Dear Sir / Madam,

**Re: Licensing Review – Shop Local, Abbeydale Road**

Please find attached papers which South Yorkshire Police will rely upon at a Licensing Review at the Town Hall, Sheffield in relation to the above named premises.

I have an additional two statements in my possession from a 17 year old and his father. I have not submitted these within the papers due to them being of a sensitive nature. I have previously experienced a young person being identified from a statement I submitted, despite all his personal details being removed. This caused great distress to him and his parents due to parts of his statement being printed in the local media. Therefore to safeguard this young person I request these statements are brought to the Review hearing and read in closed session.

The papers have also been served upon all Responsible Authorities and the Premise Licence Holders.

Yours Sincerely

Cheryl Topham

**Please state the ground(s) for the review (please read guidance note 1)**

The grounds for this review are based on the following aspects of the 2003 Licensing Act objectives:-

Public Safety  
Protection of Children from Harm

Shop Local (previously Premier Express) 166 Abbeydale Road, Sheffield, S7 1FH was originally granted a Premises License No SY 2086 PR on 21<sup>st</sup> October 2011. Mr Bhatti became the Premises License Holder and Designated Premise Supervisor on 10<sup>th</sup> April 2014. However, Mr Bhatti was working at the premises before the license was transferred. We know this as Mr Bhatti and his wife were present at the shop on visits made to the premises before 10<sup>th</sup> April 2014.

Since the license was granted 5 years ago this shop has been a cause for concern for South Yorkshire Police in relation to underage sales of alcohol. The concern has been raised through failed Test Purchase Operations and reports from members of the public stating they are selling alcohol to young people. The results of the Test Purchase Operations are contained within this report. They have been tested a total of 13 times resulting in 6 failures and 8 passes. However, until now we have not had the evidence to take action in the form of a Review.

The test purchase operations are conducted to provide a positive response and action following complaints from the public or observations by police staff that many instances of anti-social behaviour involve young people under the age of 18 years, who have acquired alcohol and/or under the influence of alcohol.

The issue of child safety is raised, in that alcohol acquired by young people illegally can be passed to even younger children and over indulged by all, thereby causing serious concern for health and safety. This is evidenced in the report and also in a statement given by a young person who was hospitalised after drinking a large quantity of alcohol purchased at the premises.

There is also an issue with the CCTV condition being breached. There have been three occasions over the past 3 years whereby on a license check there has been a fault with the CCTV. In my opinion, Mr Bhatti does not promote the Licensing Objectives.

AG

Test Purchase, Intervention, Intelligence and incidents at the premises:-

1. Between July 2012 – April 2014 there were two failed Test Purchase Operations, two reports of underage sales by members of the public, two visits to the shop by South Yorkshire Police Licensing Officers and/or Julie Hague (Sheffield Safeguarding Children Board) and one pass from a Test Purchase Operation.

**WITNESS STATEMENT OF**

**Cheryl Topham**

---

I am the Licensing Enforcement Officer, employed by South Yorkshire Police currently based at Force Headquarters, Carbrook, Sheffield. I have been in my current role as Licensing Enforcement Officer for South Yorkshire Police for approximately 15 months. Due to the many reports of underage drinking and finally a 17 year old being hospitalised due to drinking alcohol purchased from the shop it has been necessary for South Yorkshire Police to submit an application to Review the Premises License. The premises has had a license since 21<sup>st</sup> October 2011 and Mr Bhatti became Premises License Holder and Designated Premises Supervisor on 10<sup>th</sup> April 2014. However, I am aware Mr Bhatti worked at the shop previously as he and his wife were present on visits made by South Yorkshire Police. This statement records all their Test Purchasing, Intervention and Reports of Underage Sales. This review of the license has been prompted after a young person was hospitalised after drinking an excessive amount of alcohol purchased at the premises. There has also been many other reports of underage sales over the years, a history of failed Test

Purchases and on three occasions SYP have found issues with the working of the CCTV.

