After the incident one male was able to re-enter the premise whilst still in possession of a knife. This male went to the rear of the building to attempt to discard the weapon but was unable to due to police presence. He then went to the front of the premise to attempt to discard the weapon but again was unable to due to police presence. A subsequent search of the premise located one knife inside and two outside the premise. Tests are ongoing with regards to these weapons. Blood stained clothing was also located in a vehicle which was parked in the premise car park. Again tests are ongoing on these objects. Two males were arrested inside the premise and a third male was arrested outside. CCTV evidence is available of the above incident.

The premise was closed voluntarily after the incident in order to preserve the crime scene. Subsequent discussion took place between the DPS Kevin Johnstone and the local policing team with regards to re-opening the premise over the weekend as they had two pre-booked functions on Saturday 16th March. It was agreed that a voluntary closure would be in place until Monday 18th March – but that one of the functions booked in for Saturday 16th March could take place as long as extra precautions were put in place. These included :-

- 1) two extra door security to work for the duration of the function
- 2) the premise to be responsible for ensuring that only family members and friends attended the function – the premise was not to allow in general members of the public.
- 3) Alcohol was only to be served until 23:00hrs with the premise to be empty and closed up by 23:30hrs.

South Yorkshire Police also provided two Officers to monitor the premise and provide support should it be required. Unfortunately Officers had to enter the premise at 23:45hrs to remind Mr Johnstone for the agreement as the premise

was still open and the function was still in full swing. South Yorkshire Police find this extremely disappointing considering that, as they had understood it, they had been fair and proportionate in not issuing a formal closure notice on the premise at the time of the incident, and also subsequently allowing the premise to open to hold a pre-planned function on the basis that certain requirements would be met, which they weren't.

Prior to this incident we can confirm that the following incidents have taken place at the premises since 1st January 2013:-

- 1st January 2013 (03:56hrs) – noise complaint regarding people in the street outside the premise (although SYP agree that this may not be solely related to Players Lounge)
- 1st January 2013 (04:15hrs) – noise complaint regarding people still drinking in the street outside the premise (although SYP agree that this may not be solely related to Players Lounge)
- 12th January 2013 (00:20hrs) – Officers attended the premise due to people fighting outside the premise. A further call received advising people who had left the premise were kicking vehicles in the street as they passed. No complaints made and no injured parties located so no further police action.
- 26th January 2013 (00:33hrs) – Officers flagged down by a member of public advising that there was a large group outside Players causing noise and Anti-Social Behaviour nuisance. A further call was received advising that people from the group were throwing themselves into vehicles parked nearby the premise. Police speak to the premise who advise there are a group of people outside awaiting taxis and that there have been no issues.
- 26th January 2013 (23:11hrs) – Member of the public advises that there is a group of people outside the premise shouting and arguing and it sounds like they are going to fight, The caller advised this happens every weekend.
- 27th January 2013 (00:49hrs) – A male calls police to advise there are people fighting outside the premise. Officers attended. No fighting was taking place but there was a large group hanging around outside the premise. No injured parties or complainants so no further police action.
- 27th January 2013 (00:53hrs) – Member of the public calls police to advise that there are young people fighting outside the premise – throwing bottles and glasses. Linked to the above incident.
- 2nd February 2013 (00:45hrs) – Member of the public called police to report fighting on the decking in front of the premise. Caller advised approximately 50 people arguing and fighting. Caller described people in the road also, and lying on car bonnets. Police attend and spoke to staff at the premise who advised there had been no issues. There was no fighting on attendance however there was a large group of people outside the premise, all of whom were in drink.
- 21st February 2013 (11:56hrs) – Member of the public called to report underage drinking at the premise. Caller stated their 14 year old cousin went there the previous week and was “absolutely hammered”. Officers attend the premise later that day along with Licensing Officers and Childrens Safeguarding to express their concerns and offer further support and advice.
- 3rd March 2013 (00:41hrs) – Member of the public reports approximately 40 people outside the premise – some of them fighting. Officers attend and two people are detained.
- 3rd March 2013 (11:02hrs) – Member of the public calls police to advise that the previous evening she had had to attend at the premise to collect her 15 year old daughter who was at the premise “very drunk”. The caller advised that when she attended there were many more underage people there. She questioned the Door staff who did and said nothing. The caller advised she

was willing to provide the police with a statement should they require.

- 3rd March 2013 (13:48hrs) – member of the public called police to advise she had been at a function at the premise the previous evening and when she had walked outside she was assaulted by a female. Investigations carried out then the victim advised she did not wish to make a formal complaint so no further police action taken.

- 9<sup>th</sup> March 2013 (00:26hrs) - Ambulance control call police to advise that they have had a call from a female advising there are approximately 50-100 people fighting at the above premise with bottles being used as weapons. Police attend. On arrival there were a lot of people waiting outside the premise for taxis but there were no signs of fighting. No further police action.

Due to the above serious incident and the possibility for repercussions from this incident South Yorkshire Police are concerned that there may be potential for further serious crime and disorder to take place at the premises.

We were already considering the requirement for a s51 Review based on previous incidents at the premise and the ongoing concerns we have regarding the apparent lack of control the Premise Licence Holder and DPS have over the premise. We are also concerned about the lack of responsibility that Messrs Johnstone take regarding incidents at their premise, and the possible effects of bad management on members of the public and local residents. South Yorkshire Police, along with other agencies, have tried to engage with the Johnstones by offering support and advice, but it seems that this is never fully taken on board.

As shown above there have been a large number of calls to South Yorkshire Police – whilst not all of them have resulted in criminal action being taken, all of the incidents have required Officer time

With regards to the CCTV system it has been discussed with Kevin Johnstone several times that it is a licensing requirement for there always to be someone on the premise who is able to operate the system to provide copies of footage to Officers immediately it is required. However following several instances recently when Mr Johnstone has not been able to provide footage, and advice from a local Officer that should there be a further breach of this license condition we would look at serving a S19 Closure Notice, still there was nobody on the premise during the incident on 15th March who was able to work the system and provide the required footage to Officers immediately. At the time of the incident it was believed that the injured parties' injuries may have been life threatening and therefore we could have been dealing with a murder. Obviously immediate receipt of CCTV footage can prove invaluable in such situations, and once again the premise was unable to provide this to us. Therefore, due to the serious nature of the incident on 15th March 2013 we now request that the premises be the subject of an Expedited Review under s53a of the Licensing Act 2003 in order to prevent serious crime and disorder and public nuisance, and protect the public from harm.

