Page 227	<p><b>Grey to Green Phase 2 (Part Two)</b></p> <p>In addition to the main Grey To Green Scheme set out in Appendix 1, a bid has been submitted for European Regional Development Funds (ERDF) to a value of £836k to deliver works complimentary to this scheme. These works would be limited to Castlegate and include:</p> <ul style="list-style-type: none"> <li>• Additional Sustainable Urban Drainage</li> <li>• Additional cycling lanes</li> <li>• Additional footways</li> <li>• Additional tree planting</li> <li>• Renewed street furniture and lighting.</li> </ul> <p>These works have therefore been pulled together into a separate scheme, which includes all of the Part One works with the addition of the works to Castlegate (the Part Two scheme). We will only award the Part Two scheme should the ERDF bid be successful and we decide to accept the grant in early 2019.</p> <p>It is proposed, therefore that the decisions to:</p> <ol style="list-style-type: none"> <li>1) Accept the ERDF grant subject to confirmation of acceptability of terms</li> <li>2) Approve the resulting increase to the Grey To Green Phase 2 Budget</li> <li>3) Award the Part Two construction contract to the value which includes the additional works to Castlegate</li> </ol> <p>be delegated to the Head of Commercial Business Development in consultation with the Director of Legal and Governance.</p>	836
