ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

This application to review relates to the following licensing objective(s)

Please tick one or more boxes

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

Please state the ground(s) for review (please read guidance note 1)

1. During July 2015, a 15 year old boy visited the store and he was able to purchase a bottle of Glen's vodka.
2. On 9th August 2015, the same boy returned to the store and he purchased a bottle of 40% ABV strength vodka.
3. On both occasions, the boy was served by the DPS and Premise Licence Holder, Mr Srinivas Vangol.
4. On both occasions Mr Vangol asked if the boy had identification to prove his age. The boy falsely stated that he was 18 years of age, but did not produce any proof of his age during either purchase.
5. On 9th August, the boy shared his vodka with his 16 year old friend, who, as a result of drinking the vodka, was admitted to hospital later that day.
6. Following a complaint from the 16 year old's parent, a joint agency visit to the store was made by Trading Standards, Police and Safeguarding Children Officers. It was found that there was failure to comply with various licence conditions.

1. Mr Vangol voluntarily provided CCTV footage to Trading Standards which identifies the 9th August sale between himself and the 15 year old boy.
2. The boy's father strictly insists on anonymity for himself and his son. He has however, permitted his son to provide a detailed verbal statement to a Trading Standards Officer, who wrote down what the boy said, in the presence of his father.
3. In December 2014, a joint Trading Standards and Police operation took place in Sheffield, when all of the known sellers of Novel Psychoactive Substances (NPS), were visited. This included HK Off Licence. The traders were given verbal and written advice, pointing out that such products were likely to be dangerous and that their supply could be illegal under the General Product Safety Regulations 2005 and the Misuse of Drugs Act 1971.
4. On 16th February 2015, during the follow-up stage of the operation, HK Off Licence was visited by Trading Standards and Police Officers. A total of 20 bags of NPS were found behind the counter and in the pockets of Mr Vangol. These items were seized. There was a large quantity of "button bags" which are frequently used to deal in illicit drugs. Officers also discovered three bottles of Plymouth Gin which had no duty paid label displayed. These were also seized.
5. Mr Vangol received a warning letter regarding the seized NPS and on 22nd May 2015, he signed a simple caution in respect of the illicit gin. He also voluntarily forfeited the goods.
6. On 17 June 2013, Mr Vangol received a written warning about the possession for sale of two bottles of Glen's vodka, which were non-duty paid and which displayed counterfeit rear labels showing a false duty paid logo. These goods were found at a store at 160 Crookes, for which he was then DPS.
7. Srinvas Vangol is currently the Premise Licence Holder, Designated Premises Supervisor and sole proprietor of HK Off Licence and Mini Market. He is responsible for compliance with licensing objectives and licence conditions. He is also responsible for compliance with a wide range of Regulatory controls and the law in general. Based on the history of non-compliance listed above, the Trading Standards service does not feel that it is possible to engage successfully with Mr Vangol in the form of an action plan or by providing further advice. We feel that the nature of the breaches of objectives, conditions and criminal law were deliberate, as opposed to ignorance, lack of training or poor management systems. We therefore believe that Mr Vangol is not competent to remain the Licence Holder, nor DPS.

Dear Sirs

APPLICATION TO REVIEW THE PREMISES LICENCE: HK OFF LICENCE AND MINI MARKET, 66 CROOKES, SHEFFIELD S10 1UG

I am writing to make a representation on behalf of the Safeguarding Children Board (SSCB) as the Responsible Authority for the protection of children from harm under the Licensing Act 2003. The reason for the representation is that the above premise has been evidenced to operate in an irresponsible and illegal way that has put children at risk and undermines the core objective for the protection of children from harm, under the Licensing Act 2003.

The evidence submitted by Sheffield City Council Trading Standards demonstrates that alcohol has been sold to children at the premises, resulting in significant harm. The Safeguarding Children Board is aware that in addition to this, the premises has a history of selling Novel Psychoactive Substances (NPS, also known as 'legal highs') and is concerned that despite the attempts made by various agencies, including the Safeguarding Children Board, to improve the operation, the licensee has failed to operate in a safe, responsible, or compliant way.

Due to the history of the premises, the Safeguarding Children Board responded to an application for a premises licence made by Mr Vangol in 2013 when advice was issued that specific measures should operate to prevent underage sales; an advice letter and leaflet were provided along with an offer of free training (the documents at appendix 1 refer). The training took place on 16.10.13 and was attended by some 34 staff working across the city in the licensed trade; unfortunately none of these staff were from HK Off Licence.

