ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

This application to review relates to the following licensing objective(s)

Please tick one or more boxes

- 1) the prevention of crime and disorder
- 2) public safety
- 3) the prevention of public nuisance
- 4) the protection of children from harm

Please state the ground(s) for review (please read guidance note 1)

The premises management show a blatant disregard to the risk to public due to Irresponsible planned events and promotions resulting in no confidence in the management to ensure public safety.

The premises are poorly maintained in such a way that is detrimental to public safety.

Breach of conditions relating to public safety.

Please provide as much information as possible to support the application

(please read guidance note 2)

Visit was made by responsible authority for public safety (Health & Safety Enforcing Authority) with other responsible authorities' on 20/2/2019 due to concerns reported about the use of Rodeo Bulls, Bouncy Castles, Bouncy Slides, Gadiator Duels and drinks promotions aimed at students. Management confirmed that no such events would take place in the future. The combination of drink promotions and these events is deemed detrimental to public safety. It was clear that Class 3b lasers were being used without prior assessment of approval of the H&S team.

Conditions under Annex 2 were discussed and copy of the electrical certificate requested in accordance with Condition 13. A certificate was produced that stated 25% of premises had been inspected. I requested that a certificate should be produced to show 100% testing.

Due to mounting concerns with respect to public safety, it was deemed appropriate to undertake a full inspection of the premises. A full inspection was carried out on 27/2/2019 and numerous concerns were noted with respect to electrical safety such as what appeared to be an amateur electrical installation in the DJ booth to the main event space, numerous damaged sockets and exposed cables. Other concerns noted with respect to use of special effects, management of asbestos, an abundance of glazing not of safety standard, damaged flooring and a very poor state of repairs to the toilets.

Due to concerns, South Yorkshire Fire Service were notified and revisited with the Health & Safety Enforcement Team on 26/3/2019. Some items had been addressed, but numerous items were still outstanding. I agreed to revisit on 30/4/2019 and stated that all items of concern must be completed by this time.

On 29/4/2019 a request from HEX Management was made to re-schedule our visit.

A visit was made with South Yorkshire Police Licensing on 25/6/2019. Again, some items had been completed but a 100% electrical certificate as previously requested had not been provided to demonstrate that the wiring, sockets and distribution board/s were safe. Management could not produce an asbestos survey and stated that both electrical certificate and asbestos survey would be provided.

On 27/6/2019 Licensing received a complaint with request to a wrestling event held at the premises.

Condition 15 of the Premise Licence states that:

“For boxing and wrestling events, a suitable event safety plan shall be provided with the minimum of 28 days' notice to the Environmental Regulation, Health & Safety Department of local authority prior to events taking place.”

No such notification was received which is a clear breach of Condition 15.

Further evidence shall be disclosed prior to any hearing.

Dear Sirs

APPLICATION TO REVIEW THE PREMISES LICENCE: HEX, 4 QUEENS ROAD, SHEFFIELD S2 4DG

I am writing to make a representation on behalf of the Sheffield Children Safeguarding Partnership, as the Responsible Authority for the protection of children from harm under the Licensing Act 2003. The reason for the representation is that there is evidence of a breach of the premises licence (condition 15), resulting in an unlawful wrestling entertainment event taking place involving a child performer.

On 27th June 2019 I received a complaint alleging that, during a wrestling show at the premises on 26th June, a 14 year old boy had been harmed and was inadequately dressed in public. In order to investigate the complaint and to establish compliance, I consulted colleagues in the Council's Child Permits and Licensing Service and the Health Protection Service; both services confirmed that Sheffield City Council had no evidence of the show being an authorised performance or event.

I subsequently investigated the complaint with the premises management team: This involved an extensive telephone discussion with Mr Gurnitnekh Rai, Operations Manager on 15th July and a meeting on 19th July between myself, Mr Gareth Barrett of SCC Licensing and the entire premises management team at Hex (Mr Gurnitnekh Rai, Mr Peter Clifton, Property Owner, Mr Dominic Bowskioo, Maintenance Manager, Mr Jakob Plant, Manager, Mr Alexander Owen, DPS) and the managers of Breed Promotions (Mr Sam McKinstrie and Mr Mitch Smith). The management team was co-operative and they gave the following response to the issues raised:

1. Having attended the multi agency safeguarding training on 17th July, Mr Jakob Plant (Manager, Hex) and Mr Alexander Owen (Designated Premises Supervisor, Hex) agreed to develop the safeguarding policies at Hex.
2. Breed Promotions management requested places on the next multi agency safeguarding training and also agreed to develop their safeguarding policies.
3. The premises management stated that the event was a show and that the fight was enacted in line with pro-wrestling entertainment.

- 4. The premises management stated that the 14 year old child was not hurt, however an adult member of the stage crew was injured during the performance and lost blood due to a fault of his own, as this happened in close proximity to the child, it was felt this is the injury the complainant had seen.
- 5. The premises management stated that the child was chaperoned by his trainer and his mother; that he was appropriately dressed in accordance with pro wrestling attire and that he was dressed immediately after the performance.
- 6. The premises management stated that the 14 year old child was performing under a licence issued by Bradford Licensing Authority; as this was not evidenced at the meeting I advised this should be evidenced at the review hearing.

As a result of a general discussion about the management’s proposal to develop a ‘family friendly’ offer and the importance of developing the safeguarding policies to accommodate this, the following was stated:

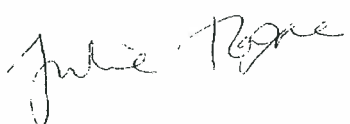

- 1. The safeguarding policies will be revised and developed by Mr Owen, DPS and Mr Plant, Manager and risk assessments will be undertaken for all styles of operation offered.
- 2. There are 4 personal licence holders at the venue who understand the core objectives of the Licensing Act 2003 and who can ensure responsible alcohol sales.
- 3. The Challenge 25 scheme will continue to operate; (posters and refusals logs were evidenced on 19.7.19).
- 4. Changes will be made to the Hex contractual arrangements with promoters to ensure compliance with the law and to ensure that adequate safeguarding procedures and lines of accountability are in place.

I can confirm that until the 27th June the Hex premises had not been a concern for safeguarding matters and that the response by the premises management has to date, been positive. However in my opinion the premises management would benefit from being more proactive and to consult earlier with the authorities to avoid risk and a lack of due diligence; consultation and early planning would assist the premises management in making safe, informed decisions about future events particularly in light of the diverse activities being planned as the business develops.

The Sheffield Children Safeguarding Partnership is concerned that there is evidence of non compliance with a licence condition and that in light of the premises management’s expressed intention to develop the business as a family friendly venue, providing ‘family fun days’ and a gaming offer, there is a currently a risk due to insufficient safeguarding conditions being placed on the licence to promote the core objective for the protection of children from harm.

The Sheffield Children Safeguarding Partnership would therefore request that the Licensing Sub Committee takes positive action to address the safeguarding concerns presenting at the premises.

Yours faithfully

JULIE HAGUE
Licensing Manager
Sheffield Children Safeguarding Partnership
