ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Whilst this is taking place, the offenders are continuing to assault him. A group of males who were involved in the assault are seen to leave the premises and are allowed to re-enter as and when they please. There is no control or supervision by the door attendants in relation to entry or egress of persons at this door. Substantial disorder takes place outside the premises. This results in four persons receiving stab wounds.

The Police submit that the grounds for a License review have been made out for the following reasons.

- (1) Person (s) were engaged in disorderly and criminal behaviour on the premises i.e. assaults on the premises.**
- (2) The use of the premises has resulted in serious nuisance to members of the public i.e. violent offences and crime being committed on or in the vicinity of the premises. Assaults taking place within the premises. Knife stabbings taking place in the vicinity of the premises.**

The Bodycams will be worn by doorstaff on the door, If staff are required to deal with any issues they should return to the door as soon as possible, if the staff are unable to return to the door it is a expectation that the cameras should be passed onto staff at the door.

A3

At no time was the cameras activated to record the major disorder at the club or was there any recordings passed to police of the disorder from the bodycams

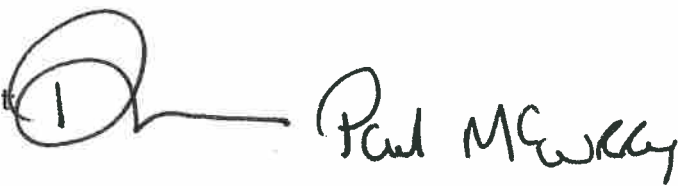

On 23 December 20127 Niche was unable or unwilling to provide proper security and control both inside the and outside the premises. As a result, those who visited Niche intent on causing violence and disorder were allowed to act without restraint.

The consequences of this lack of action were that, 5 persons were the victims of assaults both inside and outside the premises. They received serious injuries including multiple stab wounds. One victim requires reconstructive surgery to his face.

Investigations after the incident have found that the alleged offenders are not recorded on the clubs ID scanner, in fact the evidence proves that all 5 alleged offenders are recorded on the system by photo only. The previous customers details are recorded correctly and also the customers arriving after the alleged offenders details are recorded correctly.

CCTV footage shows one of the main alleged offenders, walking around the club and also outside the club entrance with a large glass bottle, at no time was this male challenged by doorstaff or any attempt made to remove this off him.

Dear Stephen,

Re: Niche Nightclub, 9-11 Walker St, S3 8GZ

I am writing on behalf of Public Health regarding the Summary License Review for Niche Nightclub.

Public Health would have concerns regarding the statement of Superintendent Paul McCurry, South Yorkshire Police regarding the treatment by door staff of the injured party in an incident of 23rd December 2017. The door staff, in this incident, would have been expected to secure the safety of the injured party and secure emergency medical attention for injured patrons whilst protecting other patrons by prompt and robust action towards perpetrators. In the description of the incident by Superintendent Paul McCurry, door staff fell short of this standard and as a minimum, it is recommended that further training is provided to door staff as a condition of the license.

Public Health would have concerns regarding the statement of Superintendent Paul McCurry, South Yorkshire Police regarding a patron walking around with a large glass bottle inside and outside of the venue. There is always a risk that glass bottles and glass drinking vessels can cause injury, whether accidental or deliberate and such injuries can be very serious and costly to the NHS, criminal justice agencies and to the victim. For this reason, Public Health would recommend a condition that only polycarbonate or shatterproof drinking vessels are used in the venue and that any glass bottles are decanted at the bar and then stored securely for safe disposal.

Finally, Public Health would note that the injuries sustained and the reported consequences of facial reconstructive surgery are very costly both to the NHS and to the individual. It is of serious concern that as a city that prides itself of having both Best Bar None and the Purple Flag, which are symbols of a safer night-time economy that such serious injuries have occurred and the utmost should be done to prevent a reoccurrence of incidents of this type at this venue.

