

## Cabinet Report Amendment

**Report of:** Jayne Ludlam  
**Report to:** Cabinet  
**Date of Decision:** 18<sup>th</sup> October 2017  
**Subject:** Commission of Alternative Provision (Agenda Item 9)

It has come to our attention that there is an error in the wording in the *Recommendations* section (page 2) of the above mentioned Cabinet report.

Please accept this amendment as the correct wording and recommendations that need to be considered by Cabinet members on 18<sup>th</sup> October 2017.

### Recommendations

1. Approves the re-commissioning of the Alternative Provision Framework as detailed within this report.
2. Delegate authority to the Executive Director, People Services, in consultation with the Director of Finance and Commercial Services and the Director of Legal Services to:

- i. ~~agree a procurement strategy for a framework arrangement for the Alternative Provision for the academic years 2018-19, 2019-20 and 2020-21, as set out and in line with this report.~~

***proceed with the implementation of the procurement strategy for a framework arrangement for the Alternative Provision for the academic years 2018-19, 2019-20 and 2020-21 as discussed and agreed with Commercial Services, as set out and in line with this report***

- ii. award such contracts following the procurement process.
- iii. take all other necessary steps not covered by existing delegations to achieve the outcomes outlined in this report.

This change is necessary as we need to make it clear that a Procurement strategy has been explored with commercial services and a proposal has been made.

Legal confirm that they are content with the rewording, there are no additional legal implications and there are no additional comments to be made.