Concerns about the premises have persisted, particularly in relation to the sale of NPS and the risk to children. In light of the licence holder's failure to engage, I had cause to visit the premises in the company of Mr Ward of Trading Standards, on 1.4.14 and again on 21.10.14. These visits were to discuss reports that children were buying NPS from the shop. During the visit on 1.4.14 I advised Mr Vangol about the risk of selling dangerous substances such as

Continued .../

alcohol or NPS and I advised about the age verification system. I noted that the Challenge 25 scheme was in place and that the licence holder said he applied this scheme when selling alcohol and NPS. The licence holder stated during that visit that his policy was not to sell dangerous substances to children. I urged the licence holder to accept the free training that is available around safeguarding children and the risk of dangerous substances such as alcohol and NPS and advised him to contact me if he wished to take up the offer. I have not to date been contacted by Mr Vangol for any training. During the visit on 21.10.14, I reiterated the concerns relating to the sale of NPS to children and the licence holder expressed a view that it is the role of the parent to prevent their children from misusing substances. I advised the licence holder of his legal and social responsibilities to safeguard children and that a failure to meet the core objectives of the Licensing Act 2003 would result in a licence review. The licence holder repeated that he did not sell dangerous substances, including NPS and alcohol, to children.

19

On 20.8.15 I attended the premises in response to a serious incident in which a young person was hospitalised on 9.8.15. PC Young (Police) and Mr Ward (Trading Standards) also attended. The purpose of the visit was to inspect the CCTV and age verification system. The licensee Mr Vangol was present and fully cooperative during the visit, providing access to CCTV and due diligence records. During the visit I observed gaps in the age verification scheme: there was inadequate signage (only one sign located on the door, no shelf signage) and there were no staff training records. The refusals log was maintained (last entry 28.7.15) however with the exception of one, all entries had been made by Mr Vangol. I discussed staff training and the age verification scheme with Mr Vangol, who confirmed that he has a casual member of staff working for him who is not a personal licence holder and has not received any formal training. As Mr Vangol had not met the criteria for a recognised proof of age scheme and in an attempt to engage Mr Vangol in the seriousness of the matter, a further offer of free training was made (appendix 2 refers). Unfortunately no-one from the premise responded or attended the training on 14.10.15.

On 19.10.15 I attended a meeting with a young person who had been involved in two incidents of underage sales. The meeting took place at the child's home in the presence of his parents and Mr Maher of Trading Standards. Mr Maher and I listened and made notes as the child disclosed information about underage purchasing incidents which had taken place on 26.7.15 and 9.8.15. The young person confirmed that he had purchased alcohol on both occasions from the shop and that on one occasion this had resulted in a young person being hospitalised after consuming the alcohol he had purchased. The boy confirmed that whilst he had been asked his age, he was not asked for proof of age/identification. It is expected by the SSCB and other responsible authorities that operators will ask for proof of age/ID, this is a vital part of the age verification process. It appears from the child's statement that the licence holder had doubt (and therefore asked the child his age) but instead of verifying what the child said, the licensee decided to make the sale.

Subsequently, on 30.11.15 a further incident was reported by South Yorkshire Police to the Safeguarding Children Board. The police had received a complaint from the mother of a 14 year old boy who, along with his 15 year old friend, had been hospitalised on 20.11.15 after consuming alcohol which they said they had purchased from HK Off Licence. The child's mother has confirmed that the boys had been able to purchase £50 worth of alcohol on 20.11.15, between 3.30 and 4pm at the shop. The child had disclosed that the boy buying the alcohol had done so before from this shop and was not asked for ID. The report stated that the children had managed to purchase a litre of Captain Morgan rum, half a bottle of vodka, 27 Desperados and some Special Brew on that date.

Continued .../

The impact of alcohol misuse and other drugs is well documented and the prevention of underage sales is a key objective of local and national alcohol strategies because underage drinking can significantly impact on a child's health and physical development, education, behaviour and personal safety.

The Safeguarding Children Board takes a serious view of premises evidenced to be selling alcohol to children or otherwise putting children at risk. The SSCB routinely offers group and individual training sessions to people in the licensed trade to ensure they are fully aware of and able to manage the risks associated with alcohol and substance misuse. Despite repeated advice and training offers the licence holder has failed to change or improve the operation at the premises: In fact, an escalation of risk is evident.

In light of the above, the Safeguarding Children Board would ask the Licensing Sub Committee to take positive action to address the serious safeguarding concerns presenting at this premise.

