ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.

 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.

3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

4. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
7. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.

15. Right to work/immigration status:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways:

1. by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.
2. By providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided with this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copied of the documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

The 418 Lounge

I would like to protest most strongly at the above application for yet another bar in my area of Ecclesall Road.

- There are already 10 bars in the vicinity of Botanical and Marks & Spencer, with houses running all the way to and beyond Collegiate Crescent on northern side. That is enough.
- There are **local** pubs like the Porter Brook that are family-friendly and not solely for singles, i.e. Sheffielders from other areas, some of whom I, at nearly 80, find quite intimidating.
- The two real ale pubs are very popular and are run by locals. This is what the community needs and profits from.
- The closing times are absurd for a residential area. The current closing times are largely the reason there was not a stronger resistance to the last two applications.

Yours sincerely

I'm writing to object to the proposed late night music and alcohol license for Lounge 418 on Ecclesall Road.

I am a resident of the Groves, a cluster of residential roads that adjoin Ecclesall Road. We already experience significant late night noise from Ecclesall Road when people walk home late at night and this is already a cause of concern for people living on the lower parts of Southgrove and Broomgrove Road as well as for residents on Ecclesall Road itself.

The prevention of Public Nuisance

A late night drinks license would establish this part of Ecclesall Road as a place to go to after normal pubs close and would invariably attract people already worse for wear and unlikely to be capable of considerate behaviour. We already have to deal with noisy late night student parties and loud car revving at all hours. We need less late night noise not more. A late night licence will attract more noise and give our local student population the impression their late night noise behaviour is normal. Some of the homes in the Groves are adjacent to Lounge 418 and will directly be affected by late night noise.

I wish to object to the granting of a licence for alcohol and music until 1pm This premise is located in very close proximity to a large number of residential properties. A music and alcohol licence will draw many people into this area, local bars do not stay open beyond 11pm so people who want to drink late will travel in to this area This will cause major noise disruption as they enter and leave the premises on a regular basis. Previous late night opening in other areas of Eccelsall Road opening has demonstrated that there is considerable noise from cars people and taxis well after the 1pm limit on the sale of alcohol and music causing very significant disturbance to residents not only in the immediate vicinity but also in neighbouring streets as customers go back to cars/taxis or walk home This premise was originally opened as a day time cafe and prior to that had been a restaurant This application for late music is not appropriate for such an area due to the negative impact on people living nearby John Rylance Local resident

Dear Sir/Madam

I am writing to object to the licence application for [418 Lounge on Ecclesall Road](#).

I object to the late license on the grounds of the prevention of public nuisance; Ecclesall Road has become an extension of the week-end night life of the city centre.

The area is a residential area with many young families and older residents. Lounge 418 is surrounded by housing and it would not be acceptable to extend the license to a late night one.

I need to register my objection to the above application

There are already plenty of bars with licences to close at different late times - there is not an unsatisfied demand for more. The roads near to the above address are residential - incompatible with a bar closing at 1:30 and thus potentially making noise till as customers leave by foot, or hailing taxis. If this is granted there will be further applications and damage to a residential area.

There are plenty of late bars locally, we don't need more or to promote Ecclesall Road further as a party road

Type of Premises: Bar/lounge
Ward: Broomhill and Sharrow Vale

Type of app: Application for Premises Licence
Application Details: Opening hours Mon-Sun 08:00-01:30.

Alcohol On Mon-Sun 12:00-01:00
Date Received 30 July 2021

I strongly object to the terms of the licence application for the above premises. This business is situated in a well established residential area and we are already under considerable pressure from the number of bars, pubs, restaurants and "lounges". Our community is content to cope with some of the less pleasant results of the concentration of premises selling alcohol because of the existing embargo on late opening of any of these premises - an embargo which has been upheld by government inspectors.

The application seeks late openings until 1.30 am and 3am. If these terms are granted, it will set a precedent which will create a loophole for any of the other bars along this stretch of Ecclesall Road.

As a community we wish to stand together to protect our right to live in a decent environment, where families with children can rest after long days of work.

Best wishes

Dr. Lien Le Monkhouse

I which to object to this license application.

I object on the grounds of public nuisance. This premises has residential homes behind it and across the road from it. Allowing it to have a licence until 1am, will cause a great deal of noise and disturbance around the area from the music and the off-sales. The people who are likely to be buying the off- sales are those coming from other venues where they have been drinking. We suffer from the noise of as people walk home, we do not need this added to. The usual time for closures in our area is 23.30pm.