Yours sincerely

- This was a review hearing held under section 167 of the Licensing Act 2003, following a closure order being granted at Sheffield Magistrates' Court on 9th January 2018, notice of which was given to the Licensing Authority on 11th January 2018.
- The closure order and review application are considered appropriate by the Police in light of incidents which occurred at and/or in relation to the premises known as 'Niche' on 23rd December 2017.
- Mr Charalambides initially addressed the Sub-Committee on behalf of the premises as they are not of the opinion that the Police have in fact made 'relevant representations', in light of the (incomplete) review application form relating to s53A (summary review of a premises licence). It was also suggested that they have failed to make the premises fully aware of all the evidence on which they wish to rely, in addition to not having engaged with the premises at all; meetings with the Police have been cancelled and the premises were told "no one would speak to them".
- On this basis and in reference to the s182 Guidance, legislation, case law and Sheffield City Council's Licensing Policy, Mr Charalambides submitted that the Police be excluded from the review process.
- It was stated that the Police have met with other licensed premises which have recently been the site of crime and disorder, and have fully engaged with and supported them. the Sub-Committee heard this has not been the case with Niche, despite previous good working relationships, co-operation and open communication on both sides.
- Mr Charalambides also opposed the Police presenting evidence at the hearing, as none of the parties had had sufficient time to consider it and the premises were in no position in order to be able to provide a response.

- 
- Mr Moss, on behalf of the Police, responded stating that although the form itself may be incorrect, it puts across the relevant points on which the review centres- namely that the premises were the site of a serious crime, which started in the premises, spilled out on to the front and then continued further down the street.
 - Mr Moss submitted that a number of Police Officers were present at the hearing in order to assist him and the Sub-Committee in determining the application for review, as they had specific, technical knowledge in relation to the incidents in question and the ongoing police investigation.
 - Mr Moss also suggested that aspects of the hearing be held in private, due to some of the sensitive material that may be disclosed and therefore potentially prejudicing the ongoing investigation. The CCTV evidence and testimony of Officers may need to be given in private to Members and Officers only as they identify potential perpetrators who may not yet have been interviewed and charged.
 - Mr Charalambides responded that the purpose of the review was not about the criminal proceedings but instead the conduct of the premises and licence holder as a whole. It was suggested that licence reviews are held in the wider public interest of which, in this particular case, there is significant public interest, as was evident at the hearing. He therefore vehemently imposed any evidence being presented without the premises being party to it.
 - Mr Charalambides further submitted that, in terms of the bundle on behalf of Niche, they have included personal/private information, however this has been done in accordance with the Data Protection Act and Information Commissioner's guidance, and do not see why the Police cannot do the same. In terms of professional due diligence and confidentiality, it was strongly disputed that any evidence in respect of the criminal proceedings would be further disclosed, outside the context of the hearings, which Mrs Baxendale and Mr Dyson also agreed.
-

3. Legal advice given

- Advice on the provisions of the Licensing Act 2003 and the Secretary of State's 182 Guidance.
 - Sheffield City Council's Statement of Licensing Policy.
 - Regard was had to the Public Sector Equality Duty as per Section 149 of the Equality Act 2010.
 - Although the form submitted by the Police was incorrect in that it referenced s53A, the legislation states that a review *must* be held once a closure order has been granted by the courts (s167(2)).
 - In line with the s182 guidance, evidence from all parties ought to have been served and circulated within a reasonable time of the hearing being held, with full disclosure on all matters on which they wish to rely.
 - The final determination of the review under s167 must be heard on or before 8th February 2018.
 - The premises are the subject of the review and should have the opportunity to be party to and provide a response to all the evidence which has led to a review of the licence being submitted.
 - The bundle submitted by the premises is of significant length and requires full consideration by all parties, including Members and Officers.
-

4. Decision

- To adjourn the hearing and full determination to 8th February 2018 in order to allow all parties to share the evidence on which they wish to rely, and for the parties to meet in order to discuss the matters now raised and in contention.
 - The hearing on 8th February 2018 will be advertised as being held in public. Submissions will be heard on the day as to whether this applies to the entirety of the hearing and what materials can and cannot be considered in open session. Members will then determine the outcome of this having taken legal advice.
-

5. Reasons for the decision

- Members considered the issue of 'basic fairness' as raised by Mr Charalambides and felt all parties ought to have the opportunity to hear all the evidence, and provide a response.
 - The Police are considered 'experts' under the Licensing Act in relation to crime and disorder and to exclude them from the review process would be disproportionate and not in the interests of natural justice.
 - Although the form submitted by the Police made reference to an incorrect section of the legislation, the essence of their representations still pertained to the prevention of crime and disorder and prevention of public safety licensing objectives.
 - The Sub-Committee were disappointed that meetings had not taken place prior to the hearing and stressed that the spirit of the Licensing Act is to encourage co-operation and open discussions. Members hoped that before the next hearing, meetings will have been held and information shared between the relevant parties.
 - Members wished to fully read and consider the bundle from the premises, and any future documentation submitted by the Police, in order to make a fully informed decision. It was not considered appropriate or sufficient to only be drawn to the pertinent points.