Yours sincerely

SAFEGUARDING CHILDREN

Rotherham
Where Everyone Matters

SUPPORTED BY SOUTH YORKSHIRE POLICE AND TRADING STANDARDS

Under the Licensing Act 2003 you and your staff have a legal responsibility to protect children at your premises. In the interests of child safety and to protect your business, it's important that you operate in a way that is safe and legal. Off licences attract young people for various reasons - they often meet outside the premises and research shows¹ that off licences are targeted by young people as places where alcohol can be easily obtained.

What the risks to children are

- © Age restricted products ² ~ this includes alcohol, solvents and cigarettes (tobacco can cause health risks and is often the **gateway drug** leading children into substance misuse). Children can be creative in their attempts to buy these products, eg persuade adults to purchase for them (**proxy purchase**) or they may try to make themselves appear older. If you operate a delivery service, they may use this to avoid proof of age checks.
- © Alcohol ~ when children drink they are vulnerable to physical, accidental and other types of harm. Their judgement is affected and they take risks such as drinking in dangerous places (parks, dark alleys), having unprotected sex or experiment with drugs, or they may get involved in fights, anti-social and criminal activity which will escalate if it is alcohol-fuelled. **Alcohol is addictive** and can cause health problems – there is no safe amount of alcohol

¹ Home Office Findings 277 2004 Offending, Crime and Justice Survey of 10 – 25 year olds. This Findings is specifically focused on results for those aged 10 to 17 years of age.

² Further information about age restricted products can be obtained from Consumer Direct 08454 040506

for a child - even a small amount can be lethal, particularly if it's taken with other substances such as drugs or medication. It's impossible for you to know what effects alcohol might have if you supply it to a child. If you, or your staff supply children with alcohol you are putting them at risk of harm. Hospital services regularly respond to the needs of people in drink who are the victims of road accidents and physical attacks, including children.

IF A CHILD COMES
TO HARM AFTER
YOU SUPPLIED
THEM WITH
ALCOHOL YOU
COULD BE
ACCOUNTABLE

- © Groups of children can be intimidating for other customers. If they're allowed to meet outside the premises they may attract 'undesirable' adults, such as drug dealers and other types of criminals. This puts children and your business at risk.

REMEMBER, THEY
MEET FOR A
REASON AND IT'S
NOT TO KEEP
WARM!

THE LAW

The authorities in South Yorkshire take a serious view of the sale of alcohol and other age restricted products, to children. Spot checks (test purchase operations) are regularly undertaken by the Police and Trading Standards officers to find out which premises are operating irresponsibly.

IF YOU FAIL A
TEST PURCHASE
OPERATION YOU
AND YOUR STAFF
WILL BE HIT WITH
AN ON-THE-SPOT
£80 FINE OR FACE
OTHER LEGAL
ACTION.

If your premises fail a test purchase operation the Designated Premises Supervisor must attend an interview with the authorities – even the if DPS did not make the sale.

Premises that do not operate responsibly and legally risk the licence being reviewed, suspended or even revoked. Remember – the DPS is ultimately responsible for ALL licensable activities at the premises.

BEST PRACTICE

Because off licences vary in the style and character of their trade, it's important to do a risk assessment. This will help you to identify the potential risks at your premises and take the necessary steps to manage risk. Help and advice about risk assessment is available from the agencies listed at the back of this leaflet.

Here is a list³ of safeguarding measures that should be operated at off licences to minimize risk to children:

- ⊙ Staff training about their responsibilities under the Licensing Act 2003 - make sure they are aware of the law; ensure they understand why age restricted products pose a risk to children. All staff should know how to say no to underage purchasers and be vigilant for proxy purchasing. Give all staff a copy of this leaflet.
- ⊙ Operate till prompts to ensure staff check for proof of age
- ⊙ Maintain a refusals book
- ⊙ Rigorously operate the Challenge 21 proof of age scheme
- ⊙ Only accept legitimate proof of ID (passport/driving licences or PASS accredited schemes)
- ⊙ Display signage throughout the store including point of sale to highlight your policy/proof of age scheme/ and the law
- ⊙ Join Licencewatch to keep you up to date with schemes and resources that may help you

