NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Importance: High

Sarah,

Sorry to be onto you again so soon, but it transpires that this is a developing situation and new information and new concerns are coming to light in respect of the proposed terrace use.

I am now aware of complaints from residents around the use of the terrace, and associated concerns over nuisance to residents. I am also aware of ongoing discussions around the use of the premises as defined in planning terms, and around a lack of parity between the controls exercised over the hours of use of the terrace at your premises, and those already imposed on the comparator premises now known as The Gatehouse (formerly The Bakery).

To ensure that suitable and equitable controls are maintained to control nuisance from the premises, and across the Little Kelham development, I am now requesting that you agree to volunteer conditions controlling noise and the use of terrace. The proposed wordings corresponds directly with those already included on the licence issued to the Gatehouse premises, and are hopefully therefore regarded as fair, equitable and appropriate;

- The Designated Premises Supervisor or a delegated member of staff shall take a pro-active approach to noise control, checking outside the premises to ensure that the breakout of internal noise and noise from patrons using the external areas and departing the premises is managed so as not to cause a nuisance to occupiers of nearby residential properties.
- The premises licence holder shall prominently display notices on all exits reminding patrons to leave the premises in a quiet and orderly fashion and to respect the local neighbours' needs.
- Customer use of the outdoor seating area at the rear of the premises shall cease at 1900 hours on all days. Outdoor furniture shall then be cleared away and stacked/stored to prevent unauthorised use.

I am advised that the period to resolve this matter expires on 16th July, so I'd be grateful if you could advise your position as soon as possible, so as to avoid any unnecessary scheduling of the matter for a Licensing sub-committee hearing.

Kind regards,

Thanks for your reply Gareth.

I'm a little confused however - you're saying that they haven't displayed a noticed but have until the 16th to do so? Or we have until the 16th to object?

I would certainly like to formally oppose the licence of outdoor drinking past 7pm (as per the Gatehouse) - I think it's fine for one off events and I think it's fine if it's with food... but I don't think it can be allowed to be used as an outdoor bar which is what has been happening almost every day to date. Random members of the public are drinking on what is essentially private land and our communities public space and it cannot be allowed.

To whom it may concern,

I have been told that we have an opportunity to comment on the licensing arrangements for the Domo restaurant. I live at [REDACTED] and my house backs on to the street where domo a few doors down. I'm thrilled that the restaurant is there and the staff are all lovely however i have noticed a big increase in rowdy customers leaving who are very loud on the otherwise quiet street between 11 and ~12.30pm and have been woken up several times by this.

While I don't want to hinder their business I notice that the restaurants with a good amount of outdoor seating areas such as the stew and oyster in fact de facto bars for the area and I'm really keen that this does not become the case at Domo. If it is possible to restrict the outdoor drinking times to deter people coming to drink rather than eat it would be much appreciated by the community.

Many thanks

Hi,

I live next to the new restaurant that has opened in little kelham. I understand a licence application is in progress and would be opposed to the hours of this extending beyond 7pm. This is the case for the nearby Gatehouse bar and Domo is not situated on a public street like it is, rather it is nestled in the middle of a housing development.

Good morning

I believe one of my neighbors in Little Kelham have been in touch with you regarding the outdoor seating, parking and noise issues with Domo which has recently opened in our estate. As I live in Little Kelham, and in very close proximity to Domo, I wanted to make comments regarding their application.

Whilst I think Domo is an excellent addition to Little Kelham, and I will certainly be supporting the restaurant, I have found since their opening there has been a lot of noise at night (11pm and sometimes later) by patrons drinking outside noisily and then leaving the estate loudly. This is during the week and weekends.

Staff are also emptying the bottles into the bins outside when we are trying to go to sleep late at night, again this is often at 11pm or later, which is incredibly frustrating. I feel this is something they could be doing in the morning when the restaurant opens at 8.30 am.

Parking within the estate has been a real issue. Cars are not permitted in Little Kelham and to gain access to a parking space we have had to pay £10,000 so I really don't appreciate the estate being full of cars! There have been issues with cars driving down the estate at more than 30 mph which has made the estate very anxious given there are a lot of children, cats and dogs who play. I am not sure that this will fall under your remit but just wanted to make the point so you are aware that this is happening.

The outdoor seating area is getting larger and larger which at times has made it difficult to get into my car parking space and also increases the amount of noise in the estate.

In summary, I think Domo is a great addition to Little Kelham, but their license should be the same as The Gatehouse at the bottom of the estate where patrons are not permitted to sit outside after 7pm. The Gatehouse has not caused residents any issues.

If you require any further information from me please do not hesitate to get in touch.

