ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Dear Sir/Madam

Re the Licencing Application / change / extension
to Langlands Garden Centre West Lane (S6 6S)

I must object as the extra noise from
music amplified or otherwise and the footfall
and traffic until 10.00pm will destroy the peace
of the rural area, this is not the town centres

I apologise for the rather unprofessional comm-
-unication but I only saw the notices this Easter
weekend when you were closed and the website
does not appear to offer the opportunity of e-mailing.

You will see we live next door & above
therefore the noise will come straight to our
property and is unacceptable.

Subject: Langlands Licence Application

This emailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by email.

Dear Rachel,

Further to our site meetings with respect to the licence application, I shall confirm our discussions and also request the following.

Please note that my visit was carried out with respect to the licence application only.

The current plan is unsatisfactory due to the numbers shown and the door orientation, and as the Responsible Authority for Public Safety, I have no option at this stage than to object to the licence being granted. The deadline for the consultation period is 21/4/19.

Please provide an amended plan to show the door orientation (in accordance with Building Regulations) as discussed this morning with myself and both Gemma and Hannah from SYFS.

Furthermore, from our conversation, it was apparent that alcohol sales will be ancillary to the main activity of the existing garden centre and cafe. Under the operating schedule, you have described the premises as a 'Garden Centre'. Under Section d of the licensing objectives you have stated that 'Alcohol consumed on site in designated areas linked to food consumption'. I propose that this be attached to Annex 2 of the premises licence. **Could you please confirm that this is agreeable?**

'Alcohol consumed on site in designated areas linked to food consumption'

Other items discussed;

- Please provide a satisfactory electrical certificate for the premises (otherwise known as a Condition Report).
- Please risk assess the use of glass in the external area. I suggest you consider the use of polycarbonate glasses, which have significantly improved over the last few years.

Please do not hesitate to contact me if you wish to discuss further, or if you would like me to meet your Architect on site,

I shall look forward to your further instruction,

Kind regards
Sean

Good Afternoon Rachel,

Many thanks for your response and the information you have provided. All points you have made are more than adequate for the running of the business and ones we are more than happy to hear the premises run by.

With this in mind that you essentially cover all wording we put forward through company policy, would you be happy for the conditions to be added to the licence?

This is just so that if at any stage an incident occurs, the premise requires a visit, test purchase operation etc, persons visiting from either the Police or another responsible authority know exactly how the premise should be operating and under what conditions.

As you have said, you cover these points anyway but the worded conditions simplify things for persons who may not know company policies etc.

Many thanks, much appreciated.

Good afternoon,

I am replying to your email regarding our application for a premise's licence with regards to the safety points made in the email.

We already have 3 CCTV's in operation with a 30 day storage hard drive but are in the process of looking to add more to cover internal areas too.

We are one of 3 Langland's stores, with the other 2 having held premise's licenses for a while so we have company risk assessment's and policies in place. We run a challenge 25 system for bladed items already such as shears and loppers so we are used to this and our till system flashes up a warning reminder for sales of age related products.

Staff are trained on all age related sales of various products (even lines we don't stock) through GCA Grow, an online training data base for Garden Centre's. When we get the licence all staff will sit a refresher course on such sales and the laws dealing with requesting ID and recording details.

I will be creating posters in store as a reminder that alcoholic drinks can only be consumed in designated area's or sold for consumption off site, in sealed bottles to remind staff and the public at all till points with the Challenge 25 info included.

Many Regards Rachel Shaw

Good Morning Sir/Madam,

Hope you are well.

We have received your application in regards to a new premise licence for Langlands Garden Centre, West Lane, Loxley, Sheffield. We would require the following conditions adding to the licence, should it be granted:

- A CCTV system will be fitted, maintained and in use at all times whilst the premises are open . The CCTV images will be stored for 30 days and police and authorised officers of the council will be given access to images for purposes in connection with the prevention and detection of crime and disorder. Members of the management team will be trained in the use of the system.
- A Challenge 25 scheme will operate at all times when the premises are open.
- Staff will receive training on matters concerning underage sales, drugs policies, and operating procedures. Records of such training will be kept and made available for inspection of the authorities, if requested.
- Incident and refusal book maintained, such records to be retained for at least 12 months and available for inspection on request.
- Drinks may not be removed from the premises in open containers, save for consumption in any external area provided for that purpose.

We would appreciate if you could respond and inform us that you are happy to adopt the above practices.

Many thanks.

FAO: Mr James Ducker

Dear Mr Ducker,

I represent Sheffield City Council's Environmental Protection Service as Responsible Authority for the Prevention of Public Nuisance for this application.

The application presents some limited potential for nuisance to nearby neighbours, though I'm confident this can be managed so as prevent public nuisance.

I'd be grateful if you could communicate your agreement to volunteer the following condition, by return of email.

- *The Designated Premises Supervisor or a delegated member of staff shall take a pro-active approach to noise control, checking outside the premises to ensure that the breakout of internal noise and noise from patrons using the external areas and departing the premises is managed so as not to cause a nuisance to occupiers of nearby residential properties.*

Upon receipt I'll communicate the agreement of the condition to our licensing service and it would then be included on any licence issued. I'd then be happy to withdraw from any official representations in this matter. If you have any concerns about this proposal, or would like to discuss other control options for the purpose of mitigating noise, please do let me know ASAP. Responsible Authorities have until 21st April at the latest to resolve any concerns before the issue would then need to be referred to a licensing committee. We'd hope to avoid this for a low risk application of this nature.

Thanks for your attention to this matter. I look forward to hearing from you soon.

Kind regards,

Neal Pates
