ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

"In the event, that the hours permitted on this premises licence differ from those authorised on your planning consent, you MUST ONLY operate to which ever is the most restrictive permission.

Both Licensing and Planning carry out enforcement activities and if you are found to be in breach of either your premises licence and/or your planning consent, it may result in legal action being taken against you."

The planning and licensing regimes are separate. As residents/owners of [REDACTED] WestPoint, [REDACTED] West Street, we strongly object to this application. We live directly opposite the premises and have to live with the impact of it on our quality life on a daily basis. We are a family of working parents with two schoolchildren and living any kind of normal life is increasingly difficult. We have to live with night time noise nuisance and anti-social behaviour all around us on the streets outside. The only certainty is that it will stop when licensed premises close at a time agreed by law and people have then been dispersed. At that time we have a very short window of uninterrupted sleep before the next day begins with the early morning noise of the city centre clean up. This application, if granted, means that window would not start until 5am on any night when Reflex/Flares choose to open to 4.30am. I write this on August 24th when sunrise is at 6.01am. In June sunrise is as early as 4.36 am.

This is what my family have experienced and will experience :

Every night that the venue is open we see customers queuing outside or leaving and gathering around the venue screaming and shouting, sometimes singing and chanting loudly in a drunken state , completely disrespectful and inconsiderate towards the local residents. This continues from 10 pm onwards at our home till 4 am in the morning when the final ones leave. They move on from the venue across the street just under our flats or via City Hall bus stop, where on many occasions I have seen them wee or vomit just where ever they can and sometimes just collapsing on the road/ floor just after that. Because of this there is a constant movement of police cars around are well with their sirens to add to every thing as they try to sort this out

This fight and scream from taxis/ people/vehicles so making it impossible for us to open any of our windows in the house no matter what the weather is.

We are trapped in our own house in hot and stuffy weather too, forced to bear the heat which is even more due to the double glazing we have. We are forced to close the windows and use room fans to cool ourself for months – which is unhealthy and expensive. The only time we can open the windows is when the city is settled and roads are quiet outside which at the moment is around 4.30 am. Around 6 to 6.30am the sun is glaring up and tram and cleaning services start.

The last hours are the most difficult ones. Taxis outside the venue just stop any there to pick people up and then other drivers behind them honk at them to move on. I have witnessed myself on various occasions when a drunk person sits on the tram track or gets sick on the tracks and refuses to move even for the honking tram, sometimes for 5 minutes or more. That noise is so loud that it wakes not only us but our children as well and then we struggle to get them back to sleep. Taxis also honk to drunken customers running all over the street from one side to other without being bothered about the oncoming traffic. Being open later would mean we will have to put up with this for much longer, potentially every night if this permission is given.

I don't know how will I cope with waking up at 6 to go to work and dropping my children off to school. How my daughter will cope – she has her GCSE's this academic year. Or my son who is only five and wonders why in the evening, although we have a balcony, he can't stand out. Why can't we watch television as a family keeping our living room windows open or enjoy a breeze of fresh air by opening the balcony door without being drowned out by the noise outside ?

We are a working class, hard working family where both parents have to get up at 6 am. Sometimes earlier at 4:30 am when my husband has to catch a 5:15am train. Thus getting ready myself, getting my kids ready, dropping them off and then a long day at work. We need to get rest in the night for us to cope the next day. I work on Saturday too

and my kids have activities clubs just like other normal children on Saturday and Sunday so the weekend routine is similar in many respects. My husband, who is sometimes on call, has felt his work and health has suffered as he has not been able to get enough sleep. CL

There are more families with children living here along with young professional and retired adults. They include the family of a shop owner on my floor with an eight year old son. Two families of four are on the floor below with two pre teen children in fact under 5 too. I have spoken personally to a family with a 6 year old that used to live on 5th floor that have moved to Crookes because the child was struggling to sleep due to early morning noise disturbance.

I have made endless calls to report situations to the on-going noise harassment team. These reports have often been made when the venue already has permission to open an hour later when the students arrive back in September and October – which I dread. Please could the EPS team check the 101 calls I have made to verify this. These are the worst nights to live in my house and an extension of opening times means this could be a permanent feature in our lives.

Subject: Reflex/Flares, 18 Holly Street, S1 2GT - Proposed extension of opening hours

I would like to object to the proposed increase in opening hours of Reflex/Flares to 4.30 am on the grounds of Prevention of Public Nuisance.

As an owner of an apartment in West Point which faces onto West Street, the Reflex club is directly opposite our property. Both bedrooms on the apartment are on the frontage which faces Reflex. The noise from the establishment already disturbs sleeping and with an extension to 4.30am this will only make matters worse for the residents in West Point, with the music broadcasting and people leaving the premises and laughing/talking basically directly outside our bedroom window until after 4.30-5.00 am.

We feel that this extension to hours should be rejected.

