ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

REF No: 77/20

**LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982
STATIC STREET TRADING**

**Site: Chapeltown Working Mens Club Car Park, 10 Market Place,
Chapeltown, Sheffield, S35 2UU.**

1.0 PURPOSE OF REPORT

1.1 To consider an application for a Static Street Trading Consent submitted by Bradley Smith & Barrie Turvill, to trade Greek Hot Food and Soft Drinks in Chapeltown Working Mens Club Car Park, 10 Market Place, Chapeltown, Sheffield, S35 2UU.

2.0 INTRODUCTION

2.0 The Council as a Licensing Authority have power under the provision of the 1982 Act to regulate Street Trading in the City.

2.1 A Street Trading Consent is required to trade on any Street (which includes roads, footways, forecourts, or other areas to which the public have access) within the Sheffield City Boundary.

2.2 The Licensing Committee at it's meeting of 29th January 2002 passed the following resolution:

1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:

- (a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;
- (b) such street trading designation shall take effect as from the 1st April 2002; and
- (c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.

2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council.

2.3 A Local Authority may attach conditions to a Street Trading Consent. The conditions may include conditions to prevent obstruction of the street and danger to persons using the street or nuisance or annoyance.

2.4 A Street Trading Consent may only be granted for a maximum period of twelve months.

2.5 There is no appeal procedure against the refusal or revocation of any consent. An applicant may, however apply for judicial review of the Council's decision.

3.0 THE APPLICATION

3.0 A static street trading application was submitted by Bradley Smith & Barrie Turvill to trade Greek Street Food on the 17th July 2020; a copy of the application is attached at Appendix 'A'.

3.1 The application is a request to sell Greek Hot Food and Soft Drinks from a catering trailer inside the car park of Chapeltown Working Mens Club - described in the application from Thursday to Monday inclusive - 11.00 to 20.00 hours.

3.2 The site is located on a private piece of land and permission for the use of the land has been granted to the applicant by the landowners.

3.3 The application was circulated, in the usual manner, to South Yorkshire Police, South Yorkshire Fire and Rescue, Highways and SCC Planning Department on the 17th July 2020.

3.4 Notices of the application have also been placed at the site to allow for public consultation.

4.0 REASONS FOR REFERRAL

4.0 The application has been referred to the Sub-Licensing Committee as we have received the following objection to the application:

1 x Objection against the application – by a local take away business.

A Copy of this objection is attached at Appendix 'B'.

4.2 The content of the objection submitted refers to factors which can be taken into consideration in determining a street trading consent; these are detailed in section 2.8.2 of the Street Trading policy.

4.3 Members should note that this objection was initially submitted to a temporary consent which the applicants successfully obtained prior to this Static application. It was decided by the Head of Service that it was too late to be considered for that application and that if a full Static Consent was to be applied for after the temporary consent had expired, then this objection would be included for that application. The objector was made aware of this and subsequently submitted the objection to this application.

4.4 Members should consider all the information provided by the applicant both in their written application and in person at the hearing.

4.5 The applicant and objector have been invited to attend the Licensing Committee hearing. Copies of the invites are attached at Appendix 'C'.

4.6 A copy of the hearing procedure is attached at Appendix 'D'.

5.0 FINANCIAL IMPLICATIONS

- 5.1 Street trading fees are set and reviewed annually on a full cost recovery basis. The level of fee takes into account the location, duration of consent, the trading hours and articles to be sold as well as the enforcement of the terms and conditions.
- 5.2 Fees for static consents are determined at the grant of the application therefore there are no financial implications arising from this report.

6.0 RECOMMENDATIONS

- 6.1 That Members consider all the relevant information available, any representations that may be made and the street trading policy.

7.0 OPTIONS OPEN TO THE COMMITTEE

- 7.1 To grant the application for a Static Street Trading Consent as applied.
- 7.2 To grant the application with amendments.
- 7.3 To defer the matter for further consideration.
- 7.4 To refuse the grant of the Static Street Trading Consent.
