## ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

---

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period\* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

\*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
  - under which goods or services are to be provided or works are to be executed; and
  - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
  - the landlord is your council or authority; and
  - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
  - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
  - (b) either -
    - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
    - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email [gillian.duckworth@sheffield.gov.uk](mailto:gillian.duckworth@sheffield.gov.uk).

**This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.**

**Subject:** Akentannos Restaurant Alcohol Licence Variation Application Opposition Ref:(SY1985PR)

Dear Sirs

Private Resident's Opposition

The ambiguous public statutory notice posted on the above restaurant window, and also posted on the adjacent unit window at .no. 272, suggests that the restaurant intends to extend into that unit, or part thereof, or extend into some other area of the restaurant, and the notice also infers that the alcohol licence is to be varied to include any such extended-into area.

I should therefore like to oppose this alcohol licence variation on the following grounds:

1 Any such extended alcohol licensed area will by its nature increase the number of patrons to the restaurant, resulting in the need for more local parking spaces for hours at a time, particularly on Eastwood Road. Eastwood Road and other local roads are squeezed already, by day and evening parking generated by local residents, businesses, restaurants, eateries, pubs and residents in term time. At present, local owner-

4

occupiers, and long-term renters, have great difficulty at the moment parking their cars at any convenient time, and in any convenient walking distance from their homes until quite late. Also, if the restaurant does ever decide to operate until midnight in future under their existing midnight licence reputedly held, local residents will have to venture out to re-park their cars after midnight. The likely increase in restaurant patrons will exacerbate this problem, and for OAPs and young female residents it will make it impossible and dangerous to re-park. I respectfully suggest that the restaurant's alcohol licensed area remain the same as at present. It may dissuade the restaurant from physically extending its floor space, increasing its number of patrons wishing to park their cars for hours at a time.

2 More patrons hosted by a restaurant because of its increased licensed area will decrease the availability of car spaces outside local residents' homes for the charging of their electric cars, the need for which will become more prevalent in future, with the requirement for Gov't sponsored home charging points increasing year on year. The legislation regarding a home-owners right (none at present) to park outside their homes will probably change also in future because of electric cars. An alcohol licence is not just for Christmas, it is for the future, and this should be in any Licensing Officer's contemplation.

3 More patrons hosted by a restaurant because of its increased licensed area will result in more noisy patrons returning to their cars, banging doors in an acoustically built-up residential area. *Consequential issue:* This also could happen after midnight if the restaurant decided at a future date to open until midnight.

4 More patrons hosted by a restaurant because of its increased licensed area would result in more bottles being emptied into recycling receptacles at the rear within earshot of local residents' homes especially in the summer months with windows open. *Consequential issue:* This also could happen after midnight if the restaurant decided at a future date to open until midnight.

5 More patrons hosted by a restaurant because of its increased licensed area, would mean more cooking smells to be endured by local residents, especially in the summer months with windows open.

6 Allowing this increase in licensed area to go ahead will enable the restaurant extension plan to go ahead which, if extended into the next door unit (per existing planning permission), will add to the prevention of diversity of businesses on Sharrow Vale Road which is overrun by restaurants and eateries needing parking for hours at a time, unlike other businesses needing customer parking for shorter timespans and during the day only. The area needs diversity.

Yours faithfully

Eileen Jones-Hill

I understand that Akentannos Restaurant of Sharrow Vale Road is seeking to extend its alcohol license - reference SY1985PR, to cover larger premises and later hours. I'm a resident on nearby Neill Road and would like to strongly register my opposition to such an application. The residents in the surrounding area already suffer a high degree of alcohol related, antisocial behavior - late night noise, vandalism, trespassing, violence, litter - which, I feel, would only be compounded by any license extension. A further concern is that the premises could become, by stealth, another public bar in the area. We've already seen this happen with Nonnas, The Monk Bar, and The Pointing Dog on Ecclesall Rd. Additionally, parking - already problematic for permit paying residents - would be affected. For these reasons I'd be grateful if you could give careful consideration to the application.

Regards, Mark Baines.

Sirs

There are enough late night licensed premises around here without adding to the list.

The noise at weekends is bad enough already and until the early hours of the mornings too.

As a long term resident, I strongly object to this extension and trust you will turn it down.

Thank you.

I live at [redacted] which backs onto Sharrowvale Road.

Once the students come back parking is a near impossibility in the evenings particularly at weekends. The Church on the corner of Eastwood Road runs some sort of evening event on Fridays.

Coming back on a Friday night from the supermarket means parking and carrying shopping several streets away.

We are regularly disturbed at night by evening revellers.

Can you please reconsider the application to grant extended licensing until midnight as this will only exacerbate the noise with people banging noise / talking / shouting.

We already have strong curry smells from the Indian restaurant and this will be made worse.

The noise of bottles being emptied into bottle banks will be heard for 100s of yards.

I pay for my parking permit but the benefit will be questionable if this licence application is allowed as people will simply pay the minimum fee to park depriving those of us who live in the street of any chance of parking.

Many thanks

Belinda Lancaster
