

# SHEFFIELD CITY COUNCIL

## DECISION RECORD

The following decision was taken on Tuesday 28 November 2023 by the South Local Area Committee.

- 5.1 The Committee considered a report of the Community Services Manager that advised that each Local Area Committee has a budget for 2023-24 to address local priorities as outlined in its Community Plan. The report agreed expenditure with regards to the £750 remaining underspend carried forward from 2022-23, provided an update on further expenditure (under the LAC's delegated powers), and outlined additional proposals for expenditure (over £5,001), in line with priorities in the South LAC Community Plan
- 5.2 £10,000 was proposed to support the "Revitalising Jordanthorpe" project, which was led by Meadowhead Christian Fellowship as a submission to the Economic Recovery Fund Round 2. In September 2023 the group were made aware that their bid for £190,000 of funding was not successful. The £10,000 will enable some elements of the project to still be delivered, this could include public realm improvements, such as benching, hanging baskets and street art. The full details of the project will be worked up in agreement with the group.
- 5.4 **RESOLVED:** That the South Local Area Committee:
- Notes the further expenditure under the £5,000 delegated authority limit.
  - Notes the allocation of the £750 remaining underspend from 2022-23
  - Agrees the further proposed project expenditure over £5,001 this being the £10,000 to support the "Revitalising Jordanthorpe" project.
- 5.5 **Reasons for Decision**  
The South LAC is asked to note the use of funding under its delegated powers and agree the further expenditure outlined in the report, which will help to address local priorities within the

South LAC Community Plan.

5.6 **Alternatives Considered and Rejected**

The LAC could choose not to allocate budgets at this stage and through its delegated authority, but in relation to the cost-of-living related projects, this would delay support getting to communities.