³ This list is not exhaustive

- ⊙ Display all age-restricted products in an area that is clearly visible to staff and ensure these areas are constantly monitored. The location of all age restricted products should be carefully considered to prevent easy access to children.
- ⊙ Assign a Lead Safeguarder for children's issues at the premises
- ⊙ Discourage inappropriate relationships between staff and young customers
- ⊙ Become a Responsible Retailer by joining the local scheme, if your local Trading Standards Department operates one in your area
- ⊙ Familiarize yourself with the local byelaws relating to the employment of children - there are special requirements for the employment of children under the age of 18 and age restricted products can only be sold by a person aged 16+ if the sale is directly supervised by an adult member of staff
- ⊙ Refuse to serve adults who are intoxicated – it's an offence to serve anyone who is drunk
- ⊙ Install CCTV inside and outside the premises
- ⊙ Discourage young people from meeting outside the premises - use security lighting in any dark corners and restrict access to outside sheltered areas.⁴ There are security devices you can use to help you with this, or contact your local police.
- ⊙ Communicate in a way that is reasonable with children, use diffusing techniques if necessary to avoid confrontation. (There's an excellent

⁴ Contact your Local Authority Planning Department and Fire Service for information about appropriate ways to restrict areas

advice leaflet about 'Saying No to Under Age Drinkers' produced by the Portman Group and available free of charge through Licencewatch membership)

- © Use colour-coded carrier bags or coded price stickers on the products you sell – this will help the police to detect which premises are selling alcohol to children
- © **ALWAYS TAKE ACTION IF YOU THINK A CHILD IS VULNERABLE** – For example, if you think that a child is intoxicated, in a dangerous situation, or if you suspect they're truanting you should contact your local police station or school immediately.

HK OFF LICENCE AND MINI MARKET, 66 CROOKES, SHEFFIELD S10 1UG**

Further to my visit to the above premises yesterday, which was also attended by Ms Marsden of South Yorkshire Police. I am writing to confirm the key points of our discussion and the advice issued verbally.

1. I informed you that I had made a visit to ensure that adequate safeguarding systems are now operating to prevent underage sales of alcohol to children and young people under the age of 18.
2. You confirmed that the Challenge 25 scheme operates. I observed 2 signs and that the refusals log is being maintained.
3. I advised you that you and your staff should ensure vigilance at all times and particularly over the coming festive period.
4. I note your comment that you believe an adult female has previously purchased alcohol from the shop and supplied it to young people under the age of 18. You said that you had asked the woman not to supply the alcohol to the children as she was purchasing the same goods as those which a young person had just attempted to buy and you had refused. I advised you that it is imperative that all cases of suspected proxy purchase sales, such as this, must be refused.
5. To assist you to prevent further proxy purchases, I enclose 4 posters which should be displayed and enforced.
6. I note your comment that you may need an interpreter for the Hearing and agreed to notify the Licensing Authority of this.

If you require further assistance please don't hesitate to contact me.

WITNESS STATEMENT OF

Cheryl Topham

I am the Licensing Enforcement Officer, employed by South Yorkshire Police currently based at Force Headquarters, Carbrook, Sheffield. I have been in my current role as Licensing Enforcement Officer for South Yorkshire Police for approximately 4 months. I have been investigating an incident of underage sales at HK Off License, Crookes. In addition to this, I have made further enquiries of police records available to me in connection with these premises. The following matters have come to the attention of South Yorkshire Police.

- 1 On 16th February 2015, a legal highs/NPS Operation was conducted by Trading Standards, assisted by South Yorkshire Police Anti-Social Behaviour Team. A small quantity of New Psychoactive Substances (NPS) was found, most of which was hidden in clothing being worn by the owner. There were 20 packets in total. Also seized were 4 bottles of Gin with counterfeit labels suspected of being Non-Duty paid.

- 2 On 28th April 2015, a call was made to South Yorkshire Police saying HK Off License were selling legal highs and it is attracting persons who are then drug dealing in the area. – See statement by PC Donna SAMBROOK
- 3 On 14th May 2015, a report was submitted in relation to a group of males waiting for HK Off License to open, even though there was another one close by already open. – See statement by PC Donna SAMBROOK
- 4 On 20th May 2015, a report was submitted in relation to drug dealing and a connection to HK Off License. – See statement by PC Donna SAMBROOK
- 5 On 19th June 2015, a call was made to South Yorkshire Police by a lady stating her daughter had been caught smoking legal highs which she later admitted were bought from HK Off License. – See statement by PC Donna SAMBROOK
- 6 At 21:24 on 20th November 2015, an incident was reported to South Yorkshire Police by Yorkshire Ambulance Service. They were attending to two male youths who were unconscious at a party due to drinking alcohol which was later disclosed as being bought from HK Off License. It had been smuggled into the party so adults there were not aware they were drinking. Police Officers attended to assist Ambulance Service and to disperse the youths from the venue – See PC 1452 England
- 7 On 26th November, an incident was reported by a concerned mother who's 14 year old son and his three friends had purchased alcohol from HK News on 20th November. Her son had been hospitalised due to drinking this alcohol. Her son was one of those taken by ambulance. I made further enquiries by telephoning the concerned mum and speaking to her about their experience. She was very upset about what had happened and said this was the first time her son had ever been to a party. She told me when she arrived at Childrens Hospital her son was in a bad way. The medical staff told her that if he hadn't been found when he was or he had more to drink then there may have been a fatality. He had to stay in