- 1 Between October 2011 – April 2014 there were two failed Test Purchase Operations, two reports of underage sales by members of the public, two visits to the premises by SYP Licensing Officer and/or Julie Hague from Sheffield Safeguarding Children Board and there was one passed TP Operation. This was before Mr Bhatti was Premise License Holder and Designated Premises Supervisor but was working there. Mr Bhatti was also the seller of the alcohol on one of the failures.
- 2 On Friday 23<sup>rd</sup> May 2014 at 1725 the premises failed a Test Purchase Operation. Two volunteers, aged 15 and 17 years purchased four cans of Carling Lager. The staff member who sold on this occasion was Mrs Bhatti, wife of the PLH/DPS. She was issued with a Fixed Penalty Notice and a letter to go on a training course which would then waiver the FPN.
- 3 On Wednesday 8<sup>th</sup> October 2014 at 1800 the premises failed a Test Purchase Operation. The 17 year old male volunteer was sold 4x500ml cans Stella Artois Lager. ID was not asked for by the seller who on this occasion was Mr Bhatti. He was issued with a Fixed Penalty Notice and he too was given the option of going on the training course to waiver the ticket.
- 4 On 11<sup>th</sup> February 2015 the premises passed a Test Purchase Operation.
- 5 On 27<sup>th</sup> May 2015 the premises passed a Test Purchase Operation.
- 6 On Monday 17<sup>th</sup> August 2015 at 1900 the premises failed a Test Purchase Operation. The underage female volunteer purchased four cans of lager. The

person who sold on this occasion was Ahmad Shahzad. He was issued with a Fixed Penalty Notice.

- 7 On 18<sup>th</sup> August 2015 Andrea Marsden from SYP Licensing team attended the premises and spoke with the PLH/DPS Mr Bhatti. The purpose of this visit was to discuss the failed Test Purchase which had taken place the night before. Mr Bhatti informed her that he is generally the sole member of staff but his friend was working in the shop that evening as he had to go and collect a family member from the airport. The Challenge 25 scheme was discussed and also a South Yorkshire Police information pack was given to Mr Bhatti. The pack includes information from Trading Standards, Safeguarding and SYP, including a refusals log and challenge 21 posters. Andrea also discussed the implications of another failure within a three month period and that this would trigger a voluntary closure notice. Information about this was also in the information pack for Mr Bhatti to read at his leisure.
- 8 On 20<sup>th</sup> September 2015 the premises passed a Test Purchase Operation.
- 9 On 1<sup>st</sup> November 2015 South Yorkshire Police received a report from a concerned parent who's 15 year old daughter had been to the shop on two occasions she knew about and purchased vodka from the shop. The caller knew the staff should do 'challenge 25' and said her daughter looked nowhere near that age. She stated that her daughter bought vodka from the shop in the summer but believed it was an isolated incident. She was angry and punished her daughter. The night before she called the police caller went in her daughters handbag and found a bottle of vodka which her daughter confessed to buying at Shop Local and that a few of her friends had also bought from that shop. The caller firmly believes the staff at the shop are knowingly selling to underage. This information

was passed to Police Officers to visit the shop on their next Test Purchase Operation

- 10 On 19<sup>th</sup> November 2015 SYP received a further complaint from the person who called on 1<sup>st</sup> November. She stated there is still a problem and knows that two 15 year old females attended and bought a litre bottle of vodka the night before. She states word must be spreading about this shop selling to young people as these two females are from the Handsworth area so travel a fair distance to this shop.
- 11 On 26<sup>th</sup> November 2015 the premises passed a Test Purchase Operation.
- 12 On 19<sup>th</sup> December 2015 a complaint was received via Sheffield City Council from a father whose 15 year old son had purchased a bottle of vodka along with his 14 year old friend who also purchased the same. His son also said his school friends from Birkdale School have also been served at Shop Local.
- 13 On 11<sup>th</sup> January 2016 I visited the premises along with Julie Hague (Sheffield Safeguarding Children Board) to speak to Mr Bhatti about the recent information I had received regarding underage sales and we also looked at his history of TP results. Since Mr Bhatti took over the running of the shop in April 2014 he has a 50% pass rate, he has failed three but also passed three. Mr Bhatti insisted that the person who reported him is someone in the community who he is having problems with and that it is malicious. I explained I did not think this was the case and that it was a genuine parent with a genuine concern and that there was a previous complaint from a different parent back in November 2015. I saw that he only had one challenge 25 poster placed just above his counter. There were no posters around the alcohol displays. I supplied more posters to him and checked his understanding of the age verification policy. I also gave him a refusals log to complete when he refuses sales as he didn't have one. I also advised it would be

beneficial for him to attend the free 'Safeguarding in Licensed Premises' training which is offered by Julie Hague. Julie stated she would forward him the details of the next training course. Mr Bhatti does have CCTV but it only retains images for 15 days not 31 days as the condition on the license stipulates. He stated he would call an engineer out to sort the CCTV system. I advised that at this time we do not have times/dates these young people have been in the shop but if we receive further complaints then we will pursue the complaints to find out this information and we will be going back to view the CCTV to support any further action we take.

14 On 22<sup>nd</sup> January 2016 an anonymous call was received from a member of the public to SYP reporting staff at Shop Local selling alcohol and cigarettes to children. The caller has witnessed this on many occasions. He said it's an Asian male who serves, never asks for ID and says the kids he serves are quite clearly underage.

