

# Health & Wellbeing Board

Primary Care

- Overview of the Primary Care Strategy
- What Have We Achieved?
- How it Feels Now
- What Do We Hope for The Future?

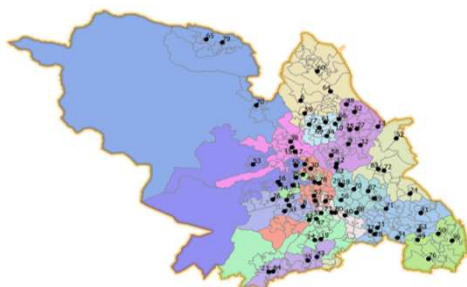

# Overview of the Primary Care Strategy

- Better equality in health outcomes for people living in Sheffield
- Stable primary care services, workforce and infrastructure to meet need/demand
- People receiving the right interventions at the right time from the right professional; mostly in their neighbourhood.

# What Have We Achieved?

## 16 Neighbourhoods

## Pilots

- Virtual Ward
- DNA Man
- Dance to Health
- Mental Health

## Quality and Consistency

- Quality Assurance Framework
- Practice and Neighbourhood information Packs

- Physician Associates
- Practice Management Development

## Partnership Working

## Estate

## How It Feels Now

## What do We Hope for The Future?

- Consistency
- Flexible, skilled and combined workforce
- Clearer investment
- Estate that drives behaviour
- Targeted investment: neighbourhood need
- More services for each of the out of hospital tiers

# Questions for the Board

- What opportunities should we be exploring to reduce health inequalities?
- Are there greater partnership opportunities that we should be exploring through our neighbourhood approach?
