SHEFFIELD'S HEALTH AND WELLBEING BOARD

Sheffield City Council • Sheffield Clinical Commissioning Group

Sheffield's Health and Wellbeing Board started to meet in shadow form in January 2012 and became a statutory group in April 2013. The Health and Social Care Act 2012 states that every local authority needs a Health and Wellbeing Board. It is a group of local GPs, local councillors, a representative of Sheffield citizens, and senior managers in the NHS and the local authority, all of whom seek to make local government and local health services better for local people. Its terms of reference sets out how it will operate.

Sheffield's Health and Wellbeing Board has a formal public meeting every three months as well as a range of public events held at least once a quarter.

Sheffield's Health and Wellbeing Board has a website which tells you more about what we do. <http://www.sheffield.gov.uk/home/public-health/health-wellbeing-board>

PUBLIC ACCESS TO THE MEETING

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. You may not be allowed to see some reports because they contain confidential information. These items are usually marked * on the agenda.

Meetings are normally open to the public but sometimes the Board may have to discuss an item in private. If this happens, you will be asked to leave. Any private items are normally left until last.