15 On 24<sup>th</sup> February 2016 the premises passed the Test Purchase Operation.

16 On 23<sup>rd</sup> June 2016 SYP received a complaint from a mother who said her daughter who is 16 years old, had a group of friends staying over the night before after their school prom. All the girls are 15/16 years old. That morning she has found vodka and cider in her conservatory which the girls admitted to sneaking out of the house at nearly midnight to buy the alcohol. One of the girls even went out in her pyjamas. They have told the caller they bought it from Shop Local on Abbeydale Road, corner of Chippinghouse Road.

17 On 28<sup>th</sup> June 2016 a PCSO was passed information from the Head of year 8 at Newfield School. During a recent school trip two students, one aged 13 years, had been found with alcohol. They told the teacher they had purchased it from Shop Local. They go there as they can always get served regardless of their age.

- 18 On 5<sup>th</sup> July 2016 a complaint was received at SYP via Trading standards of underage sales to girls aged 14/15 years old. Greg Ward of Trading Standards attended the premises to deliver a letter of warning to Mr Bhatti but found the premises closed. A sign on the door stated the shop was closed for EID Celebrations and wouldn't reopen until 13<sup>th</sup> July.
- 19 On 13<sup>th</sup> July 2016 at 1215 myself and Julie Hague attended the shop to speak to Mr Bhatti yet again about the complaints regarding underage children buying alcohol from his shop. There was a female working behind the counter who said Mr Bhatti was in his flat above the shop and she would phone him. We waited approximately 10 minutes and he never arrived. We asked her again so she went out of the shop and returned a couple of minutes later telling us that Mr Bhatti had said we were to go to his flat to speak to him. She showed us the entrance which is at the side of the shop on Chippinghouse Road. We entered and up a narrow staircase. Mr Bhatti didn't greet us so I shouted his name. He said "Come in, I'm in here". I looked in all the rooms and finally found him in the room at the end of the landing. Julie Hague was behind me and so I opened the door, only to discover Mr Bhatti in bed and saying we were to go in to talk to him. I immediately closed the door and told Mr Bhatti this was not appropriate and we would go back downstairs to the shop where we would wait for him. We stood in the shop and waited for approx another 20 minutes for him to come down to speak to us. Mr Bhatti and his female member of staff confirmed they still were not completing a refusals log. He said that the last refusals log I had given him was full and as he didn't have another one so had stopped completing. I explained that the sheet I gave him was a template and he could use any notebook to record his refusals as long as he was capturing all the correct information. Julie Hague also offered him a place on the Safeguarding in Licensed Premises course which was on 12<sup>th</sup> October. This training was also offered on our last visit in January 2016 but no

one attended. While we were at the shop waiting for Mr Bhatti to come down to speak to us I carefully watched the comings and goings of a variety of customers at the shop. There was at least two male customers who came in, stood at the counter, seemed to whisper to the female shop assistant and then left without purchasing anything. There was also two young males who came in who were approx 13/14 years old. I thought it unusual as they should be at school. They came in too, spoke to the shop assistant and left. These people all raised my suspicions and I was left wondering what they had come in the shop for as none of them made a purchase.

20 On 2<sup>nd</sup> August 2016 the premises passed the Test Purchase Operation.

21 On 5<sup>th</sup> September 2016, South Yorkshire Police received information from a Test Purchase Volunteer that this shop is selling to underage people.

22 On 27<sup>th</sup> September 2016, SYP received a report from a female stating she has seen underage children buying cigarettes and alcohol from Shop Local. Her 15 year old son has also admitted to buying cigarettes from there recently and had heard from other people that this is a regular occurrence. The complainant was asked to call Trading Standards with this information too. This information was passed to Local Police Team and Licensing for the next Test Purchasing.

23 On 10<sup>th</sup> October 2016, SYP received an anonymous report stating that the staff at Shop Local are selling alcohol to underage people. On Saturday 8<sup>th</sup> October she states she spoke to 3 youths stood outside the shop who were drinking vodka and cider. The youths were all 16 years old and said they had been served inside the shop. She states she stopped and spoke to them as she knew the teenagers and that they were going to a party. This information was passed to Licensing

and also the local PCSO to make them aware to pay passing attention to the shop when on patrol.