- 1) two extra door security to work for the duration of the function
- 2) the premise to be responsible for ensuring that only family members and friends attended the function – the premise was not to allow in general members of the public.
- 3) Alcohol was only to be served until 23:00hrs with the premise to be empty and closed up by 23:30hrs.

South Yorkshire Police also provided two Officers to monitor the premise and provide support should it be required. Unfortunately Officers had to enter the premise at 23:45hrs to remind Mr Johnstone for the agreement as the premise was still open and the function was still in full swing. South Yorkshire Police find this extremely disappointing considering that, as they had understood it, they had been fair and proportionate in not issuing a formal closure notice on the premise at the time of the incident, and also subsequently allowing the premise to open to hold a pre-planned function on the basis that certain requirements would be met, which they weren't.

Prior to this incident we can confirm that the following incidents have taken place at the premises since 1st January 2013:-

- 1st January 2013 (03:56hrs) – noise complaint regarding people in the street outside the premise (although SYP agree that this may not be solely related to Players Lounge)
- 1st January 2013 (04:15hrs) – noise complaint regarding people still drinking in the street outside the premise (although SYP agree that this may not be solely related to Players Lounge)
- 12th January 2013 (00:20hrs) – Officers attended the premise due to people fighting outside the premise. A further call received advising people who had left the premise were kicking vehicles in the street as they passed. No complaints made and no injured parties located so no further police action.
- 26th January 2013 (00:33hrs) – Officers flagged down by a member of

public advising that there was a large group outside Players causing noise and Anti-Social Behaviour nuisance. A further call was received advising that people from the group were throwing themselves into vehicles parked nearby the premise. Police speak to the premise who advise there are a group of people outside awaiting taxis and that there have been no issues.

- 26th January 2013 (23:11hrs) – Member of the public advises that there is a group of people outside the premise shouting and arguing and it sounds like they are going to fight, The caller advised this happens every weekend.

- 27th January 2013 (00:49hrs) – A male calls police to advise there are people fighting outside the premise. Officers attended. No fighting was taking place but there was a large group hanging around outside the premise. No injured parties or complainants so no further police action.

- 27th January 2013 (00:53hrs) – Member of the public calls police to advise that there are young people fighting outside the premise – throwing bottles and glasses. Linked to the above incident.

- 2nd February 2013 (00:45hrs) – Member of the public called police to report fighting on the decking in front of the premise. Caller advised approximately 50 people arguing and fighting. Caller described people in the road also, and lying on car bonnets. Police attend and spoke to staff at the premise who advised there had been no issues. There was no fighting on attendance however there was a large group of people outside the premise, all of whom were in drink.

- 21st February 2013 (11:56hrs) – Member of the public called to report underage drinking at the premise. Caller stated their 14 year old cousin went there the previous week and was “absolutely hammered”. Officers attend the premise later that day along with Licensing Officers and Childrens Safeguarding to express their concerns and offer further support and advice.

- 3rd March 2013 (00:41hrs) – Member of the public reports approximately 40 people outside the premise – some of them fighting. Officers attend and two people are detained.

- 3rd March 2013 (11:02hrs) – Member of the public calls police to advise that the previous evening she had had to attend at the premise to collect her 15 year old daughter who was at the premise “very drunk”. The caller advised that when she attended there were many more underage people there. She questioned the Door staff who did and said nothing. The caller advised she was willing to provide the police with a statement should they require.

- 3rd March 2013 (13:48hrs) – member of the public called police to advise she had been at a function at the premise the previous evening and when she had walked outside she was assaulted by a female. Investigations carried out then the victim advised she did not wish to make a formal complaint so no further police action taken.

- 9<sup>th</sup> March 2013 (00:26hrs) - Ambulance control call Police to advise that they have had a call from a female advising there are approximately 50-100 people fighting at the above premise with bottles being used as weapons. Police attend. On arrival there were a lot of people waiting outside for taxis but there were no signs of fighting. No further Police action.

Due to the above serious incident and the possibility for repercussions from this incident South Yorkshire Police are concerned that there may be potential for further serious crime and disorder to take place at the premises.

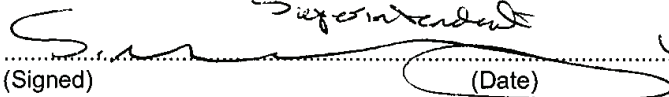

We were already considering the requirement for a s51 Review based on previous incidents at the premise and the ongoing concerns we have regarding the apparent lack of control the Premise Licence Holder and DPS have over the premise. We are also concerned about the lack of responsibility that Messrs Johnstone take regarding incidents at their premise, and the possible effects of

bad management on members of the public and local residents. South Yorkshire Police, along with other agencies, have tried to engage with the Johnstones by offering support and advice, but it seems that this is never fully taken on board.

As shown above there have been a large number of calls to South Yorkshire Police – whilst not all of them have resulted in criminal action being taken, all of the incidents have required Officer time

With regards to the CCTV system it has been discussed with Kevin Johnstone several times that it is a licensing requirement for there always to be someone on the premise who is able to operate the system to provide copies of footage to Officers immediately it is required. However following several instances recently when Mr Johnstone has not been able to provide footage, and advice from a local Officer that should there be a further breach of this license condition we would look at serving a S19 Closure Notice, still there was nobody on the premise during the incident on 15th March who was able to work the system and provide the required footage to Officers immediately. At the time of the incident it was believed that the injured parties' injuries may have been life threatening and therefore we could have been dealing with a murder. Obviously immediate receipt of CCTV footage can prove invaluable in such situations, and once again the premise was unable to provide this to us.

Therefore, due to the serious nature of the incident on 15th March 2013 we now request that the premises be the subject of an Expedited Review under s53a of the Licensing Act 2003 in order to prevent serious crime and disorder and public nuisance, and protect the public from harm.

**Notice of determination under Section 53B of consideration  
whether it is necessary to take interim steps.**

South Yorkshire Police

The Sheffield City Council, being the licensing authority, on the 18<sup>th</sup> March 2013 received an application for a Summary Review of a Premises Licence from South Yorkshire Police in respect of premises known as "Players Lounge" 20 Yew Lane, Sheffield, S5 9AN.