hospital overnight and was discharged the following day. She expressed how angry she was that her son had been made so ill by drinking alcohol purchased by a 15 year old. See Statement of her son.

- 8 On 4th December 2015, Myself and Julie Hague of Sheffield Safeguarding Children Board attended the venue where the party had been held to meet with the manager. She stated she took the booking for a joint 16 year olds birthday party for 20th November 2015 from 1900-midnight but it was solely for room hire. She did not provide any bar/food/entertainment. The parents of the 16 year olds attended to book the venue and said there would be no more than 80 young people and plenty of adults supervising. They brought their own buffet and soft drinks. The manager was in the back office when the guests were arriving. She came out of the office at approx. 2030. She noticed a boy aged approx. 15 years sat on a sofa holding a half drank bottle of spirits. She then saw a few more boys all stood holding cans of lager. When she asked these young people where they had got the alcohol from one of them replied "we were told to bring booze". She was told that on the FaceBook invite it stated "COME PRE-LOADED AND BRING YOUR OWN BOOZE". She also noticed there were only three adults there supervising these children. The manager then saw a pile of rucksacks in the corner. On looking through these bags she found a large quantity of alcoholic drinks. She then confiscated these bags, took the alcohol out and put it somewhere safe, and gave them back the empty rucksacks. It was at this point she made the decision to terminate the party. It was approx 2105 when she saw a male sat on the floor and looked asleep. He was actually unconscious due to excess alcohol. The ambulance was called by one of the adults who was present. After the first ambulance arrived, the second boy was found in the toilet. He too was unconscious due to excess alcohol. A second ambulance was then called

- for. The ambulance staff also requested police attendance due to the amount of young people having drunk alcohol and needing to be dispersed safely.
- 9 At 1420 on Wednesday 9th December 2015 I attended HK Off License along with Benita Mumby, Licensing Manager, for the sole purpose of viewing and downloading his CCTV from the 20th November. On my arrival I noticed the review paper was posted on the window grill so knew they were aware of the current action. I was greeted by Mr VANGOL who told me his CCTV wasn't working and hadn't been for approx. 3 weeks. I explained that this was a breach of his License Condition. He told me an engineer was coming out the next day to fix it. I asked why he hadn't had it fixed before now and he replied "I didn't have the money to do it". I advised I would be back after 11am on Friday 11th December and if the CCTV wasn't working then I would be attending with a Police Officer to issue a Section 19 closure notice.
- 10 At 1120 on Friday 11th December 2015 I attended HK Off license with my colleague Linsey Fletcher, Licensing Clerk. I was greeted by Mr VANGOL who showed me his CCTV and it was in working order. He said the engineer had been just after I left on Wednesday 9th December. However, he told me he did not have the footage from 20th November due to this being the period when his CCTV was not working. He asked why I needed the CCTV to which I explained there had been a further complaint in relation to underage sales. He brought me to the attention of his Refusals log which did appear to have many entries. I explained he would need to keep this book as he may want to produce it at the License Review Hearing.
- 11 At approx. 1340 on Monday 21st December 2015 my colleague, Andrea Marsden, attended the premise along with Julie Hague, Sheffield Safeguarding Childrens Board. Present at the shop was Mr Vangol and Mr Singh (a new potential buyer of the business). Mr Singh operated the CCTV and Andrea was happy that it was

i working. Mr Singh stated he was aware the License was under review and stated he wouldn't be completing on the purchase until this issue was resolved. Julie Hague was there to ascertain age verification policy and training procedures.

I believe that the contents of this statement are true and I understand it may be placed before the court.

I also understand that the contents of this statement may be shared with agencies working in partnership with the South Yorkshire Police.

I am a Police Constable within South Yorkshire Police, and I am currently stationed at Woodseats Police Station, Sheffield.

On 20 November 2015 at approx. 2130 hours I was on duty and in company with PC 1490 Fox-Johnson.

