ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Dear Sir / Madam,

Re: Premises licence for Psalter Tavern, 178-80 Psalter Lane

I wish to object to some of the terms of the above application. Brindiffe is a very quiet residential and conservation area and such hours and activities would clash with that, and cause a public nuisance. Previous management have restyled a traditional pub to attract hard-drinking pub-crawlers from Ecclesall Road. I live 40 metres from the pub and it has been blissfully peaceful during its lengthy closure.

You have received many objections to previous applications for licensing until midnight. The 'nuisance laws' state that 11.30 pm to 7.00 am are designated sleeping hours. Noisy customer dispersal would not even start until 0.30 am and their raucous staff departure could be up to 2.00 am. This affects Psalter Court residents who have suffered these disturbing trespasses through their private grounds under previous managements. Persistent uncontrolled shouting from the terrace has further triggered objections, and can make many evenings a misery.

A previous entertainment licence stipulated that doors and windows should be kept closed, otherwise that noise can be heard within our flats; that entertainers be placed at the far side of the pub from us; and that they cease at 11.00 p.m.

Please could the above conditions be applied to this licence? Could the following conditions also be re-applied to reduce nuisance? :-

1. Have licensing hours as before from 10am to 11pm, with, at most, a 1 hour extension on Friday, Saturday and Bank holidays.
2. Cease service on the terrace at 10.00pm and clear by 10.30pm as previously; and supervise it to contain noise
3. Ensure the kitchen ventilator does not emit nuisance
4. As a new condition, ban staff from trespassing through Psalter Court grounds and from shouting in the pub grounds.

Parking will be almost impossible: a "no parking" zone was extended last year from the traffic light area all the way to No. 174. This leaves only a dozen spaces for the pub and Psalter Court residents. Our 1960's block has no parking space within its grounds, and only 7 single garages for c.25 adults. The far side of Psalter Lane is a long, shallow blind corner. Please could that 'no parking' zone revert to its previous position where it seemed to cause no problems for many years?

A pub is a welcome amenity where it co-exists appropriately within its area. I hope the new licensee will respect our peaceful community.

Yours sincerely,

Re: Grant applications: Psalter Tavern

Dear Mr. Barrett,

I wrote to you on 6th June concerning the above application. You kindly offered to facilitate an amicable solution with the licensee.

Since then a new consultation period has opened. May I confirm that I have not withdrawn my main objection which was to the alcohol licence to the bar being extended until midnight. Also, the licensee cannot resolve the parking issue. I was pleased that entertainment would cease at 11.00p.m, but I note it is still in the current application. I have since come across other concerned residents.

Therefore could my main objections still be included in the current consultation and go forward to a hearing? I am grateful for your help.

Dear Sir/Madam

JGAC PSALTER LIMITED – 178/180 PSALTER LANE, SHEFFIELD

I write regarding the licencing application made by the above company, a copy of which is attached to their premises on Psalter Lane.

My wife and myself most strenuously object to the application that is being made. We live immediately opposite the property (approximately 25 yards), and in our view the hours requested in the application, if granted, would have a serious and detrimental effect on our health and comfort.

You will be aware that the applicants are requesting to be allowed to serve alcohol every night of the week up until midnight, and have also requested a music licence seven days a week for a full twenty-four hours, Monday to Sunday inclusive.

We are both in our seventies, and have lived at our premises for over fifty years, and wish to enjoy comfort and respite for the rest of our lives.

To my knowledge, the previous occupants were only allowed to serve alcohol until 10:30 pm, and even then we had many instances of drunkenness and damage to our home by revellers and hotel residents. These include theft of plants, vomiting outside our home and breaking our outside lights on more than one occasion.

You will be aware that Psalter Lane is a residential area, occupied by many retired people, and I would beg you to consider the above points when considering whether or not to grant a licence to the above mentioned applicants on the requested terms.

Yours faithfully

Dear Sir/Madam,

I am writing to you in relation to the recent licensing application by JGAC Psalter Ltd on Psalter Lane. I am a resident of [REDACTED] which are directly next to the Hotel/bar and I am writing to put forward my request for consideration to the application made.

I am concerned about some of the times that the bar/hotel have asked for licenses until in a residential area. My husband and myself are concerned about having a drinks license until 12.00 am, especially in the week and on a Sunday evening. The noise unfortunately carries and we are concerned that people leaving the bar at 12.00 or later will walk through our flats which are private property and create noise and a disturbance (this happened before when the Psalter Tavern was open). We have a 10 year old daughter with Autism who struggles with her sleep but whom becomes particularly anxious when she hears voices outside her window when she is trying to sleep. She sleeps in the front bedroom where noise fro the bar would be heard. We would be very concerned about the pub serving until 12.00 and then people walking through the flats.