The Licensing Sub-Committee considered the written representations of the South Yorkshire Police in an application served by Superintendent Shaun Morley, of the South Yorkshire Police in Sheffield, for a Summary Review of the Premises Licence, under Section 53A of the Licensing Act 2003, in respect of the above named premises, on the grounds that the premises had recently been associated with serious crime and disorder.

The Licensing Sub-Committee decided to **IMPOSE** Interim Steps pending the decision at the full Review hearing, as follows:

**Premises Licence Suspension**

The Premises Licence in respect of "Players Lounge" 20 Yew Lane, Sheffield, S5 9AN shall be suspended with immediate effect from the 19<sup>th</sup> March 2013 until the full Review hearing of the Premises Licence.

The Licensing Sub-Committee read the representations from Superintendent Morley, on behalf of the South Yorkshire Police, in support of the application. The Licensing Sub-Committee asked for clarification on the Summary Review process which was provided by the Legal adviser to the Sub-Committee who explained that a Summary Review allowed the Police to fast track a review of a Premises Licence, where they considered that such Premises was associated with serious crime or serious disorder (or both), and the Licensing Authority is to respond within 48 hours of receipt of a Summary Review Application and consider under section 53B of the Licensing Act 2003 whether it was appropriate to take interim steps quickly pending the determination of a review of the premises licence, the Legal Adviser further advised as to the decision making process, that needed to be appropriate and proportionate. The Licensing Officer advised the Licensing Sub-Committee of the interim steps that the Licensing Authority could consider taking, namely:

- modification of the current conditions of the Premise Licence;
- exclusion of the sale of alcohol from the current permissions of the Premise Licence;
- removal of the Designated Premises Supervisor (DPS) from the Licence; or
- suspension of the Licence.

In the written representations, Superintendent Morley, on behalf of the South Yorkshire Police, indicated that the South Yorkshire Police had serious concerns as regards the overall management structure of the Premises and the failure to promote the licensing objectives in respect of the Prevention of Crime and Disorder, despite working with the Premises Licence holder.

## REASONS:

An Interim Decision was made for the following reasons:

1. There was a serious incident at the premises on the 15<sup>th</sup> March 2013 at or around 22:58 hours. An argument within the premises spilled out into the car park of the premises, two members of door security intervened in the incident to split up the fighting and escorted some people from the premises car park back into the premises. The fighting subsequently carried on in the road outside the premises. A 31 year old man sustained a stab wound. After the incident one male was able to re-enter the premises whilst still in possession of a knife. Following the incident, the premises agreed that a voluntary closure would be in place until the 18<sup>th</sup> March 2013, however one booked function could take place provided extra precautions were in place, including:
  - (i) Additional security to be employed for the duration of the function;
  - (ii) The premises to be responsible for ensuring only family members and friends to be in attendance at the function (the premises was not to permit entry to general members of the public);
  - (iii) Alcohol to be served only until 23:00 hours, closing by 23:30 hours.

Notwithstanding South Yorkshire Police providing 2 Officers to monitor and support the premises, the Officers were required to enter the premises at 23:45 hours wherein the premises was still open and the function ongoing.

The Licensing Sub-Committee accepted that the premises had recently been associated with serious crime and disorder.

2. The Licensing Sub-Committee were concerned that the potential for further incidents in the short term were possible.

3. The Licensing Sub-Committee were concerned in respect of the ability of the premises to take immediate steps, with the assistance of the Police, to address enhanced licensing, operational or management issues at the premises and to protect the community and its customers and local families.

The Licensing Sub-Committee had regard to the Licensing Act 2003, its Regulations, the new Home Office Guidance, the Council's Statement of Licensing Policy, and parameters provided by relevant case law (more specifically the case of *Daniel Thwaites Plc v Wirral Borough Magistrates' Court 2008*), whilst considering the application based on the licensing objectives. The Licensing Sub-Committee felt that there was sufficient evidence within the Summary Review Application. This decision took effect immediately and amounts to immediate notice of this decision and the reasons for making it.

### Representations of Premises Licence holder

If the holder of the Premises licence makes, and does not withdraw, representations against any interim steps taken by the Licensing Sub-Committee, the Licensing Authority must, within 48 hours of receipt of the representations, hold a hearing to consider those representations, with notice to be provided to the Police, so they can also attend before the Licensing Sub-Committee. Such a

hearing must consider whether the interim steps are necessary for the promotion of the licensing objectives and determine whether to withdraw or modify the interim steps taken. Any correspondence arising from this matter should be sent to The Licensing Service, Block C, Staniforth Road Depot, Staniforth Road, Sheffield, S9 3HD or emailed to [general.licensing@sheffield.gov.uk](mailto:general.licensing@sheffield.gov.uk).

**IMPORTANT NOTE:**

- 1. The above decision takes effect as from 19<sup>th</sup> March 2013.**
- 2. The premises licence holder may make representations against the imposition of the interim step, any such representations must be made during the period specified under Section 53A(3)(e) and prescribed by Regulation 39A(2).**

## Notice of determination under Section 53B of representation against interim steps

South Yorkshire Police

Representations relating to the Interim Steps decided by the Licensing Sub-Committee in respect of the Summary Review of the Premises Licence of "Players Lounge" 20 Yew Lane, Sheffield, S5 9AN

The Licensing Sub-Committee considered representations of the Premises Licence Holder and the South Yorkshire Police relating to the interim steps decided by the Licensing Sub-Committee on 19<sup>th</sup> March 2013 in respect of the Summary Review of the Premises Licence of "Players Lounge" 20 Yew Lane, Sheffield, S5 9AN.

Inspector Leek addressed the Sub-Committee on behalf of the South Yorkshire Police referring to the serious incident on the 15<sup>th</sup> March 2013 giving rise to the application for the review of a premises licence under section 53A of the Licensing Act 2003 (premises associated with serious crime or disorder). Inspector Leek told the Sub-Committee that he had viewed the incident of the 15<sup>th</sup> March 2013 via CCTV footage on 20<sup>th</sup> March 2013. He explained that the footage viewed revealed a significant number of individuals hardly able to stand up, who were unchecked. He said that notwithstanding the victim of the incident presented staggeringly drunk, he was still served. He continued that at the point the victim was asked to leave, he was at the door with a full pint. The CCTV footage revealed an apparent verbal altercation until a punch was thrown by one offender, there was no reaction in terms of security/supervisors, indeed the victim was pushed outside. The victim subsequently sustained multiple horrific injuries caused by the use of a weapon. Inspector Leek continued that notwithstanding some intervention by door supervision staff 3 persons involved in the altercation were allowed back into the premises, a knife was later found in the premises. In line with the cooperation of the Licence Holder and appropriate notification with the Superintendent the incident resulted in voluntary closure of the Premises. Inspector Leek confirmed that whilst police were able to view CCTV within the Premises, they were unable to retrieve the footage pursuant to the Premise Licence conditions.