- 24 On 1<sup>st</sup> November 2016, the premises passed a Test Purchase Operation.
- 25 On 10<sup>th</sup> November 2016, SYP and Sheffield City Council received a report from a concerned father who's 17 year old son had bought 4 bottles of wine from this premises on Bonfire Night. He states the member of staff at the shop never questioned the sale, didn't ask for ID and has a reputation for selling to underage. He says his son looks young for his age and there is no doubt that he should have been asked for ID. His son was hospitalised later in the evening on Bonfire Night due to the amount of alcohol he drank. This was a very scary situation for all involved. However, he has now made a full recovery and released from hospital the next day. – I have statements from both the 17 year old and his father, however, as I stated in my covering letter I would like to keep these for the committee to read in closed session due to the contents being a sensitive nature.
- 26 On 17<sup>th</sup> November 2016, a Police Officer was tasked with attending the shop to view and download the footage from the 5<sup>th</sup> November of the 17 year old purchasing the alcohol. We had an approximate time and a description of him to pick it up from the CCTV. She stated that Mr Bhatti appeared to have a new CCTV system which was linked to his phone so he could see what was happening even if he wasn't there. On the face of it the system appeared very good quality. However after she gave him the dates and times to check all his phone would say was "video cannot be found" or words to that effect. She had him check other dates for footage and it appears that his system is not recording anything apart from 12 hours from the current time. She left him her contact number and asked him to re-contact if he managed to get the footage required.

Mr Bhatti was only told that police were trying to track the movements of a male on that day. He did not know the full circumstances of the visit. Mr Bhatti has yet again proven he does not understand his premises license and therefore is breaching his license.

27 On Thursday 8<sup>th</sup> December 2016 at 1850 the premises failed a Test Purchase Operation. Two female volunteers, aged 16 and 15 years purchased two bottles of Desperados. The staff member who sold on this occasion was Mr Bhatti, the PLH/DPS. He was issued with a Fixed Penalty Notice and a letter to go on a training course which would then waiver the FPN. The volunteers also disclosed to me after the operation that this shop is well known for serving to underage. Other young people at their school state they go there to buy alcohol as it's easy to get served. He also asked the volunteers if they had a bag for their purchase. They said no they didn't need one but he insisted they had one of his and said they must put the purchases in a bag before they leave the shop. I went in the shop with the police officer who issued Mr Bhatti the FPN to discuss this underage sale. I checked his CCTV and saw the volunteers purchase the alcohol. I explained to Mr Bhatti that although this was his first failed Test Purchase since August 2015 SYP had received eleven reports since then in relation to underage sale of alcohol. These reports are mainly from concerned parents of children who have disclosed they have bought from the shop or from teachers at local schools. When Mr Bhatti was asked why he hadn't asked for ID he said he had been distracted as he was talking to a friend.

I am a police Sergeant currently based at Woodseats Police Station in Sheffield on the South West Local Policing Team.

My primary functions involve the management of problem solving policing initiatives around quality of life issues, community safety, anti-social behaviour and responding to long term problems within the community either as a partnership with other interested agencies, or as a stand-alone police service approach. In doing this I consult with the community, speak with partner agencies and other local groups to ensure that communication between the police and the community remains effective and open. I also involve the use of proactive policing strategies in order to prevent crime and disorder to maintain community safety.

The issue of alcohol and its effect on behaviour is taken very seriously across both the local community I serve and the wider South Yorkshire policing area. The community of Abbeydale has been subject to great policing and partnership activity of late as a result of increased levels of crime and anti-social behaviour that has connections to alcohol abuse. I can confirm that the effect of alcohol on young people is very detrimental not only to the young person themselves, but also to the local community which is why, as an area, we place great emphasis on the importance of carrying out regular test purchase operations. These are done with the aim of identifying premises who do not have stringent procedures and policies in place,

which in turn ensure they are only selling alcohol to person over the age of 18 years responsibly. Once identified we work with local partners to offer support, advice and training to reduce the possibility of identified premises committing the offence of underage sales.

I am aware that 'Shop Local', 166 Abbeydale Road in Sheffield has a chequered history of failing test purchase operations since 2011 to current date. During this time-frame I am also aware that the premises have also passed test purchase operations. Information is has also been received from numerous sources that the premises continue to sell alcohol to persons under the age of 18, this information leading to the test purchase operations. Information from the community also states that this location is well known as 'the place to go to' by young persons to get alcohol while under the age of 18 years, a reputation that requires action to address and change. As a result of requests made by officers within the South Yorkshire Police Licensing Enforcement team, I am also aware that required CCTV obligations relevant to the DPS licence at the location is not being adhered to and as such the retrieval of evidence from the location has proved difficult in the past.

As stated above the effects of alcohol on young people can lead to an increase in anti-social behaviour and crime which negatively impacts on the community. Therefore I am keen to ensure that premises such as Shop Local are made aware of their failure to prevent sales to underage persons and that in future they take all reasonable steps available to ensure that this does not continue.

