ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Having a capacity of 25 will mean that we will be able to promote all of the four licensing objectives easily and correctly. Keeping it at capacity or lower to prevent over crowding. Having all staff health and safety trained. Having disable access, with relevant hand rails and course-ways spacious. Having security and a strict 'challenge 25' policy. Keep windows and doors closed during opening times. Have CCTV, install correct emergency lights, smoke and heat detectors and fire points. Stop serving food and drinks at 11pm, allowing for customers to leave at a reasonable time respectfully to not disturb nuisance to neighbors.

b) The prevention of crime and disorder

Will take all necessary steps to prevent any anti-social behaviour or breach our licensing conditions, criminal offence (which will be reported to the police first). We will also have a security on weekends to further prevent any crime and disorder. We will also have CCTV throughout the building.

c) Public safety

Myself and the staff will all be first aid trained. We will keep to our strict 25 person capacity to prevent over crowding, we will also install correct ventilation to ensure not only suitable working conditions but nice environment for our customers. We will also ensure the correct training for staff on the Licencing act and Health and Safety. There will also be a fire safety risk assessment for staff and customers. Easy access for any emergency vehicles. All doors, lighting, heating, sanitary, wash facilities and seating will all be kept in good and safe condition.

d) The prevention of public nuisance

Prominent, clear and legible notices will be displayed at all exits requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Deliveries of materials necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents. (Between 9am - 6pm) I will ensure that staff who arrive early morning or depart late at night when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents. Customers will be asked not to stand around talking in the street outside the premises; and asked to leave the vicinity quickly and quietly to not disturb neighbors. There will be no bright lights shining away from the building, all waste and empties of the bin will be done before 11pm. All doors and windows will be closed at all times to ensure no nuisance.

This page is intentionally left blank

Continued from previous page...

e) The protection of children from harm

All customers will be challenged for ID to fit in line with 'challenge 25'. We will prevent exposure to any strong language, sexual expletives and drug-taking. There will be no gambling on site and aim to prevent any violence. Under 18's will only be allowed on site in accompany of an adult up until 8pm. After then no under 18's will be allowed on site.

Section 19 of 21

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK (please see note below about which sections of the passport to copy).
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Madam/Sir,

RE: License application for Bench Bar Restaurant Ltd, 7B Nether Edge Road, Sheffield, S7 1RU

I am writing to register my objection to the application for a premises licence by Bench Bar Restaurant for 7B Nether Edge Road, Sheffield, S7 1RU. The basis for this opposition is that granting a licence for these premises is not appropriate for the promotion of the licensing objectives, particularly the prevention of public nuisance and antisocial behaviour.

7B Nether Edge Road lies within the Council's Nether Edge Ward (also a conservation area), and enabling the premises to sell alcohol and play recorded music would be totally detrimental to its aims and objectives.

The application proposes that alcohol will be sold for consumption between Mon to Thurs - 16:00 - 23:30, Fri - 14:00 - 23:30, Sat - 12:00 - 23:30 & Sun - 11:00 - 23:30, meaning that alcohol will be served until 23.30 seven days a week. The application proposes that indoor music can be played Mon to Thurs - 16:00 - 23:00, Fri - 14:00 - 23:30, Sat - 12:00 - 23:30 & Sun - 11:00 - 23:30 meaning that music will be played until at least 23.00 seven days a week.

Nether Edge Road is a predominantly residential area and the addition of another premises selling alcohol and playing music is inappropriate. This includes:

- noise from patrons as they arrive at and leave the premises;
- litter from patrons;
- noise from regulated music: the premises is in an old building not designed to contain modern levels of sound and vibration meaning that noise will inevitably escape from the premises and affect residents. The premises also does not have sound-proofing or noise-limiting devices;

This page is intentionally left blank

- antisocial behaviour from inebriated patrons.

Granting a licence would provide a further source of alcohol and noise within an area already heavily populated with licensed premises. There are four premises located within 50 meters of 78 Nether Edge Road that are already licensed to serve alcohol and play music until 23.00 or 23.30 seven days a week. These are:

- Café #9, 9 Nether Edge Road, S7 1RU
- Nether Edge Bowling Club, 8 Nether Edge Road, S7 1RU
- Homemade by Thelma's, 4 Nether Edge Road, S7 1RU
- The Union Public House, 1 Union Rd, Nether Edge, Sheffield S11.