Best wishes
Becca Morris

Good evening Garath,

I hope this email finds you well and that I have been given the correct address to send my concerns.

I would like to express my thoughts on the licensing arrangements for Domo restaurant at Little Kelham. Myself and many other residents are concerned that the outside seating space has far too much capacity and will also attract large crowds to congregate late at night in a densely occupied residential area.

Many neighbours have bedrooms at ground floor level adjoining the pedestrian streets around the estate.

Currently we have the gatehouse cafe at the entrance to Little Kelham who restrict the use of the outside area to a 7pm curfew. Myself and many of the residents feel this works really well and as such have a good relation with the owner. At the other end of Little Kelham we have the Stew and Oyster restaurant. It's outside space attracts very large crowds that quite often spill out beyond the boundary and far exceed the seating capacity. On a number of occasions, drunken and dissordily behaviour prevails and sometimes results in violent actions. The noise levels can be extremely high that effects the living standards for the residents who live just 1 floor above.

I would like to suggest that to continue the good spirit of Little Kelham and to ensure it continues to be welcoming to residents as well as the general public. That the outside licence for Domo is restricted to 7pm and its outside capacity to be reduced in line with the gatehouse capacity.

Kind regards

Danny Revill

Dear Gareth and whom it may concern,

I am writing as a concerned resident of Little Kelham Street in Sheffield; part of CITU's Little Kelham development.

I understand that Domo are in the process of applying for a license for outdoor seating, and I wish to request that the fact this is a residential location is taken into consideration when reviewing this application. Kelham Island generally has developed vastly in the ten years we have lived here, and whilst mostly positive, it has become a place often filled with antisocial behaviour from the drinking culture. As a resident within the Little Kelham development I am already concerned that the increased noise, antisocial behaviour and general littering has an adverse effect on my living environment. Domo seems like a great addition to the area, however it is crucial that the outdoor licensing is kept in line with that of the Gatehouse, to ensure residents can continue to live in close proximity to such establishments without impacting their home life. We cannot have a repeat of Stew and Oyster, which is overrun outside on a weekend and regularly hinders the living environment of residents who live within a close proximity. I therefore request Domo's outdoor license is restricted to 7pm.

Please don't hesitate to contact me with any questions.

Thanks and best wishes,
Rebecca Freeman

Dear Gareth,

I live at [REDACTED], round the corner from Domo. The restaurant will likely be a great addition to the area, although I do strongly object to any license that will permit outdoor eating & drinking later than 7pm. This will be very disruptive for residents as it's right in the heart of the development.

A similar arrangement to the Gatehouse would work really well. And be a good compromise that would benefit the business as well as residents.

Hello Gareth,

License application 175397, Eagle Works, Kelham Island

Thank you for getting back to me.

Having done a bit more digging, we have come to the conclusion that the outdoor seating area does not benefit from planning permission. Indicative seating was shown on the site plans associated with the original planning application (12/01401/FUL), however the approved site plan for the most recent Section 73 application (16/03102/FUL), i.e. the one under construction, does not show any provision for outdoor seating. Probably because it was not known which part of Eagle Works would be occupied by a restaurant use.

I intend to write to the restaurant (having already advised the landowner) to inform them of the need to submit an application for the provision of an outdoor seating area.

I would like to make it clear that we have no objection to the provision of an outdoor seating area adjacent the restaurant in principle. However, we would seek to define the extent of the seating area and would apply an hours of use condition designed to protect the amenities of the occupiers of neighbouring premises in the late evening. It should also be made clear that the outdoor seating area would be for diners as the unit only has an A3 (café/restaurant) which allows only ancillary drinking, i.e. it does not have consent for use as a bar.

I would therefore like to make formal representation raising significant concerns about the use of the proposed outdoor seating area in line with the opening hours requested.

Dear Mr Barrett,

We are writing to add our concerns to those of other Little Kelham residents over outdoor drinking outside the newly opened Domo restaurant in Eagle Works in the Little Kelham development in the evenings.

We wish to make it clear that we have no objections to the serving of alcohol on the premises but only with respect to the extent of the outside area and the times that this may be permitted. The restaurant is in the middle of a residential estate and some apartments are literally only a few metres from the front door of the premises.

As far as we are aware, no notices have been publicly displayed providing details of any licensing application.

Since opening, the restaurant has positioned around 20 tables well beyond the front elevation of the restaurant (my understanding is that two metres maximum is the norm) and over adjoining public highways. At least one deck chair and large bean bag is regularly positioned on the community boules court.

Drinking and eating has also been allowed in the communal outdoor spaces throughout the evening.