There is a large terrace outside this establishment. What guarantees can be put in place to ensure that the noise etc is kept indoors? Most other establishments in the area are supposed to stop using the outside at 9.30pm. However this is rarely enforced and the nature of the buildings and streets around means noise travels easily in the evening and disturbs us. This is not acceptable later in the evening.

Therefore I urge the Licensing Authority to limit the Music licence to 23.00 with restrictions on how this should be kept indoors and the alcohol license remain at 23.00 every evening

Subject: Ibramis Ltd application for 418 Lounge, 418 Eccleshall Road, S11 8PJ

Dear Sir or Madam,

i refer to the application by Ibrahimis Ltd in relation to 418 Eccleshall Road S11 8PJ. We wish to object to the application on the basis that the operating hours requested, namely a closing time of 1:30 a.m. throughout the week, with alcohol being served until 1:00 a.m. are anti-social and not compatible with the substantially residential nature of the surrounding area. We fear that were this application to be granted, customers who would have been drinking for several hours would be spilling out into the neighbourhood and creating various kinds of nuisance for local residents.

Moreover, there are already around 16 existing pubs, bars and lounges serving alcohol in the kilometer or so on Eccleshall Road from The Sheaf Island to Hunters Bar. Should this application be allowed, we fear also that many of these other businesses would seek to match the extended operating hours which are being sought for the 418 Lounge by Ibrahimis Ltd., making this area a destination for late drinking. It is our view that this kind of establishment is suited only to a city centre location which are largely non-residential.

We trust that you will take our views into account when considering this application.

Subject: Application for premises licence - 418 Lounge

Dear sir or madam

We are writing to object to the application for a premises licence at 418 Lounge at 418 Ecclesall Road, Sheffield.

There are a number of reasons for our objection as follows:

1. The premises are located in close proximity to a number of residential streets and properties, in particular Thompson Road, Khartoum Road and Southgrove Road as well as residential properties on Ecclesall Road itself. With a licence application until 1am every day there is considerable potential for disturbance for local residents. This could include noise from the premises itself, it's outside space and noise, possible anti social behaviour and littering from people leaving the premises at late hours. This has been a problem in local streets from other premises with late licences.
2. Other licenced premises on Ecclesall Road have to close at earlier times, mostly 11 am in the week. It should be queried why these premises should have a later licence. Not only will this provide unfair competition to existing businesses it could also lead to pressure for others to apply for later licences meaning this application becomes the thin end of a worrying wedge.
3. The premises has no parking and therefore will create additional pressure for parking on already pressurised surrounding residential streets. This is unfair on local residents and could lead to disputes between late night drinkers and local residents with the potential for conflict and disturbances.

Dear Licensing Committee

I understand that an application for a late night music and alcoholic licence has been applied for.

I wish to formally object to the the proposed change of premises use and hours of business.

The previous use of 418 was a cafe. next to another cafe across the street
The Ale Club operates an ordered house with licensing hours ending at 11pm
This area of Ecclesall Road is a residential inner city area that is home to young families older residents , young professionals and students.
This new venture for 418 is welcome but not for the licence hours applied for.

I believe this licence should not be granted on the grounds :
The local community will suffer if this licence is granted.

This comes under the
"The prevention of public nuisance."

This residential area is turning into a place to party . Noise and taxi traffic follows late night establishments .

Please in your deliberations consider reducing the extended late night licence applied for.
Thanks for your understanding and consideration.

Good afternoon,

I wish to strongly object to the licensing application for the property currently known as 418 Lounge at 418 Ecclesall Road S11 8PJ, also formerly known as Yankees (and also called Yankees in the Planning Application that has been made).

There is no need for a late-night drinking establishment on the boundary of my road in a residential area. It will cause untold and increased anti-social behaviour issues in the neighbouring streets, and noise disturbance to the properties nearby. I can see this property from the front of my house and the noise from the vicinity carries up the street.

Whilst some immediate neighbours may not complain (being HMO properties with changing tenants, as a permanent and local resident my young family and I do not wish to have our lives blighted unnecessarily into the early hours of the morning. Other drinking establishments in the area have limited licensed hours for this reason and if anything the restrictions for properties in this location should be reduced due to their closer proximity to residential properties.

We already suffer with noise and litter pollution as a result of people returning from nights out, locally and from the city centre and this will only attract more of the same.

I would like to suggest that if any licence were to be issued, that it would be done in line with existing licences, i.e no serving after 11pm and premises to be closed shortly after. In addition the playing of recorded music should be restricted and the property fully soundproofed with any windows etc also soundproofed and to remain closed.

For the outside area (pergola), there should be no drinking after 9pm and no recorded music played at all. I do not want a premises there at all, it worked fine as a restaurant but in my view a bar is a completely different proposition that will detract from the area.