As residents, we already suffer noise nuisance and antisocial behaviour as a consequence of alcohol being served at these premises. In our household, we are already taking measures such as keeping windows closed, having acoustic glass installed in our windows, wearing earplugs, and turning our television up to combat existing noise from existing premises. Litter, urination and bottles being left around make our neighbourhood look unpleasant, and makes it less pleasant to live here. We are kept awake at least twice a week by noise from the premises listed above, including loud conversations from customers as they arrive at and leave the premises; increased road noise from additional customer traffic; and antisocial behaviour from inebriated customers. This has led to disturbed sleep and lack of peace and quiet, including the disturbance of our two-year old child. It has also meant us having to keep our windows shut in summer and our car being damaged during an altercation in the street. Adding an additional bar/restaurant to the road will inevitably increase this disturbance.

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully,

Jack,

Thanks for the agreement.

I'm happy to discuss the matter further if you would want, or alternatively get in clarity, if you are Licensing Officer.

As you can see the applicant is happy to attached the below conditions to the premises licence. Can you confirm the emails make sense and that the conditions will be attached to the premises licence when granted and on that basis withdraw my previous representation.

Regards,

Jon.

Hello Jack,

Thanks for the email.

I'm pleased that you are happy to agree to the below actions, but I want to make sure you fully understand the implications.

The Noise survey (which will give any necessary recommendations for improving the separation between you and the residential accommodation above) and validation is something which would be your responsibility to undertake and the report would then be submitted for me to assess. I have assumed that the landlord of the building is also landlord for the residential above, and will therefore have a right of access so the noise monitoring could take place, to ensure internal levels are satisfactory. Any recommendation for measures to prevent noise breakout/transmission should be from a specialist who can look at the current structure of the building, they would also be able to advise on a suitable internal noise level to assist in the setting of a noise limiter for the music.

I'm happy to discuss the matter further if you would wish, or alternatively just to clarify, if you are happy to accept the below as conditions on the premises licence when granted please reply to all you acceptance of the conditions:

- a) Before the premises open a scheme of sound attenuation works shall have been installed and thereafter retained. Such a scheme of works shall be:
- b) Based on the findings of an approved noise survey of the application site, including an approved method statement for the noise survey.
- c) Be capable of restricting noise breakout from the commercial use(s) to the street to levels not exceeding the prevailing ambient noise level when measured:
 - (i) as a 15 minute LAeq, and;
 - (ii) at any one third octave band centre frequency as a 15 minute LZeq.
- d) Be capable of restricting noise breakout and transmission from the commercial use(s) to all adjoining residential accommodation to levels complying with the following:
 - (i) Bedrooms: Noise Rating Curve NR25 (2300 to 0700 hours);
 - (ii) Living Rooms & Bedrooms: Noise Rating Curve NR30 (0700 to 2300 hours);
 - (iii) Other Habitable Rooms: Noise Rating Curve NR35 (0700 to 2300 hours);
 - (iv) Bedrooms: LAFmax 45dB (2300 to 0700 hours).

Before such scheme of works is installed full details thereof shall first have been submitted to and approved in writing by the Environmental Protection Service (EPS).

This page is intentionally left blank

[Noise Rating Curves should be measured as an LZeq at octave band centre frequencies 31.5 Hz to 8 kHz.]

• Before the use of the premises is commenced, Validation Testing of the sound attenuation works shall have been carried out and the results submitted to and approved by the EPS. Such Validation Testing shall:

a) Be carried out in accordance with an approved method statement.

b) Demonstrate that the specified noise levels have been achieved. In the event that the specified noise levels have not been achieved then, notwithstanding the sound attenuation works thus far approved, a further scheme of sound attenuation works capable of achieving the specified noise levels and recommended by an acoustic consultant shall be submitted to and approved by the Local Planning Authority before the use of the development is commenced. Such further scheme of works shall be installed as approved in writing by the EPS before the use is commenced and shall thereafter be retained.

• No amplified sound shall be played within the building except through an in-house amplified sound system fitted with a sound limiter, the design and settings of which shall have received the prior written approval of the EPS.

• No loudspeakers shall be fixed externally nor directed to broadcast sound outside the building at any time.

Jon.
