EXECUTIVE FUNCTIONS DECISIONS

8. SOUTH EAST COMMUNITY ASSEMBLY HIGHWAYS BUDGET 2012/13

The Highways Link Manager and South East Community Assembly Manager submitted a joint report which set out ideas for spending the Assembly's allocation of £40,000 for Highways schemes in 2012/13 and any underspend carried forward from the 2011/12 budget.

8.1 **Public Question**

David Luck, Community Assembly Manager, listed the proposed locations for the Speed Indication Devices (SIDs) as being Retford Road, Beaver Hill Road, Sheffield Road, Beighton Road, Station Road and possibly Skelton Road. He added that the SIDs would be in place for two months at a time and that he would be looking at timescales for implementation and would report back.

8.2 **Decision Taken**

RESOLVED: That the South East Community Assembly:-

- (a) notes the information contained within the report and allocates the following sums from the South East Community Assembly Highways Budget 2012/13:
 - Speed Indication Device maintenance/installation of equipment for new sites £13,000
 - £5000 per Ward for small schemes; and
- (b) authorises the South East Community Assembly Manager, in conjunction with the Community Assembly Chair, to decide on the schemes to be funded from the Ward budgets now established.

8.3 **Reasons For The Decision**

The purpose of the Highways Budget is to respond to local requests for Highways improvements. Safe roads and pavements is one of the South East Assembly Community Plan priorities. The allocations proposed allow for the sound operation of Speed Indication Devices and the agreement of local small schemes whilst leaving scope for the Community Assembly to decide larger schemes at a later date.

8.4 **Alternatives Considered and Rejected**

- (a) No Ward budgets – This would involve Members considering all requests and would be unworkable.
- (b) Divide the whole budget into Ward allocations – This would not take into account variations in needs across the area and previous investment.

9. **SOUTH EAST COMMUNITY ASSEMBLY REPRESENTATION ON SHEFFIELD HOMES SOUTH EAST AREA BOARD**

The Community Assembly Manager submitted a report on the proposed nomination of two Members of the Community Assembly to serve on the Sheffield Homes South East Area Board.

9.1 **Decision Taken**

RESOLVED: That the South East Community Assembly:-

- (a) having regard to the positive views expressed by the Cabinet Member for Homes and Neighbourhoods about the proposal to nominate Councillor Chris Rosling-Josephs and Councillor Denise Fox to the Sheffield Homes South East Area Board, nominates those two Members of the Assembly to these positions;
- (b) requests the Director of Modern Governance to refer these nominations to Full Council at the earliest opportunity; and
- (c) requests the Community Assembly Manager to complete the necessary paperwork to effect these appointments, in consultation with the Director of Legal Services.

9.2 **Reasons For The Decision**

The South East Community Assembly has been requested to nominate two Sheffield City Council appointees to the Sheffield Homes South East Area Board.

9.3 **Alternatives Considered and Rejected**

The South East Community Assembly could consider alternative nominees to the Councillors proposed.

NON EXECUTIVE DECISIONS

10. HIGHWAYS ISSUES

David Luck, Community Assembly Manager, reported as follows:-

- (a) There was a commitment to funding at least one 20 mph zone per Community Assembly up to a value of £40,000 and this was to be delivered between 2012 and 2014. This would cover signs and markings only and Members were considering options at Hackenthorpe and Charnock in more detail.
- (b) Amey had been appointed as contractor for the Streets Ahead PFI (Private Finance Initiative) Project. The agreement was for Amey to bring the City's highways up to an agreed standard over a 5 year period and maintain them over a period of 25 years. The work would include lighting, signage and trees as well as the highway and there would be a phased approach with all aspects covered at the same time. Residents would be given notice of when any works were to take place.

- 10.1 RESOLVED: That the South East Community Assembly notes the information reported.

11. WOODHOUSE WARD REPORT

David Luck, Community Assembly Manager, gave a presentation on activities in the Woodhouse Ward which included some statistical information, and information regarding the Health Champions Project and the activities of the Woodhouse Forum and Handsworth Forum. He also informed the Assembly of the Community First funding arrangements and provided details of the funded projects. David Luck also reported on the Handsworth Fun Day and the work of the Salvation Army, Handsworth Historical Society and Friends of Shirtcliffe. In conclusion, the Community Assembly was informed of a field being designated a QEII Field in Trust at Woodhouse Mill.

- (b) welcomes the positive items reported, particularly in these times of financial stringency.
