ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

HEAD OF LICENSING TO THE LICENSING SUB COMMITTEE**

REF No: 96/19

LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

STREET TRADING – Andrew Cuneo & Inqlana Saqladi – Static Street Trading

Consent Number: ST/ST0013;

Consent site: Botanical Gardens, Clarkehouse Road

1.0 PURPOSE OF REPORT

1.1 To consider revoking a Static Street Trading consent outside Botanical Gardens on Clarkehouse Road, following the implementation of a new Traffic Regulation Order by the Traffic Regulation Department at the consent site.

2.0 INTRODUCTION

2.1 The Council as a Licensing Authority have power under the provision of the 1982 Act to regulate Street Trading in the City.

2.2 A Street Trading Consent is required to trade on any Street (which includes roads, footways, forecourts, or other areas to which the public have access) within the Sheffield City Boundary.

2.3 The Licensing Committee at its meeting of 29th January 2002 passed the following resolution:

1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:
 - (a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;
 - (b) such street trading designation shall take effect as from the 1st April 2002; and
 - (c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.
2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council.

- 2.4 A Local Authority may attach conditions to a Street Trading Consent. The conditions may include conditions to prevent obstruction of the street and danger to persons using the street or nuisance or annoyance.
- 2.5 A Street Trading Consent may only be granted for a maximum period of twelve months.
- 2.6 There is no appeal procedure against the refusal or revocation of any consent. An applicant may, however apply for judicial review of the Council's decision.

3.0 BACKGROUND

- 3.1 The consent holders Mr Cuneo and Ms Saqladi hold a Static Street Trading Consent to operate an Ice Cream van directly outside the Botanical Gardens gates on Clarkehouse Road. A copy of this consent can be found at Appendix 'A'.
- 3.2 The Licensing Service has been made aware of the introduction of a new Traffic Regulation Order (TRO) at the consent site (outside Botanical Gardens on Clarkehouse Road) by Sheffield City Council's Traffic Regulation Department.
- 3.3 The first TRO came in to force on the 9th May 2019 with the following restrictions – *"No Waiting at Any Time"* - a Bus Stand has also been placed at the consent site (which does not require an Order). The 'Bus Stand' signage was not erected at the time to make this restriction to not park enforceable. Mr Cuneo and Ms Saqladi have therefore continued to trade up until recent weeks.
- 3.4 As of the week commencing 9th September 2019, the Licensing Service has been advised from Parking Services that the signs and lines are now in accordance with the 'Traffic Signs Regulations and General Directions 2002' instrument and will therefore be enforcing the parking restrictions in place. Details of this TRO can be found at Appendix 'B'.
- 3.5 Mr Cuneo and Ms Saqladi have already received a Penalty Charge Notice for being in their trading position which contravenes the TRO, and it has been confirmed by the head of Parking Services that the parking restrictions are now being actively enforced, putting the traders at risk of further fines if they continue to trade there.
- 3.6 The Licensing Service has received further notification from the Traffic Regulations Department that a second, revised TRO is to be in force as of 7th October 2019, which stipulates *"No waiting At Any Time - Midnight to 2.30pm and 4pm to Midnight (to allow active loading/unloading for businesses in the Botanical Gardens and disabled drivers with timed blue badges to use – as these are exempt from the restriction) and the Bus Stand will operate 2.30pm-4pm.* These restrictions therefore stipulate that there would not be any time throughout the day which would allow legal parking at this site for the traders. Details of this TRO can also be found at Appendix 'B'.

4.0 REASONS FOR REFFERAL

4.1 Sheffield City Council's Standard Street Trading condition 43 states:

"The consent holder shall at all times obey all road traffic regulations in force in the consent area".

4.2 The Licensing Authority has no power to override a Traffic Regulation Order.

4.3 The new TRO which has been implemented at this site forbids any stopping or loading at any time, therefore making this consent site unviable to continue trading against the traffic regulations and public safety. A full copy of the Standard Street Trading Conditions can be found at Appendix 'C'.

4.4 The Licensing Service have met with the consent holders to assist in finding a possible alternative location, both Mr Cuneo and Ms Saqladi feel there is no other viable location and have requested their consent to be referred to the Licensing Committee.

4.5 Under the Street Trading legislation, there is no process to review a street trading consent; Mr Cuneo and Ms Saqladi do not wish to find an alternative location which leaves the Council to look at revoking the current consent in line with our policy, conditions and public safety issues following the introduction of the TRO. Members are to refer to section 2.8 of the street trading policy which refers to factors which should be considered when revoking a consent.

4.6 Members should also note, revocation of a consent can only be determined by the Licensing Sub-Committee, please see Appendix 8 of the street trading policy.

4.7 Members should consider all the information provided by the applicant in person at the hearing, as well as all details provided within this report.

4.8 Mr Cuneo and Ms Saqladi have been invited to attend the Licensing Committee hearing. Copies of the invites are attached at Appendix 'D'.

4.9 A copy of the hearing procedure is also attached at Appendix 'D'.

5.0 FINANCIAL IMPLICATIONS

5.1 The Street Trading Policy states that fees will be set and reviewed annually on a full cost recovery basis. The level of fee takes into account the location, duration of consent, the trading hours and articles to be sold as well as the enforcement of terms and conditions.

5.2 Fees for static consents are determined at the grant of the application therefore there are no financial implications arising from this report.

5.3 Where a consent is surrendered or revoked, the council shall remit or refund, as they consider appropriate, the whole or a part of any fee paid for the grant or renewal of the consent.