There are no other drinking establishments on this side of Ecclesall Road for quite a distance and this should remain the case.

Later at night noise from Ecclesall Road carries throughout our neighbourhood, we can even hear the beeping of the Pedestrian Crossing that is the other side of Thompson Road. Voices will carry as well as the noise from the door to the premises opening and closing. I am acutely aware of my family being woken by the resulting noise and behaviour that would arise from this proposal.

Kind regards,

I wish to object to the licensing hours applied for by the above premises known as Lounge 418 by the owners Ibrahimis Ltd.

The specific points I object to are:

Opening hours Mon-Sun 08:00-01:30.

Ent Similar (indoors), Rec Music (indoors) Mon-Sun 08:00-01:00.

Alcohol On Mon-Sun 12:00-01:00

The property at 418 Ecclesall Rd is actually on the corner of Ecclesall Rd and Thompson Rd. This places the establishment approximately 10m from the nearest residential property in Thompson Rd, Khartoum Rd is 80m away and the properties on Walton Rd are 200m away.

Residents in these streets already experience the public nuisance of noise and litter as people return to their homes after nights out in the city centre and in the establishments along Ecclesall Rd. In general on Ecclesall Road pubs and bars are mainly restricted to 2330, to have another establishment in our area with alcohol serving hours until 0100 and closing at 0130 would bring unacceptable levels of street noise as customers leave the building.

I urge the Licensing Authority to reject this and any application to allow alcohol sales in the Ecclesall Road after 2330.

Subject: RE: Premise licence application-Lounge 418 Ecclesall Road

This emailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by email.

Hello Saeed,

I have the following representation to make with regards to Public Nuisance for the application for a Premises Licence for the above premises. The proposal is in close proximity to residential accommodation I therefore have concerns about the enhanced potential for licensed activity, amplified sound breaking out of the premises and transmitting through the structure and noise from people outside the premises to give rise to complaints relating to public nuisance.

I have seen your agreement with Lucy from the Police licensing team about the outside area. I will also be commenting on your planning application - 21/03618/FUL for a change of use to a bar. There is currently a restriction on the use of the front terrace under planning to 20:00hrs. I would also comment that while it would make sense to close the bifold doors to the front in the later evening the entrance door/ exit has no acoustic lobby. This will severely restrict the buildings ability to retain sound, and I would advise that the introduction of a lobby to the main entrance on the corner is considered to minimise the breakout of music from the venue.

To assist in the Prevention of Public Nuisance I would recommend the below condition or similar are attached to the premises licence:

- No amplified sound shall be played within the building except through an in-house amplified sound system fitted with a sound limiter, the design and settings of which shall have received the prior written approval of the EPS.
- No loudspeakers shall be fixed externally nor directed to broadcast sound outside the building at any time.
- Any outside seating area shall only be used by customers for food and drink between 09:00-21:00hrs on any day of the week.
- The external rear doors into the rear seating area shall remain closed while amplified sound is present in the building.
- The bi-fold doors to the front shall be closed from 21:00hrs on any day of the week.
- Before the premises licence comes into effect, a scheme of sound attenuation works shall have been installed and thereafter retained. Such a scheme of works shall:
 - a) Be based on the findings of an approved noise survey of the application site, including an approved method statement for the noise survey.
 - b) Be capable of restricting noise breakout from the commercial use to the street to levels not exceeding the prevailing ambient noise level when measured at 1m from the façade of the nearest residential property when measured:
 - (i) as a 15 minute LAeq, and;

- (ii) at any one third octave band centre frequency as a 15 minute LZeq.
- c) Be capable of restricting noise breakout, including amplified sound, and transmission from the premises to all adjoining residential accommodation to levels complying with the following:
 - (i) Bedrooms: Noise Rating Curve NR25 (2300 to 0700 hours);
 - (ii) Living Rooms & Bedrooms: Noise Rating Curve NR30 (0700 to 2300 hours);
 - (iii) Other Habitable Rooms: Noise Rating Curve NR35 (0700 to 2300 hours);
 - (iv) Bedrooms: LAFmax 45dB (2300 to 0700 hours).

Before such scheme of works is installed full details thereof shall first have been submitted to and approved in writing by the Environmental Protection Service.

[Noise Rating Curves should be measured as an LZeq at octave band centre frequencies 31.5 Hz to 8 kHz.]

If you are happy to accept the above conditions please reply back with your agreement and copy in all parties. Alternatively if you wish to discuss the matter further, or wish to recommend alternative wording to achieve the same please reply to this email.