Mr Hyldon, solicitor for the Licence Holder, addressed the Sub-Committee, he apologised for his client coming before the Committee. He stated that before the incident of serious disorder giving rise to the interim step the premises had been subject to Review in 2011 saying that the review was around matters of public nuisance not crime and disorder, he said that as a result of the review a further ten conditions were added to his client's licence. He referred to paragraph 21 of the Premises Licence Holder Representation in so far as his client thought he was doing everything possible to effect the smooth operation of the premises. He referred to paragraph 18 of the Representation referring to sums expended and produced photographs in this regard. He referred to the variation application in respect of the premises and the multi-agency approach involved in that process. He said that due to the comments of Police Officer Gallery his client had applied for an extension of one hour, he advised that this additional hour was to be abandoned after the incident on the 15<sup>th</sup> March 2013. He referred to paragraph 20 stating that the Premises Licence Holder had complied with the condition and at no time had he been advised differently. He referred to a troublesome element in attendance at the premises following the closure of neighbouring venues. He referred to paragraph 25 of the Representation and agreed that an argument had occurred within the premises between the injured party and three males. He further stated that the 2 members of door staff had reacted

immediately. He said that the security staff had carried out their job, the incident carried out in the road well outside the allotted line of the premises. He referred to the immediate action of his client to try to engage alternative security, producing an email in this regard. He submitted that the actions taken reflected strong management. He said that going forward a weapons wand could be used to address concerns. He noted referring to paragraph 27 the voluntary closure amounted to a responsible operator.

He added that the function on the 16<sup>th</sup> March had ended at 23:30, people had remained in the premises as it was raining and in the interests of safety.

It was confirmed to the Sub –Committee that circa 120 people had been barred from the premises since December 2012, in this regard it was confirmed that CCTV footage was reviewed in advance of a decision to exclude customers.

It was confirmed to the Sub Committee that the serious incident had occurred on or around 22:45 and that the Police were made aware by the Ambulance service not from the premises.

The Police asked the Sub Committee to keep the Premise closed until review.

In summing up Mr Hyldon, on behalf of the Premises Licence Holder, asked that the suspension be removed submitting that the suggested condition at paragraph 35 should prevent reoccurrence.

Members of the Licensing Sub-Committee received representations against interim steps taken by the Sub-Committee following an application by the South Yorkshire Police under section 53A of the Licensing Act 2003 for a review of the Premises Licence granted to Mr Keith Johnstone in respect of the premises known as “Players Lounge” 20 Yew Lane, Sheffield, S5 9AN. Members were required to decide under section 53B of the Act whether the interim steps were necessary for the promotion of the licensing objectives and whether they should be withdrawn or modified pending a full review of the licence. In reaching a decision considered:

- The application made by the Police
- The certificate in support of that application stating that the premises are associated with serious crime and serious disorder
- The representations from the Police
- The representations from the licence holder including the offering of certain conditions
- The Council’s Statement of Licensing Policy
- The Statutory Guidance of the Secretary of State and the non-statutory guidance on expedited/summary licence reviews
- The parameters provided by relevant case law (more specifically the case of *Daniel Thwaites Plc v Wirral Borough Magistrates’ Court 2008*).

After taking into account the licensing objectives and all relevant considerations the Sub-Committee decided that the interim step previously taken by the Sub-Committee to suspend the licence pending the full review is still appropriate,

The Premises Licence in respect of “Players Lounge” 20 Yew Lane, Sheffield, S5 9AN shall remain suspended with immediate effect from the 19<sup>th</sup> March 2013 until the full Review hearing of the Premises Licence.

Reasons:

1. The Licensing Sub-Committee accepted that the Premises had recently been associated with a serious crime and disorder.
2. The Licensing Sub-Committee were concerned that the potential for further incidents in the short term were possible.
3. The Licensing Sub-Committee were concerned in respect of the ability of the Premises to take immediate steps, with the assistance of the Police, to address enhanced licensing, operational or management issues at the premises and to protect the community and its customers and local families.

The only interim step that the Sub-Committee can therefore take is suspension of the Licence.

There is no right of appeal against this decision and there will be a full hearing of the review after the consultation period. You will be informed of the date in due course.

Dear Sirs

### **APPLICATION FOR AN EXPEDITED REVIEW OF THE PREMISES LICENCE: PLAYERS LOUNGE, 20 YEW LANE, SHEFFIELD S5 9AN**

The Safeguarding Children Board is in receipt of the above documentation and is writing to make a representation regarding this matter, as the Responsible Authority for the protection of children from harm under the Licensing Act 2003. The reason for the representation is that safeguarding concerns have been identified in relation to the style and character of the premises and the way the premises has been managed, which has failed to provide a suitable, family friendly environment.

The Safeguarding Children Board has been repeatedly involved with the premises management since 2010 due to on-going safeguarding concerns at the premises. Complaints have been received regarding underage drinking and anti social behaviour at the premises. In February this year, I attended a meeting with the premises management to investigate further complaints regarding underage drinking and young people accessing the premises unaccompanied, via the 'membership scheme'. During this time the Safeguarding Children Board has tried to work in partnership with the premises management to improve the environment to make it safer and family friendly. I can confirm that a number of staff at the premises, including the Designated Premises Supervisor Mr Kevin Johnstone, have attended the multi agency safeguarding training; this means that the DPS and staff are aware of what is expected in terms of competent risk management for the protection of children from harm. Despite having been trained and repeatedly advised, safeguarding issues have continued to be raised at the premises.

I note from the evidence submitted by South Yorkshire Police that in the face of security staff, fights, assaults and incidents of disorder take place and have escalated. I am concerned that on 15<sup>th</sup> March 2013, a stabbing took place and a weapon was found inside the venue, with a further two weapons

having been found in proximity to the premises and security staff did not the fight as it moved to the road outside. This demonstrates that there is an escalating risk that children and young people either socialising at the premises or who are in proximity to it, may suffer physical or psychological harm.