6.0 RECOMMENDATIONS

6.1 That Members consider all the relevant information available, any representations that may be made and our policy.

7.0 OPTIONS OPEN TO THE COMMITTEE

7.1 To defer the matter for further consideration.

7.2 To revoke the Static Street Trading Consent.

LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

**STREET TRADING – Angela Heath & Maria Vilela – Static Street Trading
Consent Number: ST/ST0240;
Consent site: Botanical Gardens, Clarkehouse Road**

1.0 PURPOSE OF REPORT

- 1.1 To consider revoking a Static Street Trading consent outside Botanical Gardens on Clarkehouse Road, following the implementation of a new Traffic Regulation Order by the Traffic Regulation Department at the consent site.

2.0 INTRODUCTION

- 2.1 The Council as a Licensing Authority have power under the provision of the 1982 Act to regulate Street Trading in the City.
- 2.2 A Street Trading Consent is required to trade on any Street (which includes roads, footways, forecourts, or other areas to which the public have access) within the Sheffield City Boundary.
- 2.3 The Licensing Committee at it's meeting of 29th January 2002 passed the following resolution:
1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:
 - (a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;
 - (b) such street trading designation shall take effect as from the 1st April 2002; and
 - (c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.
 2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council.
- 2.4 A Local Authority may attach conditions to a Street Trading Consent. The conditions may include conditions to prevent obstruction of the street and danger to persons using the street or nuisance or annoyance.

- 2.5 A Street Trading Consent may only be granted for a maximum period of twelve months.
- 2.6 There is no appeal procedure against the refusal or revocation of any consent. An applicant may, however apply for judicial review of the Council's decision.

3.0 BACKGROUND

- 3.1 The consent holders Mrs Heath and Mrs Vilela hold a Static Street Trading Consent to operate an Ice Cream van directly outside the Botanical Gardens gates on Clarkehouse Road. A copy of this consent can be found at Appendix 'A'.
- 3.2 The Licensing Service has been made aware of the introduction of a new Traffic Regulation Order (TRO) at the consent site (outside Botanical Gardens on Clarkehouse Road) by Sheffield City Council's Traffic Regulation Department.
- 3.3 The TRO came in to force on the 9th May 2019 with the following restrictions – "*No Waiting at Any Time*" - a Bus Stand has also been placed at the consent site (which does not require an Order). The 'Bus Stand' signage was not erected at the time to make this restriction to not park enforceable. Mrs Heath and Mrs Vilela have therefore continued to trade up until recent weeks.
- 3.4 As of the week commencing 9th September 2019, the Licensing Service has been advised from Parking Services that the signs and lines are now in accordance with the 'Traffic Signs Regulations and General Directions 2002' instrument and will therefore be enforcing the parking restrictions in place. Details of the TRO can be found at Appendix 'B'.
- 3.5 Mrs Heath and Mrs Vilela have already received a Penalty Charge Notice for being in their trading position which contravenes the TRO, and it has been confirmed by the head of Parking Services that the parking restrictions are now being actively enforced, putting the traders at risk of further fines if they continue to trade there.
- 3.6 The Licensing Service has received further notification from the Traffic Regulations Department that a second, revised TRO is to be in force as of 7th October 2019, which stipulates "*No waiting At Any Time - Midnight to 2.30pm and 4pm to Midnight (to allow active loading/unloading for businesses in the Botanical Gardens and disabled drivers with timed blue badges to use – as these are exempt from the restriction) and the Bus Stand will operate 2.30pm-4pm*". These restrictions therefore stipulate that there would not be any time throughout the day which would allow legal parking at this site for the traders. Details of this TRO can also be found at Appendix 'B'.

4.0 REASONS FOR REFFERAL

- 4.1 Sheffield City Council's Standard Street Trading condition 43 states:

"The consent holder shall at all times obey all road traffic regulations in force in the consent area".

- 4.2 The Licensing Authority has no power to override a Traffic Regulation Order.
- 4.3 The new TRO which has been implemented at this site forbids any stopping or loading at any time, therefore making this consent site unviable to continue trading against the traffic regulations and public safety. A full copy of the Standard Street Trading Conditions can be found at Appendix 'C'.
- 4.4 The Licensing Service have met with the consent holders to assist in finding a possible alternative location, both Mrs Heath and Mrs Vilela feel there is no other viable location and have requested their consent to be referred to the Licensing Committee.
- 4.5 Under the Street Trading legislation, there is no process to review a street trading consent; Mrs Heath and Mrs Vilela do not wish to find an alternative location which leaves the Council to look at revoking the current consent in line with our policy, conditions and public safety issues following the introduction of the TRO. Members are to refer to section 2.8 of the street trading policy which refers to factors which should be considered when revoking a consent.
- 4.6 Members should also note, revocation of a consent can only be determined by the Licensing Sub-Committee, please see Appendix 8 of the street trading policy.
- 4.7 Members should consider all the information provided by the applicant in person at the hearing, as well as all details provided within this report.
- 4.8 Mrs Heath and Mrs Vilela have been invited to attend the Licensing Committee hearing. Copies of the invites are attached at Appendix 'D'.
- 4.9 A copy of the hearing procedure is also attached at Appendix 'D'.

5.0 FINANCIAL IMPLICATIONS

- 5.1 The Street Trading Policy states that fees will be set and reviewed annually on a full cost recovery basis. The level of fee takes into account the location, duration of consent, the trading hours and articles to be sold as well as the enforcement of terms and conditions.
- 5.2 Fees for static consents are determined at the grant of the application therefore there are no financial implications arising from this report.
- 5.3 Where a consent is surrendered or revoked, the council shall remit or refund, as they consider appropriate, the whole or a part of any fee paid for the grant or renewal of the consent.

6.0 RECOMMENDATIONS

- 6.1 That Members consider all the relevant information available, any representations that may be made and our policy.

7.0 OPTIONS OPEN TO THE COMMITTEE

- 7.1 To defer the matter for further consideration.
- 7.2 To revoke the Static Street Trading Consent.
