ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its Policy Committees, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

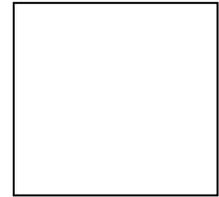

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from David Hollis, General Counsel by emailing david.hollis@sheffield.gov.uk.

Dear Sirs

I am writing to express my deep concern about this application. There's absolutely no need for it and will have a negative impact on our local community. I already object to be honest about the vape sales from this place, we know vape sales target children. Who needs 24 hour access for alcohol? Those with addiction issues or late night party goers...of which this is not the solution. We don't need to encourage it further and alcohol is already available up to 11 ish from several nearby places, there's no shortage.

Please do not grant this licence.

Yours sincerely

I am writing to register my objection to the application for a 24 hour premises licence at 418 Store, Ecclesall Road. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Granting such a licence would provide a further source of alcohol and food within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local community.

Residents in this area already suffer noise nuisance and antisocial behaviour especially at night. We already suffer litter and bottles strewn in our gardens and there is no need to compound this further by allowing this premise to open for 24 hours.

In view of the above, I would urge the Licensing Authority to refuse the application.

Dear Sir/Madam,

I have been alerted to an open licensing application (215723) for the above premises by our local Botanical Area Community Association, although it appears that the application was lodged in May 2023? The application is for 24 hour alcohol sales. Given that local pubs and associated hospitality venues are generally restricted to closing at 12/12.30 at the latest, I would like to object to the above application, as a local resident. We already suffer noise disturbance from student parties and this would offer party goers an opportunity to replenish their alcohol supplies right through the night. Customers would only buy alcohol in the middle of the night if they are aiming to consume it fairly immediately? We would also be concerned about the noise created by people entering or leaving the shop, and any associated problems with litter or drinking on the street.

Many thanks
I Jerams

I understand that there is an open application to increase the opening hours to sell alcohol to 24 hours per day, 7 days per week.
I would like to express my objections to this application.

Ecclesall Rd is a combination of residential property and commercial property. It is not and never has been a 24 hour area and, if this licence extension is approved, will give precedence to any other business to follow. At the moment the limit is set to 11.30pm closing and, as an Ecclesall Rd resident, this provides a good balance between commercial and residential needs.

The exception to this is the Lost and Found which has 'private venue' status and regularly causes noise disturbances and increase in the amount of alcohol related litter including broken glass and vomit. If the extended hours are allowed, I assume this licence would remain with the premises, as it has with the L and F, which would provide any future owners to use it how they liked. A very worrying thought for residents in this area.

As we live next to four student houses we face regular noise disturbance from their parties but at least they are limited to how much alcohol they can buy in the middle of the night. We have lived on Ecclesall Rd for 14 years and have enjoyed the buzz and atmosphere but there has been a noticeable increase in the amount of hospitality businesses opening and closing soon after leaving 20+ empty units. We are at saturation point with alcohol venues.

Residents are increasingly concerned at the lack of consideration for their welfare. It is not all HMO's and students.

Hello

I want to object most strongly to the application by the business below for 24 hour alcohol sales

From a noise perspective this is a residential area, but the main danger is increased antisocial behaviour and then the precedent it sets for others to apply and the problem to snowball. You only have to look at West Street to see how that has become established as a place for street drinking and begging – this is more or less under control on Ecclesall Road but not if you start allowing similar retail down here. Turn it down please!

I am writing to object to the application for a 24 hour opening of the 418 Shop on Ecclesall Road.

Ecclesall Road is saturated with establishments selling alcohol. It doesn't need anymore, especially one that never stops selling it. People seem to be forgetting that there are residents above most shops and residential streets all around. This is a mixed community of students, professionals, young families and elderly people. Who benefits from this? Booze is cheap enough and freely available until the early hours up and down Ecclesall Road and Sharrowvale Road. As a resident of more than 30 years I can guarantee this type of shop is not necessary. I've seen enough come and go over the years. Please think very carefully when you make this decision. Ask yourselves, will the selling of MORE alcohol and the potential behaviour, littering, noise that may follow benefit this community?

Dear Sirs,

I am writing to object to the proposed 24-hour off-sales licence at 418 Ecclesall Road.

You will be aware that planning inspectors have ruled that none of the bars and restaurants on this stretch of Ecclesall Road may open after 11.30pm because the residential nature of the surrounding properties. I believe that should be a factor when considering this licence application.

The application for this licence is clearly designed to attract after hours drinkers who will arrive with only one thing in mind – to top up their intake . The result will undoubtedly lead to public nuisance, and the more successful the business is, in attracting this sort of clientele, the greater that nuisance would become. Indeed I would be concerned about the safety of staff working through the night. We already suffer from noise nuisance and anti-social behaviour at weekends and this would compound that and would probably make it problem every night.

I feel sorry for the applicants as they have clearly invested a great deal in a business which is failing and this licence is, I would suggest, their attempt to keep it going – as is the addition of a greengrocery display at the front of the existing premises.

However, late licences are not justified simply as a means of saving a business. I would suggest you should refuse this application.

Dear Sirs,

I would like to object in the strongest possible terms to the requested licence application for a 24 h premises licence at the 418 store in Ecclesall road.

Ecclesall road and the surrounding areas, botanical garden and sharrow vale are already suffering from crime, disorder and antisocial crime.

Granting a licence for a 24 h opening in this area will only fuel more drunkenness more noise, more crime and generally more antisocial behaviour.

A shop opening 24 h will not help the community whatsoever, and there is a real danger that it could become also a meeting point for deliveroo and similar to deliver booze out of hours to our neighbourhood. I therefore say NO, NO, NO!

In this part of sheffield we, the residents, are frankly fed up with antisocial behaviour. A shop like this can only promote more noise and more antisocial behaviour.

In view of the above i would urge the Licence authority to refuse this application.

I would like to register an objection to the proposed 24 hour license for the 418 store on Ecclesall Road. Currently, the area is already quite loud at night, and a 24 hour license will further disrupt the neighbourhood. There are a lot of families living in the area, and it is important to keep Ecclesall Road a diverse street with mixed residence, shops and restaurants. I have no objection to a normal late night license, but 24 hours really invites people from all over town, as well as delivery vehicles, creating noise and pollution.