Dear Sirs

**REPRESENTATION IN SUPPORT OF THE APPLICATION TO REVIEW THE PREMISES  
LICENCE: SHOP LOCAL, 166 ABBEYDALE ROAD, SHEFFIELD S7 1FH**

I am writing to make a representation on behalf of the Safeguarding Children Board (SSCB) as the Responsible Authority for the protection of children from harm under the Licensing Act 2003. The reason for the representation is that the above premise has been evidenced to operate in an illegal way that undermines the core objectives of the Licensing Act 2003, resulting in children and young people being at risk of significant harm and including hospitalisation.

The Safeguarding Children Board has attempted to work with the premises management since 2013, when Mr Bhatti began his management role. The report within the attached Chronology and its related annexes, sets out the history of this involvement and demonstrates the premises management failure to uphold the licensing objectives and comply with the law.

Despite being provided with support, advice and offers of free training, the premises manager has shown a persistent disregard of the responsibility implement an age verification scheme in order to protect children. This is a breach of a mandatory licence condition and has resulted in an escalation of risk.

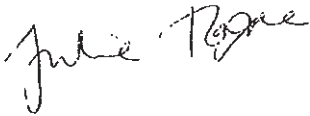

The SSCB is concerned that despite passing a number of test purchase operations, children and young people repeatedly disclose to school staff and parents that they are easily able to buy alcohol from this shop. The SSCB is concerned that Mr Bhatti has not attempted to improve the operation, resulting in recurring underage alcohol sales and serious incidents. It is noted with concern that when Mr Bhatti sold alcohol to children during the test purchase in December 2016, he did not take the time to ask the children for ID, however he did take the time to insist that they placed their alcohol in a bag before leaving the shop and he went to the trouble of providing them with one of his own bags, to ensure this.

The Safeguarding Children Board takes a serious view of premises that are evidenced to sell alcohol to children. The impact of underage drinking on a child's health, development and personal safety is well documented and the prevention of underage sales is a key objective of local strategies developed by the Responsible Authorities (Police, Safeguarding Children Board and Trading Standards).

In light of the above, the Safeguarding Children Board would ask the Licensing Sub Committee to take positive action to address the safeguarding concerns presenting at this premise.

Yours sincerely

**JULIE HAGUE**

The second complaint was reported by a police officer who had taken a call from a member of staff at a school who stated that during a school trip 2 students had purchased alcohol from the shop and shared it with the group of children on the trip. One of the children (aged 13 years) disclosed that the alcohol had been purchased at this premises. (Annex 8 (b) refers).

Mr Ward of Trading Standards confirmed that he had supplied the shop (which had been closed for Eid) with a staff training pack (Responsible Retailer), refusal book and that a warning letter had been issued.

I visited the shop with Ms Topham of SY Police, to investigate what systems, if any, were in place. The shop assistant telephoned Mr Bhatti, who was in the living quarters above the shop. Ms Topham and I were asked to hold the meeting in the living quarters and as this is not unusual for reasons of privacy, we agreed to hold the meeting in the living quarters. However I was concerned that on arriving at the living quarters we were invited in to what appeared to be Mr Bhatti's bedroom so that he could hold the meeting from his bed. We exited immediately on realising the circumstance and informed Mr Bhatti that he must dress and attend at the shop, for the business meeting.

Mr Bhatti was again unable to evidence a robust age verification scheme and he was unable to give any explanation whatsoever as to why neither he nor any of his staff had attended the free safeguarding training.

I proceeded to verbally warn Mr Bhatti of the gravity of the situation and the consequences of failing to prevent underage sales. Mr Bhatti did not appear to take the advice seriously and offered me refreshments before leaving, which I declined.

During the visit, I asked the member of staff on the counter to describe the age verification process and she was unable to respond. I also noticed two young males aged around 13 years, enter and leave the shop without purchasing anything.

3 October 2013

Dear Sirs

I am writing to express my concern over an incident where alcohol was sold to an underage child recently.

My son who is 14 years of age, entered the premises of a shop at 166 Abbeydale Road/corner of Chippinghouse Road Sheffield called Shop Local (I think it is alternatively known as P&P News). It was Saturday 28<sup>th</sup> October 2013 at approximately 2pm. He obtained 1.5 litres of cider which I think was called Frosty Jack without being asked to prove his age. He was served by a lady.

When my son arrived home it was obvious that he was intoxicated. We put him to bed and questioned him the next day. He said that he took a bus to this shop, and specifically this shop because he had been told that this premises will sell alcohol to children without any questions. He described the person who sold him the alcohol as a lady with white hair, white skin and purple eyes.