Since 2010 the premises management has received on-going intervention, support and training, but disappointingly has still failed to achieve a culture change at the premises.

I am aware that an application to vary the premises licence has recently been submitted, to address the fact that the premises while being regulated in the style of a snooker membership club has in fact been operating as a public bar/function suite. This means that currently, children have liberal access in that they are permitted to remain at the premises until 10pm or after if attending parties/functions, dining, or attending a game or event. I am also concerned that currently young people aged 16 to 18 may access the venue unaccompanied. If robust measures are not enforced to address crime and disorder, children will continue to be exposed to risk of harm.

The evidence demonstrates that the environment at the premises is becoming increasingly unsuitable and hostile for children and young people; the premises is known to attract high numbers of young people who socialise in the bar, attend parties and attend sports coaching sessions. In light of the changed style and character of the operation it is imperative that stringent safeguarding measures are in place and enforced, to regulate the environment if children and young people are to continue to have access. I would therefore ask the Licensing Sub Committee to take positive action regarding this premises licence for the protection of children from harm.

Yours sincerely

Re-Review of licence  
The Players Lounge, 20 Yew Lane,  
Sheffield S5 9AL.

26/3/13

Dear Sirs,

Re The Players Lounge, Yew Lane, Ecclesfield, Sheffield.

I have lived at my home address, which is approximately 100 yards away from this club, for over 25 years.

During these years, that is until it became The Players Lounge, there seems to have been little or no problem to myself, the neighbours, or Ecclesfield.

Once it became The Players Lounge, with Johnston running it, there has been nothing but problems.

The club has been allowed to open till late on a Friday and Saturday nights and is thought of as a 'night club' by both residents of Ecclesfield, and the people who visit the club on its 'late nights', most of whom are obviously not from the local area. I can say this, as when the premises has 'turned out', a large group of people gather on Yew Lane awaiting numerous taxi's to collect them.

Johnson cannot fail to be aware of the problems the club causes, with the Police having to attend almost all Friday/Saturday nights – blue lights and sirens in operation, and I know from newspaper reports which are still online (The Sheffield Star, Sept 2011) that the problems were put to him by Police and that his answer was not to put things right, but to abuse Police. This resulted in the loss of his licence for a few days with the threat of more serious action, if he failed to take appropriate action to ensure the club was run correctly. I'm sure told the licensing committee exactly what he thought they wanted to hear, as he was given his licence back.

2

He failed to alter anything and things have gone from bad to worse, until earlier this month when the normal trouble we all have to put up with turned into a serious stabbing, resulting in the temporary loss of licence, and closure of the club.

I have spoken to his father, who appears to help with the running of the club, at length, following a complaint to Police over damage to one of my cars caused by youths exiting the club, fighting drunk, and one youth throwing another onto the bonnet of the car.

Talking to his father was a waste of my time and breath. He stated that they have a sign up which asked customers to be quiet when leaving the club, and the sign being placed ended their responsibilities. I pointed out the 'club' had a duty of care to the residents, and that the 'club' should do all it could to keep their neighbours happy and avoid complaints. He told me that once customers were out of their door, they were no longer anything to do with the 'club'. I also put it to him that they were clearly allowing people, young males, but some females as well, to drink far too much alcohol, and many people were coming out of the club absolutely drunk, and that by law they should refuse to serve someone who was drunk, with more alcohol. He stated that they sold as much alcohol as possible, as more sales meant more profit!

I understand that anyone in business needs to make a profit, but this club is doing it at the expense of all its neighbours, the people of Ecclesfield, and even the customers themselves, some of whom must suffer (possibly long term) the effects of drinking large amounts of alcohol. There must also be a cost to the N.H.S., treating people injured during the numerous drunken fights outside the club. Also it is at the cost of Police time with the amount of man-hours the Police spend responding to incidents at the club. (And the tax payer who pays toward the N.H.S./Police).

I have had both my cars damaged recently by drunken youths fighting after coming out of the club in the early hours. One had its bonnet damaged as mentioned above, the other, in January 2013, had its wing mirror broken off. I have also had my garden fence (yet to be repaired) damaged twice.

I see these incidents occur, but am so in fear of my health and safety, that I dare not go out and challenge the offenders myself or make a citizen's arrest, and have to rely on the Police attending. Even if the Police arrive within a couple of minutes, the offenders have done their damage and are either gone or merge back into the crowd. When the car bonnet was damaged, I know that Police viewed CCTV at the club and on Yew Lane, and were unable to identify anyone from it, so whilst there is CCTV, it is limited in what it can do, and does not stop drunks fighting, causing damage or even stabbings!

This last week has been wonderful, with the club closed. Just like the 'old' days! There has been no screaming, shouting, swearing, damage, fighting, abuse, vomiting and urinating in the street, no fear, no traffic problems, no constant slamming of car doors, no cars driving on the footways, no cars parking on paths or grass verges, no having to stop up till 2 a.m. due to noise and fear of damage, no litter, no glass broken in the road, etc.. etc.. etc..

I hear of neighbours with small children, who are woken by all the noise, fighting and Police attending every weekend. Also talking of small children, every weekend women with babes in arms or kiddies in prams can be seen leaving the club and standing around waiting for taxi's till 1 a.m. or so. I have also seen women with babes in arms get involved in fights!

If you allow Johnson to have his licence back, I am sure we will be in for more of the same. He may well tell you the things he thinks you want to hear, but he has done this before, and up

4

until March 2013, gotten away with it. He has shown he is not fit to hold a licence to run this club and serve alcohol.

If the licence is restored then serious restrictions need to be put in place please. I think one thing that would help the locals the most would be to restrict opening hours, the club having to close at 11 p.m. This should stop many offences occurring, and make the life of its neighbours more comfortable, as the drunks coming from the club, may not be as drunk!

The main points of a licence being granted are the prevention of crime and disorder, public safety, prevention of public nuisance and the protection of children.

This club and Johnston fail on every point. Please don't let him pull the wool over your eyes, when and if he asks for his licence back.

I suspect only a handful of residents may contact you about this club, but I can assure you that there are many more who would like to object, but feel it's a waste of time, as nothing will change.

If you did want to get a true picture of how all the residents felt about this club, say those in a quarter mile or so radius, then could you not commission a survey before making a decision which could have such a big impact on the future of Ecclesfield and its residents?

Yours sincerely,

SECTION

To Whom It May Concern,

Whilst passing the Players Lounge  
 New Lane Ecclefield yesterday 21<sup>st</sup> March 2013.

I noticed someone putting up notices, I stopped  
 and read the 2 Notices, one was for an extension  
 of the premises and one for the extension of the  
 licensing hours.

One notice was dated 8<sup>th</sup> February 2013,  
 it read that anyone could make written representation  
 anytime up to the 12<sup>th</sup> March, how in hell could  
 anyone make written representation before 12<sup>th</sup> March  
 if the notice wasn't displayed by the owners of the  
 Players Lounge until the 21<sup>st</sup> March?

The second notice dated 25<sup>th</sup> February 2013,  
 anyone can make a complaint within 21 days after  
 the 25<sup>th</sup> February, 21 days after the 25<sup>th</sup> is Sunday  
 17<sup>th</sup> March, again if this is not displayed by the  
 owners until 21<sup>st</sup> March how can anyone make a  
 complaint in time?

I am also informed that all the extensions  
 that have been applied for have already been  
 carried out, how can this be if planning consent  
 hasn't yet been granted, or is this already cut dried  
 before anyone has had the chance to object, there  
 seems to be some very serious issues here

As you will see from the address my wife & I live on Penneville Crescent which is a short distance from the Players lounge, on Friday & Saturday nights in particular the front of our house is used as a car park by people visiting the Players lounge, we are woken after in the early hours of the morning by shouting, swearing, car doors slamming shut & engines being revved up.

My wife is a light sleeper & has difficulty in getting back to sleep again. therefore affecting her health.

on a couple of occasions I have ventured outside to ask these noise makers if they would try & leave quietly, then I got swore at, abused & threatened with violence, my wife & I are both in our 70s & at our age we don't need these problems just for the sake of someone making more profit whilst others suffer.

You must be aware of the record the Players lounge has. i.e regular fights, noise, drug dealing, damage to peoples property & a recent stating, "how can you even consider extending the licensing hours or extension to the property in view of all the trouble, what you should be considering is closing the place down."

Are you also aware that a large number of elderly residents live in close proximity to the Players lounge, have you considered these peoples concerns?, or does Sheffield Council have a no care attitude towards the elderly.

Not only do private residents have to suffer the noise & abuse associated with the Players lounge, the reputation of this drinking den will reduce the value of our homes.

So if you do grant what the owners of the Players lounge are asking for, myself & a number of other residents in the area will be seeking a reduction in our council tax payment and we could also run a media campaign to highlight the problems we are encountering because of the Players lounge.

Yours sincerely

AT PRESENT, I DO NOT WANT MY DETAILS TO BE GIVEN TO ANYONE OTHER THAN THE PEOPLE ADDRESSED TO IN THIS LETTER.

Dear Sir/Madam

**Re: Licensing Objection to The Players Lounge, 20 Yew Lane, Sheffield.**

The Players Lounge started out as a Snooker Club known as The 147 Snooker club. During this time there were no problems whatsoever. Over the years it has become a nightmare. It is more like a nightclub with the late night drinking, outside smoking, music, and fighting.

This is or was a very quiet village and I would like to point out that the Players Lounge is situated right in the middle of a residential area – family houses, sheltered accommodation flats for the elderly and a nursery for the under fives.

The residents have to tolerate not only the noise from the people using the club, and on leaving to go home. The taxis peeping their hooters late at night when arriving to collect their fares but from the youngsters who gate crash parties which are being held there. This results in arguments and then the obvious to fighting. The police are called out regularly to attend trouble which has broken out which then spills out onto the public highway. The most recent resulted into a young male getting stabbed.

Empty beer bottles and broken glass is a regular weekend picture which can be a danger to the young children attending the nursery on a Monday morning.

The residents dread the warmer and lighter nights as this brings larger crowds to this small area and the visitors tend to sit outside the Players Lounge drinking and smoking which creates more problems as we cannot have our windows open and the people with gardens suffer from the families who bring their children with them and leave them outside unsupervised and they chase all over private property.

I would ask you to visit this site to see for yourselves to judge how inappropriate the area is to accommodate such a business.

I am enclosing a petition signed by some of the residents living in this area.

Yours faithfully

Georgina

Further to our telephone conversation I confirm that it is the intention of the application to extend the supply of alcohol on Monday evenings until midnight only. The indication in the application is that it was to 00:30. This is a typographical error and I would be grateful if you could note the alteration.

For your assistance, I enclose herewith an amended section J, correctly drawn.

I understand that you have agreed to circulate this correction to all Responsible Authorities, for which I am grateful.

Should you require any further action on our behalf however, please do not hesitate to contact me.

**Kind regards**

Hello Claire,

Further to our telephone conversation this afternoon please see below the Variation Application "as applied for" and "as amended".

Various points have now been removed from the application which are highlighted in red with caps locks stating "removed". The condition in blue is what has been amended as discussed.

I hope this clarifies the position. I shall of course address the Committee on why the variation is proceeding and why each of the points below are being applied for.

I also confirm that all of the requisite statutory notices are currently being displayed on site and have been since the application was lodged and also since the review was served. Mr Johnstone is taking photographs of the notices daily and has been following the telephone call which Nina in your licensing department received in February blatantly lying that notices were not being displayed. A full record of photos will be brought to the hearing on Mr Johnstone's phone.

In the mean time if you require any further information please do not hesitate to contact me.

## Licensing Act 2003

### Objection to the application for a variation to the premises licence

#### Player's lounge, 20 Yew Lane, Ecclesfield, Sheffield

On behalf of the Chief Constable of South Yorkshire, an objection is being made in relation to the above application.

The grounds of objection are based on the prevention of crime and disorder, public nuisance and the protection of children from harm. We have concerns regarding the proposed variation given ongoing issues at the premise. Further information will be provided in due course.

In order for the objection to be withdrawn, the matters outlined must be addresses to our satisfaction.

Yours faithfully,

For and on behalf of

**Subject:** SENT ON BEHALF OF JULIE HAGUE, SAFEGUARDING CHILDREN BOARD: REPRESENTATION - APPLICATION TO VARY THE PREMISES LICENCE FOR PLAYERS LOUNGE YEW LANE ECCLESFIELD SHEFFIELD

## **This representation is sent by email in agreement with the Licensing Authority**

The Sheffield Safeguarding Children Board has received and considered the above application and is hereby making a representation in relation to the proposed changes, under the core objective for the protection of children from harm (Licensing Act 2003).

