---

NHS England and NHS Sheffield CCG formally requested that local authorities in the 'Commissioners Working Together' programme area establish a Joint Health Overview and Scrutiny Committee to consider proposed substantial variations to local health services. Council agreed on 4<sup>th</sup> March 2016 to participate in this. There is limited information to report at this point, the detail of the service changes are anticipated for presentation at the next meeting on 8<sup>th</sup> August 2016. No papers are attached to this briefing, the papers for the first meeting held on 23<sup>rd</sup> May can be found [here](#) .