I went to this shop to check the premises on Tuesday to see if I could verify the facts. They do sell the product that he purchased at the price he quoted and more importantly the lady behind the counter matched the description. The lady appears to be albino which accounts for the description my son gave.

I am appalled that my son chose to do this- he will receive sanctions at home for his behaviour but more importantly I am appalled that the premises have sold alcohol to a child without any questions whatsoever. My son is only 14, at a push he could pass for 16 but he could never pass for 21.

Please would you investigate this matter urgently as I suspect this scenario is being repeated by other children regularly.

Hello all

Not sure whose patch this is on but I am concerned that they need some safeguarding systems in place urgently and wondered if we could do a joint visit – I can do any time tomorrow up to 3.30pm or any time Friday before 3pm if that's any good?

Thanks

**Subject:** FW: Shop Local, 166 Abbeydale Road - 2 x Underage Sales Complaints

Good Morning

Following the complaints received regarding underage sales this raised concerns with Licensing in relation to the operation of the premises. I visited the premises on Friday 4<sup>th</sup> October 2013 at 20:45 to carry out general licence checks. On entry I asked the man serving behind the counter if I could speak with the licence holder/DPS Mr Krishna Samachetty and was informed that he wasn't there and rarely visited the premises. I asked who he was and he informed me he has been the leaseholder for the last 12 months but didn't have a personal licence although he had completed the course. His details are Sarfraz Ahmad Bhatti, 166a Abbeydale Road, S7 1FH tel:

Whilst talking to him a lady matching the description provided by [redacted] in her complaint entered the shop and went behind the counter. She explained that she is his wife [redacted] and works occasionally in the shop. I requested to see the refusals log which was eventually produced from underneath the counter after searching for it and was completely blank. I asked if they ever asked for ID and refused sales and was informed they did however when questioned why nothing was recorded Mr Bhatti informed me that he couldn't get them to sign the book. I explained to them both that the signature required was the staff that had refused the sale not the person attempting to buy. I have great concerns that they are not asking for ID or refusing any sales at all and unfortunately they could not show me the CCTV as the mouse had broken and they don't know how long it records for. I asked them to ring Mr Samachetty and I spoke with him regarding my concerns as 7 out of 11 conditions are currently being breached which are 2 (there is no serving hatch and the premises are open until 2am),3,4,7,8,9 and 11. Mr Samachetty informed me that due to family commitments that he is unable to visit the premises as often as he would like and he is currently authorising the sale of alcohol. I advised him that I am not satisfied that he is carrying out his duties as the DPS and that Mr Bhatti needs to apply for his personal licence asap. Whilst we were in the premises 2 young males approximately 15-16 years of age entered the shop said hello to him and bought 4 pints of milk. We were in the premises a further

811

10 minutes and they were still waiting outside the premises. We decided to wait across the road from the premises to see what happened and Mr Bhatti came out and said something to them as they then looked across at us. We waited approx 15 minutes and one of the young males spoke with someone on his mobile and a white vw sorocco turned up with 4 asian males inside spoke with one of the males and then drove off. Both young males then left the immediate area after 20 minutes and walked up Abbeydale Road towards London Road however I am unsure of they actually left the area. There was also 2 young males approximately 14 years of age stood across the road from the shop on Abbeydale Road who waited approximately 10 minutes before leaving the area.

I have serious concerns regarding this premises, especially underage sales following the complaints received and what we witnessed on the night. I believe that they will continue to operate in this manner until the appropriate action is taken. Can a test purchase operation be arranged as soon as possible please and I will deal with the breaches of conditions.

If you require any further information please let me know.

Benita / Julie;

Please find attached 2 complaints relating to the same premises.

Can you sort out some test purchases as it seems this may be a prolific venue for underage sales?

I will reply directly to both complainants.

Licensing Officers will visit the premises this Friday evening for a licence check.

David;

Are you interested in this one?

Many thanks

Dear Sir

**LICENSING ACT 2003: COMPLAINT UNDER THE CORE OBJECTIVE FOR THE  
PROTECTION OF CHILDREN FROM HARM  
SHOP LOCAL, 166 ABBEYDALE ROAD, SHEFFIELD S7 1FH**

Further to our meeting at the above premises on 10.10.13 which was also attended by Ms Marsden of South Yorkshire Police, I am writing to confirm the key points of our discussion regarding the above matter.

