The Licensing Committee

Since 2015 I have been operating Monet's garden a successful flower cycle on Fargate. much as I love selling my flowers I'm afraid it is no longer feasible as working in direct sunlight on Fargate has led to me getting skin cancers on my forehead and face, my GP and surgeon have told me I should no longer do this. Since stopping my flower sales I have been engaged in very heavy work but have been advised to stop this due to more Heart related health issues. My GP agrees that working on my pancake unit will cause me no health issues.

For many years I have owned and operated a much loved local, mobile catering unit (Double Dutch Pancakes) and would like to apply for a static pitch on Fargate as I only do a few events a year. My pancake unit is bespoke, individual and very pleasing on the eye; it is like no other in the country. I have attached photos. We sell a wide range of sweet and savoury pancakes and all our ingredients are cooked fresh to order and sourced locally and one of our pancakes can be bought for as little as two pounds fifty. No one else is selling pancakes in the vicinity and I am no threat to anyone else's livelihood. Chinese People in particular flock to my pancake unit as the sight and smell of my classic pancakes reminds them of home and fills them with Joy, in light of the Chinese community growing so fast in our city and the Chinese student numbers growing massively by the year they are now a very important part of our city's economy and will continue to receive a warm welcome and top quality food at my pancake unit which will light up Fargate , bring culinary joy and a great international feel to our vibrant city centre

I hope the committee can look favourably on my on this application, I am sixty four next and it will be difficult finding alternative work or retraining.

Yours sincerely

Michael Desmond

A7

My pancake unit has been inspected and falls within all mobile catering safety and fire legislation also the committee will see by my photos that my unit is very small which means in the case of an emergency it can be moved off Fargate in a matter of seconds. My public liability ran out last week but I will of course be renewing it if this application is successful. I have enclosed my gas safety certificate and fire risk assessment.

Finally at the expense of sounding vain I am one of South Yorkshire's best Street Traders. I have a gregarious personality and my customer service skills are second to none. I am well aware of equal opportunities legislation; people visiting my Pancake unit are made to feel welcome regardless of age, race, religion, mental/ physical ability or sexual orientation

I am writing in support of this patient of ours who has been advised he can no longer do his work with his flower cycle due to the time he has to spend in the sun on Fargate.

He has had a skin cancer lesion removed from his forehead. He has been told that sun exposure has caused this and that he may be at risk of further lesions. He is in full sunlight with no shade with his flower cycle.

He is now going to apply to put his pancake unit on Fargate. I would appreciate any help the Council can give him in these difficult times with his health in support of this business application.

Please let me know if you require any further information.

I recently reviewed Mr Desmond in Surgery and he has requested that I provide you with some medical information regarding his current medical problems.

Currently Mr Desmond works 16hours a week. He is extremely keen to continue working but unfortunately his current work involves quite a lot of manual labour, including lifting. He had a previous fracture of his clavicle in September 2006 and unfortunately this did not heal. As a result he continues to experience pain in his clavicle and also in his left arm.

He also known to have cerebrovascular disease and had a stroke affecting his left side in March 1999.

I am currently investigating him for breathlessness and he is awaiting a review with cardiology.

In view of his current medical problems I would be extremely grateful for any support you can offer in terms of assisting him to find alternative work that is more suited to his current needs.

If you require any further information please do not hesitate to contact me.

Yours sincerely,

To Whom It May Concern

Re: Mr Michael Desmond, [REDACTED] Sheffield, [REDACTED]

Mr Desmond, one of my constituents, has recently applied for a pitch on Fargate for his business Double Dutch Pancakes. Mr Desmond has indicated that he would prefer a pitch at the top of Fargate. Reading his medical reports, I understand that due to his recent skin cancer diagnosis and treatment, his GP has recommended that his new business venture should be in a shaded environment. The Double Dutch Pancakes unit provides the cover he requires.

Mr Desmond has already submitted the application and supporting documents from the medical profession. I trust that the application and evidence provided will be given due and thorough consideration.

Yours faithfully

Paul Blomfield
