Report of the Chief Licensing Officer

ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any
 meeting at which you are present at which an item of business which affects or
 relates to the subject matter of that interest is under consideration, at or before
 the consideration of the item of business or as soon as the interest becomes
 apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil
 partner, holds to occupy land in the area of your council or authority for a month
 or longer.
- Any tenancy where (to your knowledge)
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where -

- a decision in relation to that business might reasonably be regarded as affecting
 the well-being or financial standing (including interests in land and easements
 over land) of you or a member of your family or a person or an organisation with
 whom you have a close association to a greater extent than it would affect the
 majority of the Council Tax payers, ratepayers or inhabitants of the ward or
 electoral area for which you have been elected or otherwise of the Authority's
 administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

OBJ -1

Received via email, 7th Dec 2020

I have looked at and have been thinking about the application for a licence to serve drinks and food at the Abbeydale Picture House (Picture House Social, 383 Abbeydale Road, Sheffield, S7 1FS)

Allowing this opening until 00.30 on week days and until 3am at weekends etc. will substantially change the nature of this part of Sheffield. If allowed, this permission will not only have an immediate effect on the locality, with noise, parking, vehicle movements being engendered. It will also give the green light for other drinking establishments to apply for similar late night opening licences and to make this into a late bar environment.

A high proportion of the local population are families with young children. Many of them are from Asian backgrounds who don't want their kids to grow up in an area that is based on the sort of culture that this environment would bring.

I know that the white middle class people who live on or around Ecclesall Road have been largely successful in warding off attempts to have late night opening in their area. Please don't allow this to be a means of exporting that noise and social problems to the poorer communities on and around Abbeydale Road.

Marion Gerson

Licensing Emails, Applicants responses.

Good morning Ms Gerson

Thank you for your emailed objection against the Picture House Social premises application which I acknowledge.

The file has now been passed to me to see if we can resolve the issues you have raised in your email with the applicant so we can hopefully avoid attending a Licensing Sub-Committee hearing; a Licensing Sub-Committee hearing is legally required if we are unable to resolve any outstanding objections against an application within a specific timescale.

I have informed the applicant of the content of your objection (personal information redacted) so they are aware.

To help assist in resolving the issues, are you in a position to confirm what hours you would be happy with so the applicant can consider this and propose any changes.

Thank you for your time, and please do not hesitate to contact me if you have any queries.

Kind regards

Shimla

Good morning

I'm writing in regards to your application made for the above premises under the Licensing Act 2003.

Your file has been passed to me as we are now at the end of the consultation period and we have unfortunately received a resident objection against your application and I am hoping we can resolve the issues raised so we can avoid it going to a Licensing Sub-Committee hearing for determination.

I have copied the content of the objection and redacted any personal information as below; I will contact the objector directly to see what hours they would deem appropriate and I will contact you back, please let me know in the meantime if there are any proposals on your side you are happy to make to resolve the issues raised—

Response from Applicant;

Hi Shimla,

Thanks for getting in touch and forwarding on the objection,

In terms of the opening part around noise, parking and the like i would refer to the planning departments decision to allow us to change the planning permission that has then allowed us to apply for this alteration to the license. They took in to account the nature of the building, which is underground and has no windows or doors from the bar directly on to the street and also acknowledged that as we have been tenant of this site for nearly 7 years and never received a single complaint from residents about noise, or otherwise they took the decision to grant us the new permissions.

I'd also say that in terms of 'giving the green light' to other establishments we very much doubt that the planning department would take this decision lightly on other premises that are of the more traditional variety in terms of structure and aren't underground and off street like ourselves. Further to this we actually are not alone in having later operating hours - Hagglers Corner is very close by and has a license that allows for even later than what we are asking for.

The second part of the email where the complainant talks speculatively about what people from various cultural backgrounds may or may not want or what people from other cultural backgrounds in other parts of the city may or may not have done is best left alone, it's not something we would like to comment on given it's not based on any available facts, is completely unquantifiable and shows a willingness to presume what other people want.

What i would say is that the vast majority of our customers are local residents and they've been asking us for a later license for years and as a business in the current climate we're determined, if given the permission, to use it responsibly and with great care for the community we've been a big part of for the last 7 years.

This sort of care and consideration is mirrored in our other businesses, i doubt you'd find a complaint from the public across all our bars and cafes (Ambulo, Public, The Great Gatsby) and we fully intend to keep up this unblemished record.

Hope that helps.

Jim