1. You were informed that allegations have been made that underage sales of alcohol are taking place at the premises.
2. An inspection of your age verification and safeguarding systems took place and I observed that there is insufficient signage to promote the Challenge 25 scheme at the premises (only 1 poster is displayed). I am also concerned that the refusals book contained only 3 entries. You were advised to increase the signage and to ensure that the Challenge 25 scheme is rigorously enforced including recording of refusals of sales. Please note that this is essential in order to comply with your licence conditions.
3. You were advised to attend the next available safeguarding children training session to improve your safeguarding systems at the premises. As the course on 16.10.13 was fully booked, I have reserved 2 places on the next available course which will take place in February. This course is free of charge and you will receive a letter of invitation in due course. In the interim, however, I strongly advise you to join the Responsible Retailer scheme, this will help improve your staff training/recording systems and help you to demonstrate due diligence and prevent underage sales of alcohol. The Responsible Retailer scheme is free to join, if you are interested please contact Mr Greg Ward, telephone 0114 2736241 for details.
4. To help prevent young people from using false ID to purchase alcohol at your premises, I enclose a poster warning young customers that it may be an offence to do so. This poster should be displayed prominently at the premises.

In light of the risk to children and young people that underage sales present, the above actions should be completed as a matter of urgency so that the age verification can be evidenced to be properly enforced. Please don't hesitate to contact me if you require any further assistance.

Yours faithfully

> Hope you are the correct department for this. I have just caught my young looking 15 year old son with a bottle of vodka he bought at this establishment on London Road (on the junction of Chippinghouse Road), along with his 14 year old friend (who also bought vodka). He was told to go here by friends at his school (Silverdale) who had already bought drink for a party they were going to on Tuesday evening.

> I am concerned that my very daft, very grounded son was simply able to walk into a shop and buy a bottle of vodka. From what he says many of his friends use this shop because of the ease of purchase.

Dear Mr Bhatti

Further to my recent meeting with you at the above premises, which was also attended by Ms Topham of South Yorkshire Police. I am writing to provide you with an offer of free staff training. The attached letter provides the details, please let me know who from the shop will be attending.

As the visit was made in response to 2 complaints alleging that underage sales of alcohol are occurring at the shop, I also attach:

- a refusals log
- challenge 25 posters
- a fake ID poster
- proxy sales posters
- the criteria you need to meet to have a recognised proof of age scheme

I have also advised you that if your staff are not personal licence holders, they must receive adequate training to prevent underage sales (the training provided by the Safeguarding Children Board, Police and Trading Standards referred to in the attached letter will help with this and it is free of charge).

The attached materials and training are provided to assist you with your age verification scheme.

I look forward to hearing from you with the details of who is attending the training.

Hello Benita and Cheryl,  
Yesterday we received another complaint about underage sales of alcohol from Shop Local, 166 Abbeydale Road. I'm not certain whether this is the same incident that was reported by the staff at School, so I'm treating this as a fresh complaint.  
I went to the shop on Monday afternoon to deliver a warning letter and it was locked up with a sign saying that it was closed for Eid Holidays between 2<sup>nd</sup> and 12<sup>th</sup> July. Might be worth letting the local police team (or whoever does your TP's these days) know not to organise a test purchase until after 12<sup>th</sup> July.  
Kind regards,  
Greg

Hello  
I am writing to inform you that a shop is selling Alcohol to underage children. Reason i know this was because my Daughter was with a friend and she purchased the Alcohol from the Shop Local on Abbeydale Rd. The girl is 15yrs old and my Daughter is 14yrs old. When i found out about this i was very very upset that this was allowed to happen and would like you too look into this. My Daughter has been told off and no longer allowed to have anymore contact with this girl. I have sent you a picture of the shop front.

Many Thanx

Gary,  
As per our conversation, I answered the phone in the briefing room and spoke with [redacted] who is Head of Y8 School. [redacted] states that there was a school trip last week and 2 of the students purchased alcohol which was subsequently shared with the group of children. Once staff became aware of the matter they questioned the children (aged 13yrs) who disclosed that the alcohol was purchased at the One Stop Local Shop Abbeydale Road.

If anyone needs to speak with [redacted] her contact number is [redacted]

Other children are apparently saying that they will serve alcohol to anyone irrespective of their age.

Cheers,

Antony

Dear Sir

**COMPLAINTS: PROTECTION OF CHILDREN FROM HARM (LICENSING ACT 2003) –  
ONE STOP SHOP LOCAL 166 ABBEYDALE ROAD, SHEFFIELD**

Further to my visit to your premises on 13<sup>th</sup> July, at which Ms Topham from South Yorkshire Police was in attendance. I am writing to confirm the key points of the discussion I had with you in relation to the above matter.

