Copies of the representations are attached at Appendix 'B'

4.2 The objections refer to issues contained in section 2.8 of our street trading policy when determining the application, and Members are referred to in particular section 2.8.2:

Traders (a) & (b)

4.3 Members should consider all the information provided by the applicant both in their written application and in person at the hearing.

5.2 Fees for static consents are determined at the grant of the application therefore there are no financial implications arising from this report.

## **6.0 RECOMMENDATIONS**

6.1 That Members consider all the relevant information available, any representations that may be made and our policy.

## **7.0 OPTIONS OPEN TO THE COMMITTEE**

To whom it may concern,

I am writing to you regarding an application I have seen submitted on the Job lot Car Park, Sheffield, S5 for a meat van to stand on Fridays.

For the local community I feel this will be detrimental to the area. A meat van previously stood there 'Dougies Meats' and sold contaminated meat. I know that Dougie set up in several different names and under friends and family to try and continue selling his out of date contaminated meats. I am not saying for definite that there is a connection between this meat van and Dougie however I wouldn't be surprised if there was. If there is no connection putting another meat van were a previous one stood I think will have a negative impact on the area because of the bad reputation left behind by Dougies meats. People will not want to use the meat van and to be honest it looks unsightly.

Another meat van is stood outside Fabulous Flooring, I have tried this meat and it is very nice and good value for money. I feel extremely sorry for this new meat man he has suffered severely because of the bad reputation left behind by Dougies Meats, he has just got going and built up his cliental and now another meat van wants to come and stand just yards away and try to ruin this for him. Putting another meat van on could ruin his business he has built up here and this I feel is totally unfair.

If the application is approved I will certainly not be using the new meat van for fear of contaminated meats and also for the fact that the only reason they want to come on is to stand close to someone else's patch that they have worked hard to build up just to ruin their business.

Not only that the new meat van is from Stoke on Trent, I want to support our local businesses in Sheffield like the meat van stood at the side of Fabulous Flooring.

Kind Regards

To whom it may concern,

I have seen that an application has been submitted for a meat van to stand on Job Lot car park. I strongly feel that

this will have a negative effect on the area due to the previous meat van

getting fined for selling contaminated meat. I know that there is another meat van that

stands outside Fabulous Flooring only a few yards from Job Lot, and I have had meat off

him for several weeks, and it has been lovely. Putting another meat van so close that

could possibly have a connection to Dougie's meats I feel will have a negative impact on

the area. We have got rid off one contaminated meat van, we don't want

another!

Dear Sir / Madam

My name is Craig Wood and I own Calvert Meats, a family run company retailing fresh meat to the public from specially adapted vans.

I recently applied for a license to trade outside Fabulous Floorings, on Barnsley Road Sheffield, two days a week Tuesday and Friday.

After I had submitted my application I found out Wayne Walker the butchers had also applied for a license after me to stand on Friday at the Job Lot car park approximately 100 yards from my vehicle. I feel I must protest wholeheartedly at the acceptance of his application. He has already driven me off a council market at Stavely which we were helping to build up. He stood at the Job Lot car park less than 200 yards away.

I realise that Stavely is not in your jurisdiction and you cannot deny an application on ground of competition so I would ask you to consider these points.

Calvert Meats are a small family run local company based in Sheffield, Wayne Walker is from Stoke on Trent.

Calvert Meats employs local people, whereas Wayne Walker brings his staff from Staffordshire.

Calvert Meats buys all our stock from local suppliers i.e. Holden Meats, Gledstones and Hadfields, all Sheffield based. Wayne Walker brings his stock from his warehouse based in Burslam Stoke on Trent.

Calvert Meats prides ourselves in reinvesting in the local economy, Wayne Walker takes all the money he makes back to Stoke.

There is a poster in your premises saying the licensing team will help local businesses to grow and expand, also in your street trading policy document it states on page five section 1.2.7 *Your aim is to work with local businesses to set up and be part of the growth of the local economy.*

Also in the same document under suitability of applicants page fifteen heading Number of street traders, *Consents may not be issued where it is considered that sufficient traders already exist in that locality.*

We would offer that seeing as Wayne Walker will be approximately 100 yards away that he also contravenes that requirement. We have stood outside Fabulous Floorings on a special dispensation from yourselves on Sundays and have built up a strong and loyal following. We also pay for five site fees each quarter around Sheffield.

At this point we stand a real risk of closing our business if Wayne Walker continues in a pursuit of our new and established sites. We ask that licensing take into account all of the points we have raised in deciding whether to allow his application.

We also understand that Wayne Walker has applied to stand at Drakehouse Shopping Centre, we feel that the larger size of his vehicles i.e. 7-10 ton lorries is more suited to that kind of location and not the residential suburbs.

We thank you for your time.

Dear Sir / Madam

My name is Craig Wood and I own Calvert Meats, a family run company retailing fresh meat to the public from specially adapted vans.

I recently applied for a license to trade outside Fabulous Floorings, on Barnsley Road Sheffield, two days a week Tuesday and Friday.

After I had submitted my application I found out Wayne Walker the butchers had also applied for a license after me to stand on Friday at the Job Lot car park approximately 100 yards from my vehicle. I feel I must protest wholeheartedly at the acceptance of his application. He has already driven me off a council market at Stavely which we were helping to build up. He stood at the Job Lot car park less than 200 yards away.

I realise that Stavely is not in your jurisdiction and you cannot deny an application on ground of competition so I would ask you to consider these points.

Calvert Meats are a small family run local company based in Sheffield, Wayne Walker is from Stoke on Trent.

Calvert Meats employs local people, whereas Wayne Walker brings his staff from Staffordshire.

Calvert Meats buys all our stock from local suppliers i.e. Holden Meats, Gledstones and Hadfields, all Sheffield based. Wayne Walker brings his stock from his warehouse based in Burslam Stoke on Trent.

Calvert Meats prides ourselves in reinvesting in the local economy, Wayne Walker takes all the money he makes back to Stoke.

**Stop Another Meat Van Standing at Job Lot!**

An application has been submitted to the council for another meat Van to stand outside Job Lot. I strongly feel this will have a negative impact on the area due to the meat van that stood there previously been found guilty of selling contaminated meats. I think another meat van in the same spot will have a detrimental effect on local businesses. Please sign if you agree:
