Work Programme

1. Work Programme

1.1. The work programme is based on the Committee's previous discussions and discussions with the Chair of the Committee:

Meeting	Item	Brief Summary
18th February 2014	Libraries Review	To scrutinise proposals in advance of the Cabinet meeting on 19 th February.
9th April 2014	Streets Ahead	The July meeting of the Committee requested an update on progress on Streets Ahead. This item could take more of a performance management approach.
	City Centre Vibrancy	A walkabout to be set up in advance that can then inform a discussion at the meeting. To include scrutiny of relevant performance information.
	Work Programme	To comment on and agree the work programme

1.2. There are three further items, including some where officers need to report back with updates: Climate Change Adaptation; Rural Broadband; and Modernisation of Cabinet Highways Committee. It is not anticipated all updates will require a major discussion at Scrutiny.