We all feel that the application for a music license until 12.00 pm in the week and on a Sunday night is too late and will potentially cause a disturbance to residents.

We would ask that you consider the impact of the above points in terms of the quality of life for the residents living nearby the premises, particularly in terms of the lateness of closing times.

I thank you in advance for considering these points and would be happy to provide further information if necessary. I would also welcome you visiting Psalter Court premises so you could see first hand how people using the bar late at night may impact on our quality of life.

Yours sincerely

Dear Sir/Madam,

I am writing to object to the proposed late night licensing application of The Psalter Tavern, 178-180 Psalter Lane by JGAC Psalter Ltd. I live directly next door to the premises in Psalter Court (Flat 1 which is nearest to the Psalter Tavern boundary wall) and I am extremely concerned about such a late licence (to 24hrs) being granted, especially during the working week Monday – Thursday. I think noise from the pub very late at night will impact negatively on my quality of life, as my flat is directly adjacent to the property. I am concerned about noise levels from customers inside the pub, noise made by customers outside the pub, noise of music from events and cars coming and going. Noise I believe will be impossible to eradicate by windows, doors etc. and other measures.

Please can you consider this strong objection to this licensing application.

Yours sincerely,

Dear Sir / Madam,

Re: Grant application: Psalter Tavern, 178-80, Psalter Lane, S11 8US

I am a director of Psalter Court Ltd, the management company for the block of 16 flats adjacent to the above pub. I write to object to the above application because it would allow licensing of alcohol and entertainment to the bar as late as midnight seven nights a week. This pub has never operated those late hours on a daily basis before.

This is a quiet residential and conservation area and there were dozens of objections to previous applications for extended hours. The Noise Protection Act 1996 defines sleeping hours as 11.30 p.m to 7.00 a.m. It is surely unfair that we residents could face legal action from our neighbours if we regularly disturbed their sleep within those hours, yet the pub is seeking to ^{do} just that, as it could allow customer dispersal at 00.30 hrs and staff departure between 1 and 2 a.m.

Because there is no pub on the parallel stretch of Ecclesall Road between Hunters Bar and Banner Cross, the inherently rowdy crowd of pubcrawlers make a detour, via an alley and Psalter Courts private grounds, to and from the Psalter pub. Unlike other local pubs this is inappropriately affected by the "vibrant" Ecclesall Road trade. Reports have abounded of noise and antisocial behaviour, some of it offensive.

←

Full-time workers who live in Psalter Court have complained this late disturbance has affected their work and health; pensioners have been intimidated by it; and parents have health concerns for children who sleep near affected pathways.

It is plain that the pub cannot control these customers once they are dispersing away from the premises. However, they surely can control their staff departure between 11.00 a.m. and 2 a.m. as they trespass noisily through our grounds. It seems that the only way to help mitigate the nuisance is to contain it within traditional licensing hours. I would therefore ask the Committee if it would restrict the alcohol and entertainment licence to the bar to 11.00 p.m. every night; and if they would close the after noisy terrace before 10.30 p.m. and prohibit staff trespass within Psalter Court.

Yours sincerely,

Good Morning Sir,

Hope you are well. We have sent this email to the applicant business also but we have had some issues with email so wanted to send this on to yourself to ensure it arrives to everyone and you are listed as the 2nd applicant.

We have received your application in regards to the grant of a new premise licence for Psalter Tavern, 170-180 Psalter Lane. We would require the following adding to the licence, should it be granted:

- Drinks may not be removed from the premises in open containers save for consumption in any external area provided for that purpose
- A CCTV system will be fitted, maintained and in use at all times whilst the premises are open . The CCTV images will be stored for 30 days and police and authorised officers of the council will be given access to images for purposes in connection with the prevention and detection of crime and disorder. Members of the management team will be trained in the use of the system.
- Persons under the age of 18 years are not permitted after 18:00 hours unless accompanied by a responsible adult and attending a family type function or dining.

- It is considered that for the nature of the operation plastic/polycarbonate drinking vessels will not be required however, a risk assessment will be undertaken should unusual events takes place and management deem it necessary.
-

We appreciate you have covered some of the above yourselves but this just tidied up the wording and ties up what is required.

If you could please respond and inform us you are happy to adopt the above practices we would be very grateful.

Many thanks,