Philip Kirkham

Subject: Licensing Application Reflex/Fares extension in opening hours

C4

I wish to oppose the application Reflex have made for an extension of their opening hours with regards to the prevention of public nuisance.

The bar is located in a residential part of West Street with apartment blocks all round it. Residents already have to put up with noise in the street with people leaving such establishments in the early hours waiting for taxis. 3.30am is late enough, extending to 4.30am would mean residents are putting up with noise around the clock all through the week which is unacceptable. As a city centre resident paying council tax I already put up with noise, rubbish and anti-social behaviour. The council should be working to address such problems and not be encouraging more by granting applications like this.

Applicant:	Stonegate Pub Company Limited

Please accept the following submission as an objection to the above new application from myself and Cllr Smalley.

Regards, Rob

We ask the committee to consider the many people who live in the blocks close to and opposite Reflex/Flares. The premises are directly opposite 58 apartments at West Point. To the right opposite are 50 apartments at Broughton House. To the left opposite are 50 apartments at Morton House. Close by are the 55 apartments at the old Education Department next to City Hall. Residency is mixed in these apartments – we have been contacted by a concerned family with a 15 year old daughter. Residents struggle for much needed sleep free of disturbance by noise and anti-social behaviour while trying to live normal lives with 9 to 5 jobs and children at school. The opening hours should not be extended one hour further into the night leaving them a very small window of uninterrupted sleep before the early morning city centre clear up starts.

It can be difficult for residents to differentiate between activity at the side by side Reflex/Flares and immediately adjacent club at 53 West St when both have been open together in recent years. So some evidence submitted may be inadmissible despite the combined impact of the two premises on people who live nearby. We ask that evidence from the police on 101 calls and other incidents plus EPS enquiries and evidence gathering is considered very carefully in making this decision. There should be evidence that can be attributed to Reflex/Flares and evidence that relates to evenings when it has been open and the 53 West St venue has not been open.

We note the current licensing application for 53 West St to open until 5.30am on Fridays and Saturdays and 4.30 am on Sunday, Wednesday and Thursday. Residents face the possibility of late night opening until 4.30am and beyond at both venues if these applications are successful. We suggest that the balance between residents and the night time economy will be correctly maintained by not granting this application.

RE: LAC2003 Premises Licence Variation – Reflex/Flares; 18 Holly Street, Sheffield S1 2GT

Date Rcv'd: 30/07/2015

EPS Ref: 553138

This emailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by email.

Dear Helen,

As you are aware from our correspondence prior to this application, I represent Sheffield City Council's Environmental Protection Service as Responsible Authority for the Prevention of Public Nuisance for this application. Upon receipt of the formal submission of this variation I note that the weekday hours and multiple non-standard timings which we did not reach agreement over are retained. The correspondence below details outstanding EPS concerns, along with those points which were agreed..

I must therefore advise you now of EPS's formal objection to this application.

To clarify, the EPS approach has been to review the premises licences and adopted trading hours for several nearby premises. EPS have been mindful of the volume and regularity of complaints received from residents in this area of the city regarding noise from licensed premises. This includes noise breakout, but also noise in the streets from people and vehicles associated with the nighttime economy. EPS are therefore also mindful that granting additional hours has a tendency to result in a more widespread pushing back of established terminal hours across nearby premises. To avoid such 'creep' the Service remains keen not to set such a precedent for longer hours than those available to neighbouring premises in this case, whilst remaining mindful that it is not reasonable to constrain these premises in terms of permitted trading times, relative to its immediate comparators.

Our review of nearby premises has highlighted that Reflex/Flares premises already enjoys some of the longer opening times relative to its immediate neighbours. Nevertheless EPS would be happy to agree the following extension to existing hours:

- Increase Licensable Activities hours to 04:00 hours, with 04:30 hours closing on Fridays and Saturdays (as per the application)
- Increase Licensable Activities hours to 03:00 hours, with 03:30 hours closing on Sundays to Thursdays

Regarding the Non-Standard Timings, EPS remain of the opinion that the extra hour on all additional days applied for is excessive. As applied for, these additional days total 35 days per year when licensable activities and the opening time are extended by a further hour. EPS seek to agree the reduction of these requested additional days, by;

- Removing the Fridays and Saturdays prior to Bank Holidays (other than those falling on dates otherwise specified, such as over Xmas/New Year)
- Removing Maundy Thursday.

C7

The above advice is consistent with that offered in response to your pre-application consultation, as detailed in my email of 8th July 2015 (below).

I acknowledge the agreement of the conditions offered in response to EPS concerns (as detailed on the application) numbered 1 to 4 under 'The Prevention of Public Nuisance', along with condition 5 under 'The Prevention of Crime and Disorder'. These are all as discussed and agreed. EPS do not seek any additional controls via conditions applied, and have no objections to those identified to be removed.

If you are prepared to agree the changes listed above I shall withdraw my representation forthwith. Please do feel free to contact me directly to discuss this advice further.

Kind Regards,

Neal Pates
