ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Licensing Application for Mint Paris Lounge
42-46 London Road, Sheffield, S2 4LR

Recorded Music 18.00 to 02.00 Monday to Saturday
Late Night Refreshment 23.00 to 0200 Monday to Sunday

I am writing in support of the objection lodged by Leverton Tenants and Residents Association.

As a former city councillor I have continued to keep in contact with them. Several of the tenants living in the block which will be most affected if this application is agreed, have spoken to me about their concerns. They say that they did not know about this until recently.

I am attaching a photo which I took showing that it was impossible to read the notice that was put up in the window of Mint Paris Lounge. It was not lowered until 15th December after I reported it to the Licensing Section and a visit was made by enforcement officers.

I hope the committee will support their concerns expressed in the last paragraph of their submission and either reject or defer a decision until a wider consultation can be held.

Yours sincerely

Re mint Paris lounge London road Sheffield.

To whom it may concern

We are writing this letter to object the mint Paris lounge
 Having a late night music and refreshment license.

We both feel that the owners, staff and patrons have no respect for the residents of the flats with how they operate now so to grant this would make it worse.

Reasons for objecting

- 1) they do not respect the residents when they are leaving the premises at night making noise by revving car engines some times early hours of the morning.
- 2) during the day the way they park on the path ways and in the bus stop, people being forced to walk on the road. mothers with prams and children, people in wheel chairs, bikers on push bikes having to ride a different way.
- 3) when parking in there car park they would rather drive over the green and the path ways than wait or reverse out. Not thinking of children playing in the area. They have also been known to park on the green and when Mrs coupland spoke to someone from the mint Paris lounge she was told we own the land.

They can't even display there notice properly from yourselves. either they don't no there licensing laws or they didn't read the letter sent with notice properly.

There are pictures available if needed all dated and on phone so we will be able to come in with them up on request.

Yours sincerely

**Licensing Application for Mint Paris Lounge
42-46 London Road, Sheffield, S2 4LR**

21 SEP 2016

**Recorded Music 18.00 to 02.00 Monday to Sunday
Late Night Refreshment 23.00 to 02.00 Monday to Sunday**

We would like to object to the granting of a premises license for the above for the following reasons.

The notice in the window was placed so high that it was impossible for anyone to read. It was lowered on 15th September after it was reported and a visit was made by two enforcement officers.

The notice in the window said that objections had to be in by 20th September, whilst on the Council site it said 21st September

Therefore there were only 5 or 6 days to get in an objection depending on which date was correct. The application was received on 23rd August so why was not more time given for comments to be made by local people if they wished to do so?

Our tenants association consists of 3 high rise flats, and as you will be aware noise rises. We have a very large number of tenants who are very light sleepers and will quite likely be disturbed by the music. If we had been given more time to object many tenants say they would have liked to organize a petition.

There is very little parking space in the area and cars for Mint Paris Lounge are parking on the grassed area by the side of the flats. This will also contribute to noise disturbance in the early hours of the morning.

Concern has also been raised by tenants about the building rubbish that has still not been removed and is on the footpath at the back of the premises. Also there is what appears to be a boiler sticking out on the path with a flue that is not covered.

We ask the Licensing Committee to reject this application or at least defer a decision until the wider community has had a chance to consider it in details as the timescale was so short for any comments.

Yours faithfully

Dear Sirs

**APPLICATION FOR A PREMISES LICENCE: THE MINT PARIS LOUNGE, 42 – 46
LONDON ROAD, SHEFFIELD S2 4LR**

I am writing on behalf of the Sheffield Safeguarding Children Board to make a Representation in relation to the above application. The reason for the Representation is that the premises will operate as an adult style late club. Whilst the applicant has offered at section M (e) a licence condition prohibiting persons under the age of 18, the Safeguarding Children Board is concerned that there are no further measures specified in relation to how this will be enforced.

In order to ensure that adequate and enforceable processes are in place to prevent children and young people from accessing the venue, the Safeguarding Children Board proposes that the following licence conditions should be attached to the premises licence, if granted by the Licensing Authority:

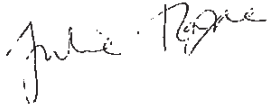

1. The Challenge 25 scheme must operate, including refusals records, prominent signage at access points. Staff must be trained to operate the scheme and staff training records maintained including details of the trainee and the trainer's name, role and qualification, date and signatures of the trainer and trainee.
2. All persons, including entertainers, performers, DJs, persons using VIP passes and guests of the club, must be subject to the Challenge 25 age verification scheme.
3. All persons, including entertainers, performers, DJs, persons using VIP passes and guests of the club, who have left the premises for whatever reason and who seek re-entry shall be required to go through all the security and admission procedures including age verification that is applicable to new customers.

Continued .../

The above conditions do not bear significant cost and will assist the applicant in enforcing the proposed policy to prevent children and young people from accessing the premises.

I will liaise with the applicant and notify the Licensing Authority if an agreement is reached regarding the proposed conditions.

Yours faithfully

VIOLENT INCIDENT PROTOCOL

For the purpose of this protocol a violent incident is any incident where violence occurs or is threatened with an imminent expectation it would occur.

Each incident will be unique and should be dealt with on its own merits. Clearly use of weapons and serious injuries would require immediacy in contrast to threatening behaviour with the potential of escalation. Staff training should include obligations and expectations of responsibilities if such an incident occurs. This practice is guidance but does allow for the use of common sense.

Listed below are the minimum expectations of South Yorkshire Police on such occurrences at or near to licensed premises:

- Safety of members of the public including bar staff is paramount. Ensure your own safety as well as safety of others.
- Each premise should maintain an up to date incident book. At the soonest practicable time entries should be made in the book, detailing the incident and descriptions of persons involved. If possible names should be included. Also a brief account of what occurred. Details of any witnesses included would assist police investigations.
- If your premises have cctv, secure the footage. This will assist a police investigation.
- Telephone for assistance where required. Telephone the police/ambulance. It is appreciated that it may not be practicable to be seen to telephoning the police in the presence of aggrieved parties. This can however be managed by directing another staff member to leave the room to make the call. You may consider devising a coded message system or specific gestures with your staff. You should always telephone for assistance if persons have sustained visible injuries or appear hurt; let the police decide if further action is required.
- Consider preservation of potential evidence to assist a police investigation. Close off the area where the incident took place. If a weapon was used, leave this where left. Try to avoid touching anything. If there is blood left at the premises do not clean this up, leave it in place in the closed off area.
- The prevention of crime and disorder is one of the four licensing objectives. Staff should be vigilant and observant. It is appreciated that every violent incident cannot be prevented but your co-operation is required. The actions you take when dealing with an incident will support your due diligence.
- Please consider that injuries may be much more serious than they appear and what appears minor, may result in serious or a worst case, fatal injury.
- If CCRAC radio is utilised then circulate descriptions to cctv and other premises so that offenders can be traced and spoken to by police officers
- Review incident, identify any aggravating factors and implement any preventative measures, eg. the use of Pubwatch bans, regular clearance of empty bottles/glasses, improved lighting in that area, effective placing of overt cctv cameras.
- Wherever possible a member of staff should identify and retain any drinking vessel that has been used by the suspect for police recovery.