The variation proposed by the applicant would result in a significant change to the style and character of the business, moving away from a membership controlled sports and social club to a general public late bar and party suite. I am concerned that if the application is granted as it stands, children and young people will be at increased risk of harm if additional safeguarding measures are not in place. This is because the existing licence conditions would mean that very young children may access the public bar, unaccompanied, until the early hours of the morning, in an environment that is adult orientated and where the main trade is the sale and consumption of alcohol.

The premises is well known to the SSCB and we have endeavoured to continually train staff to improve safeguarding and prevent underage sales; there is a record (including as recent as February 2013) of complaints regarding young people's behaviour and safety at these premises.

In order to ensure that adequate safeguarding systems are in place, if the application is granted, I would recommend that measures such as the following must be in place:

1. Persons under the age of 18 must be accompanied and supervised by a responsible adult at all times.
2. A designated family area must be used on a risk assessed basis (eg on football match viewings/match days)
3. Children accessing the premises to attend junior sports coaching sessions must be signed in and out of the premises by a responsible adult and a register of this process must be maintained and made available to the authorities for inspection on request. The premises management must obtain parent/carer consent for children under 16 years attending for sports coaching sessions and keep confidential records of emergency contact details for such children. The premises must have a suitable child protection policy to ensure that staff working with unaccompanied children are suitably vetted.
4. The booking contract for parties should include that a responsible adult is either in attendance or readily available in case of emergency and to provide supervision of children and vulnerable young people if required. This person should be nominated on the booking form along with their contact details (including a mobile phone number) so that staff can alert them if required.
5. Functions/parties should be ticketed or a guest list must be provided by the responsible adult prior to the event so that access can be controlled and audited.
6. It should be a booking condition that all guests must bring an acceptable form of identification (eg passport, photo driving licence or PASS logo card).
7. Adults attending parties involving a combination of under 18's and over 18's should be issued with a wristband to indicate age-verification has taken place to assist bar staff to prevent underage sales/proxy sales of alcohol.

I will liaise with the applicant's solicitor and try to resolve the above matter without the need for a formal hearing. I will notify the Licensing Authority of any agreements made.

Thank you,

Dear Sirs

### Licensing Act 2003

### Application to Vary the Premises Licence

**Premises: Players Lounge, 20 Yew Lane, Ecclesfield, Sheffield, S5 9AL**

I write further to the above application and a site visit on 10 January 2013, during which it was noted that unauthorised alterations have taken place to the internal layout of the premises.

Whilst these alterations were to a reasonable standard, and form part of this application, I have concerns regarding the proposal to remove the following three conditions which were attached to the premises licence during a hearing by the Licensing Committee on 6 September 2011;

1. The premises shall be used as a private members club and for the purpose of providing members and bona fide guests with facilities for the playing of snooker and similar sports. The provision of live music and entertainment facilities shall be ancillary to the main use.
2. There shall not be more than 200 persons on the premises at any one time.
3. The provision of live music and similar entertainment facilities shall only be permitted for pre-booked events and shall be restricted to the new lounge as in accordance with the plan, dated 4<sup>th</sup> August 2005, revised 9<sup>th</sup> September 2010.

The premises are currently operating as a proprietary club for the purpose of providing members with the facilities for the playing of snooker or similar, with social facilities which are ancillary to the main usage.

This application if granted, with the removal of the above three conditions, would substantially change the style and operation of the premises from a membership snooker

TO WHOM IT MAY CONCERN,

I STRONGLY OBJECT TO THE ABOVE PUBLIC HOUSE EXTENDING HIS OPENING HOURS. FOR THE PAST SIX FRIDAY'S NOW, WE HAVE BEEN WOKEN UP, BETWEEN THE HOURS OF 12-1 AM, BY TEENAGERS, CAUSING A DISTURBANCE ON THEIR ROUTE HOME FROM THIS PLACE, BY THIS I MEAN FIGHTING, ARGUING, SHOUTING AT THE TOP OF THEIR VOICES. BROKEN GLASSES AND BOTTLES, I HAVE ALSO HAD TO CLEAN VOMIT UP ON MORE THAN ONE OCCASION, WHICH BELIEVE ME IS NOT NICE. SOME OF THESE YOUTHS ARE UNDER AGE TOO, AS THEY ARE IN FACT KNOWN TO ME. ITS ALWAYS GANGS OF THEM TOO, NOT A COUPLE BUT MAYBE 10-15 PEOPLE AT A TIME, SO WHAT I WOULD LIKE TO KNOW IS, WHY FRIDAY IS SO POPULAR, MAYBE HE AS A SOME DEAL ON WITH CHEAP DRINKS, NOT SURE, BUT SOMETHING BRINGS THEM IN THERE DROVES. I START WORK AT 6.30 AM SO I GO TO BED EARLY, THEN TO BE WOKEN SUDDENLY IS NOT ON, AND I SHOULD NOT HAVE TO PUT UP WITH IT, AND THEN TO FIND OUT THAT THEY WISH TO EXTEND THEIR OPENING HOURS IS RIDICULOUS AND AN INSULT. THIS BUSINESS STARTED OFF AS A SNOOKER CLUB, NOW ITS BECOME A NIGHT CLUB IN THE MIDDLE OF A CONSERVATION AREA, WHERE NOISE POLLUTION IS A KEY FACTOR. TO GRANT THESE CHANGES WOULD BE UNFAIR TO LOCAL RESIDENTS, OF WHICH A LOT OF THEM ARE RETIRED, ELDERLY AND POORLY AND ALREADY THEY ARE SICK OF THE TROUBLE THAT THIS CLUB BRINGS TO OUR VILLAGE. ONE OTHER POINT I WOULD LIKE TO MAKE, IS THAT THIS GENTLEMAN CAN GO HOME AFTER HE LOCKS UP HIS PREMISES, WE CANNOT GET AWAY FROM THE PROBLEMS, MAYBE IF HE WAS TO TAKE A LOOK AT THE SITUATION FROM OUR SIDE, HE MAY LOOK AT IT IN A DIFFERENT WAY, AND NOT BE SO QUICK OF THE MARK TO APPLY FOR THESE CHANGES. I HAVE SAT BACK AND IGNORED THIS PROBLEM FOR A WHILE NOW, BUT IT DOES NOT GO AWAY, AND ITS GETTING MUCH WORSE AND AM NOW AT BREAKING POINT. I MYSELF SUFFER WITH HIGH BLOOD PRESSURE AND TRY NOT TO LET THINGS BOTHER ME, BUT WHEN IT AFFECTS YOU ON A REGULAR BASIS IT REALLY DOES GRIND YOU DOWN, SO I REALLY NEEDED TO GET MY POINTS ACROSS. BY EXTENDING HIS HOURS OF TRADING WILL MEAN THAT YOUTHS ARE GOING TO BE WALKING THE STREETS AT 2-2.30 AM MAKING IT EXACTLY LIKE A NIGHT CLUB, AND JUST ADDING TO THE PROBLEMS WE ALREADY HAVE, IF A NIGHT CLUB IS WHAT THIS GENTLEMAN WANTS WHY DOES HE NOT SHIFT IS BUSINESS IN TO THE TOWN CENTRE WHERE A NIGHT CLUB BELONGS, AND I AM SURE WOULD BE WELCOMED WITH OPEN ARMS.