You were advised that complaints made to the Police and Trading Standards have been reported to the Safeguarding Children Board, in which allegations have been made by school staff and parents that children under the age of 18 years have been purchasing and consuming alcohol from your premises. You were advised that the Safeguarding Children Board is concerned that despite previous advice visits and offers of free multi agency training, complaints of this nature have persisted. ( (

I informed you during the visit on 13<sup>th</sup> July 2016, of my concern that despite there being 2 Challenge 25 posters on display at the shop, the member of staff who was working on the till did not appear to understand what a refusal book is, and I noted that you were unable to produce a refusals book. Ms Topham therefore provided you with a refusals book and a multi agency information pack.

I advised you that unless a significant improvement is made to the way the age verification scheme is enforced at the premises, the premises may be subject to a licence review.

To further assist, I enclose a letter offering free multi agency training to support you in operating a recognised age verification scheme.

Please contact me if you have any questions or need further assistance.

Yours faithfully

**Subject:** Shop Local selling alcohol to underage children

I am writing after having seen the newspaper report regarding the licencing reviews of three shops in Sheffield.

I had reason to write to the Alcohol Licensing Department in October 2013 after an incident where my 14 year old son and his friend where sold alcohol at Shop Local on Abbeydale Road. They travelled there as it was well known at school that this shop sold alcohol without any questions.

I am appalled that it has taken 3 1/2 years to get to a stage where this shop is under review and can only guess at the damage that has been caused to the lives of young people through being able to illegally obtain alcohol in the intervening years.

~~TAMM~~  
BSI

There must have been many other incidents of illegal sales to get to this stage. I strongly support that Shop Local has its licence revoked. They must be stopped.

I attach my original letter to the Licensing Department from 2013. Please note there was an error over the date of the incident, the letter should have read 28th September, not October.

Please acknowledge receipt of this email.

3 October 2013

Dear Sirs

I am writing to express my concern over an incident where alcohol was sold to an underage child recently.

My son who is 14 years of age, entered the premises of a shop at 166 Abbeydale Road/corner of Chippinghouse Road Sheffield called Shop Local (I think it is alternatively known as P&P News). It was Saturday 28<sup>th</sup> October 2013 at approximately 2pm. He obtained 1.5 litres of cider which I think was called Frosty Jack without being asked to prove his age. He was served by a lady.

When my son arrived home it was obvious that he was intoxicated. We put him to bed and questioned him the next day. He said that he took a bus to this shop, and specifically this shop because he had been told that this premises will sell alcohol to children without any questions. He described the person who sold him the alcohol as a lady with white hair, white skin and purple eyes.

I went to this shop to check the premises on Tuesday to see if I could verify the facts. They do sell the product that he purchased at the price he quoted and more importantly the lady behind the counter matched the description. The lady appears to be albino which accounts for the description my son gave.

I am appalled that my son chose to do this- he will receive sanctions at home for his behaviour but more importantly I am appalled that the premises have sold alcohol to a child without any questions whatsoever. My son is only 14, at a push he could pass for 16 but he could never pass for 21.

Please would you investigate this matter urgently as I suspect this scenario is being repeated by other children regularly.

Sarah Bevan  
Mother

under NO circumstances should this place be able to sell alcohol! Over 3 years ago i complained about this shop selling to my son and to other under age friends of his on numerous occasions. I am mystified why NO action seems to have taken place in the meantime

**COMPLAINT AND PETITION OF SUPPORT AGAINST REVIEWING THE SHOP LOCAL'S LICENCE**

**SHOP LOCAL OF 166 ABBEYDALE ROAD, SHEFFIELD S7 1FD**

To whom it may concern,

We strongly protest the letter you have sent to Mr Sarfraz Bhatti of SHOP LOCAL now displayed in the shop's window. We sturdily support Mr Sarfraz Bhatti and his business SHOP LOCAL against the allegations you have put forward. Shop local is an asset of our community and we are happy with Mr Sarfraz Bhatti and the service his business provides. We believe that these complaints you mention are false and malicious, and are very upsetting for us to see them said. We have not seen this happen in shop local, and if he did serve a young person we are sure it was a rare mistake. Mr Sarfraz Bhatti is a friendly and sensible shop keeper, and we are very pleased with him and his business practice. We will ask him to be more careful than usual when serving young people, and say he will only be happy to comply. We kindly request that you consider us the customers in deciding and hopefully end the review of SHOP LOCAL licence. Please give Mr Sarfraz Bhatti a chance to run SHOP LOCAL as we use this business and feel he really deserves a chance. We ask that if you feel the activities of shop local are suspicious or complaints against shop local arise you inform him. We look forward to hearing from you, also we have all included our names and contact details in the petition below.

Thank you.