We were at [REDACTED]

As we approached the premises we were approached by a frantic St Johns ambulance man who said it was "all kicking off in there". Inside the club was all quite calm, there were around 100 youths inside. There was no aggressive behaviour, no fighting and no public order issues. They were already exiting the venue.

I spoke to the landlady who told me that there was an ¹⁶18 year old birthday party but this had been gate-crashed because it had been advertised by one of the attendees on Facebook.com. She said that some of these youths who turned up brought alcohol. When she discovered this she ended the party and asked everyone to leave.

There were two children who were laid on the floor these were being tended to by ambulance staff.

Once the venue was under control I along with other officers resumed.

I am the above named person and I live at the address overleaf.

On Friday 20th November 2015 I was at school with some of my friends. We had decided to go to a party later that evening, and buy some alcohol. Two of those friends are 14 years and one is 15 years. We are all in Year 10 at school.

We decided to meet up after school to go to an off-licence to buy some alcohol for the party. The off-licence is on the main road, and my friend has been into the shop a few times and bought alcohol from there before. We went up to Crookes to that particular shop because we knew we would be able to get served. The week before that we had been up to the same shop and had a beer each. The friend who went in, whilst I waited outside, is called [redacted].

He asked if we had could get the alcohol for cheap because he would be coming back.

the next week to get a lot of alcohol. The man in the shop gave him the alcohol for cheap. [redacted] went in to do the buying because he looks [redacted] vs. [redacted] has previously told the shop keeper that he is in university, so he gets served. A lot of the parties [redacted] goes to are with Taphan students, and [redacted] said some Taphan students had been banned from the shop for stealing from there. When we got up there I was stood about 50 metres away whilst [redacted] and another friend [redacted] went into the shop. We had put £10 each into a bag together, so [redacted] could buy all the alcohol. I saw [redacted] walk into the shop and when he came out again he gave me the bag with the alcohol in it. Altogether he bought four large cans of Carlsberg "Special Brew", and three large cans of "Desperado" - larger with tequilla in it. These cans are the same size as the big "Monster" energy drinks cans. There were also ten bottles of "Desperado" and also a large bottles of "Captain Morgan's rum" which I believe is 3.5l. post UK is Captain Morgan Original Spiced Gold, and also a small bottle of "Glen's Vodka".

Continuation of Statement of: [redacted]

The plan had been to buy whiskey, but when [redacted] went into the shop, the person in the shop said that it would be cheaper, and he would get more alcohol for his money if they he bought the rum.

We went back to my friends house afterwards where we got ready to go out to the party. We got the alcohol out and I took two pictures of it. I have sent an electronic copy of this image to Pc Andrew Young. I sent this at 4.50 pm today, Wednesday 9th December 2015.

[redacted] said that every time he goes into the shop the guy who sells to him seems "off his head", like he's high on legal highs or something.

[redacted] and [redacted] had to go into town to buy a shirt so that is why he gave me his bag.

I have looked at the shop on my phone, and it was HK News on Crookes, which is on the corner with Coome Road.

I stood on the opposite side of road to the shop, outside St Thomas' church.

We went to the shop at about 3.30 pm.

After we had been at my mates for a couple of hours, [redacted] mum came up to

bring him some clothes. She offered us a lift, and took us down to the party, which was at [redacted]

We got there a bit early, about 7.30pm or 7.45pm, so there weren't many people there. When a few of my other mates arrived we went outside with the bottle of Captain Morgan's Rum. There were about 7 of us, and we passed the bottle around between us. Me and [redacted] were drinking the most and we were downing it.

I went back inside and it suddenly hit me. The last thing I can remember is going into the toilet. I was sitting down in the toilets when I passed out.

An ambulance had to come out because I was out of it with drink.

Another friend of mine, who I had been drinking with, collapsed on the dance floor. I threw up loads of beer. I was taken into hospital where I was in such a bad way that I was kept in the Sheffield Children's hospital overnight.

The staff at hospital had said that if I hadn't come into hospital I might have died. I was shaking violently with cold, and was

unresponsive, even to light being shined in my eyes. I was at risk of hyperthermia, they had to try to raise my body temperature by pumping hot air around my body.

It Not having drunk much before I wasn't sure how strong it was. I didn't know how much it would affect. It happened within the space of about 40 minutes.

It could have been so much worse. I am thankful that a lad I didn't know found me and helped me. If I hadn't been found then it could have been so much worse. It was my first party and I could have enjoyed it more if I hadn't drunk as much.