I DO HOPE THAT YOU WILL CONSIDER ALL THE FACTS BEFORE A DECISION IS MADE, AND IT MAYBE A GOOD IDEA TO CONTACT THE POLICE, AS THE ABOVE BUSINESS IS ALREADY WELL KNOWN TO THEM. PLEASE LET ME KNOW OF ANY MEETINGS WHICH WILL TAKE PLACE  
REGARDS TO THE ABOVE AS I AM VERY KEEN TO ATTEND.

dear sir

this is my objection to the proposed changes to the licensing hours to the players lounge.

at the moment friday and saturday nights there has been several occurrences where police ambulance ect, have had to attend because of the vioiece and fighting that has happend between the hours of 11pm and 1am and i have to sit and wait for the reverlers to go home before i can go to bed.

one of the biggest problems is the decking which was extended to the main entrance from the road to the premises.where customers sit summer and winter

another problem once the staff have ejected the customers from the building when closing there not intrested what happenes in the car park this is when the violence and fighting starts and spills over into yew lane

the car park is an echo chamber and the noise goes all round the area in the early hours.

In reply to your letter dated 20<sup>th</sup> February, I would strongly object to permission being granted enabling the owners of "The Players Lounge" to extend their premises and licensing hours.

The "Players Lounge" started out as a Snooker Club and caused no problems whatsoever. Over the years it has gradually become more of a drinking establishment and entertainment place. The no smoking law has resulted in groups of patrons sitting outside drinking and smoking, causing a disturbance, excessive noise, abusive language and behaviour.

The building itself, is situated in close proximity to family houses and sheltered accommodation and the residents have repeatedly complained to the police about the problems they are experiencing.

Birthday parties are held there and the children usually accompany their parents. These children are not supervised and are often outside the building causing problems with running amok over neighbouring gardens and causing a general nuisance. Fighting often breaks out amongst the guest and glasses are thrown, resulting in the glass being strewn all over the pavement and road. The police are often called to attend these and I do believe that several arrests have resulted. At closing time there is the usual slamming of car doors plus the laughing and shouting of people leaving the premises.

I understand that the owners have already implemented some alterations to the interior of the club, so therefore, are really asking for retrospective planning permission. If it is granted does this not make a mockery of planning laws?

I would ask you to visit this site before making any decision, to see for yourselves how inappropriate it would be and very unfair to the residents already having a nightmare of a life especially at the weekends especially during the lighter nights and drier weather.

Dear Sir

I am writing in respect of the license extension being applied for by The Players Lounge (Formerly 147 Snooker Club)

of

20 Yew Lane

Sheffield

S5 9AN

I understand the main issue people have locally is associated with late night noise (especially at the weekend). I think that to extend the licensing hours will potentially cause more of an issue. Particularly considering the Eva Ratcliffe flats opposite have many elderly residents.

As such, I think this part of the application should be refused.

PLAYERS LOUNGE - ECCLESFIELD

I once again object to the above being granted extended Trading Hours.

Every Friday and Saturday night we are woken from about 11pm by Gangs of people shouting, fighting Damaging cars, and urinating on my property. Taxis are pulling up all Night Long and because of the Volume of traffic it brings they park across my drive often sounding the horn. At Closing time the Door Men send everyone off the property into the Street. I see them then leaving while there is mayhem in the street. The Police then have to attend.

This Club has been operating for Months Like a Night Club, I KNOW that it is full of UNDER AGE, I have been told by a neighbour their 13 year Old went in on Boxing Day with the couples friends and Their 13year Old , A few of their School Pals were in but NO PARENTS, drunk and getting served.

The Alterations have again been done prior to planning permission. It is not a function room and a Restaurant it is 2 FUNTION ROOMS . People come from all over the Area because it's the only place that will have 18<sup>th</sup> Partys. That is were the problem lies, they hold 2 18<sup>th</sup> together. They have to go through the other room for toilets and to get out. What a joke our Planning Laws are, the same Happened with the decking. WE ARE SUPPOSED TO BE A CONSERVATION AREA .

This brings me to the last review on 6/9/2011 after the conditions were set the councillor summed up If at any point we are brought back for breech of these conditions there will be Grave consequences ! Well thats about Everyone broken, So now what ?.

I cannot believe that we are expected to put up with all this I feels So Sorry for the Residents at Eva Ratcliffe Sheltered Housing some of these people are in their 80s and 90s. The terraced houses have Young Children and find it very distressing. I have be approached by Several neighbours and also 2 residents of the Sheltered housing they feel that NO ONE CARES and is not listening to them.

This weekend again it was disgusting the noise. Again Police attended one neighbour said 4 Youths ran Down the back of the Club and threw something over the bottom wall. I will let you work that one out.

All I can say is that this is a TICKING TIMEBOMB something is seriously going to go wrong. The Police will then have the Job of telling the Parents.

I Could go on and on with the issues .But these are a few FACTS that I think need to be mentioned.

(He Reckons his Solicitor has told him he will get the Extensions without any problem) .

Yours Faithfully

I would like to totally send my opposition of the players lounge extending its opening hours at the weekends. we live on an housing estate. and I thought we were trying to stop binge drinking. if the people using the players lounge want late night drinking they should go to town.

we still get problems with the noise etc now !!!!! some of us like to go to bed to sleep also can it be reminded that the club is surrounded by elderly people. it is not necessary for it to be opened later and definitely not wanted.

please think about the people living near before the greed of the owner of the club.

thankyou.