Cars and motorbikes are also regularly brought onto the estate and parked in the area adjoining the communal undercroft intended for residents and businesses of Little Kelham. Residents are not even allowed to do this as no public parking is permitted anywhere on the estate. It must be impressed upon Domo that it must ensure that its clients adhere to these restrictions.

Given the proximity of the residential units and restrictions placed on other similar establishments within the estate (The Gatehouse) surely you must accept that an 8pm restriction on outdoor drinking, possibly with an exception for occasional special event ie ones that are not habitual eg every Friday, Saturday or whenever, must be imposed.

As residents of Little Kelham we very much welcome the addition of businesses such as Domo but they will need to act responsibly if conflict with residents is not to occur due to homes and amenities being adversely affected by the issues detailed above.

Kind regards,

David Granville and Kath Harding [REDACTED]

Hi,

My young family and I live on the little kelham development, and would certainly not entertain a late alcohol license for the Domo restaurant. We had a similar issue last year when the gatehouse opened and they also tried to apply for a late license, but I believe it was eventually agreed that a 7pm outdoor license was suitable for the development.

Dear Gareth,

I am one of the residents living near the Domo. I would like to see a restriction of drinking outside the restaurant to 7pm. As there is a restriction on the Gatehouse of 7pm they should be the same as it would appear biased and unfair. It has been very noisy with the outside seating expanding which is okay but restricting it to 7pm would be a welcome compromise. I feel for my fellow residents who are living even closer to the Domo especially as the outside seating has been expanded which has included the residents Boules Court but I think this has now stopped? It has also been noted that it has been used as a parking lot for a motorbike. (I presume to save receiving a parking ticket) The private Main Street from the restaurant to Alma Street was used recently for a speed race of motorbikes. There are children who live here and if a resident had been opening their garage door either way it could have resulted in a fatality.

I would be grateful if you would consider restricting the outside seating to 7pm to facilitate more peaceful evenings after residents return home from work as we do also get a lot of 'jollity' banter when Domo's clients come to the restaurant but more so when leaving!

Thanking you for your attention.

Dear Gareth,

I have been informed that i can email you my concerns regarding the Domo licensing.

I currently live a few doors from Domo, [REDACTED] to be precise.

I wish to see a limit to the outside licensing, currently 7pm for the Gatehouse which is respectfully honored.

I have been perturbed by the lack of understanding and communication from Domo over several incidents which include parking outside for owners, staff and customers, with Domo not working with residents to resolve issues.

My points are manager and staff parking, parking attendant not giving tickets but clear signs stating a restriction in parking.

A motorbike race by 6 motorbikes, all customers of Domo, who lined up 2 at a time and raced from parking outside Domo to the arch at Gatehouse, at speeds which were astonishing. I spoke to staff who responded that this was out of their hands, in my opinion showing a complete lack of empathy for residents, their children or pets. I would point out it was their responsibility to tell them NOT to park outside Domo, this was clearly visible to them, secondly to remind patrons that this is a residential area, and lastly to acknowledge that this was a serious issue to people living at Little Kelham Street.

I then also noted that patrons have been allowed to park on the area identified for playing Boules, and a table and chairs also on this area.

I note that the patrons have little or no regard to the noise levels when leaving at 11pm, alongside staff emptying the glass bottles from 11pm into the recycling, they must be aware of the noise levels this causes.

My last point is how many patrons show the upmost disregard for residents by peering into windows or into garages, this is not even done by accident but a blatant, we are passing and it is a right for us.

I am not against any company opening near us, the courtesy that has been shown by the management of the Gatehouse has been exemplary and in comparison, no regard to any resident has been noted.

I would like to see the restriction of outside space to be 7pm

I am happy to be contacted for additional information if required

Dear Gareth and the Sheffield Licensing Service,

I've been advised that any comments regarding Domo's licensing application should be directed towards you (see email).

As a resident at Little Kelham I would appreciate and very much welcome a limit on the following:

1. Outside operating hours
2. Outside space for restaurant patrons

Since Domo's opening earlier this month there has been a noticeable increase in noise levels and general disruption that is starting to have a detrimental impact on individual residents and the community. I won't go into detail but should no limits be set on the issues raised above I have concerns that the impacts will worsen and resident's lives will become further affected. I'm aware the Gatehouse café/bar at Little Kelham has a daily evening curfew of 19:00/20:00 hours and feel this is a reasonable position to take with Domo.

Regarding the amount of outside space, I appreciate an area should be made available to them and their customers however the amount currently used seems excessive. Personally, I would like to see the area reduced by half and as close to Domo's premises as possible.

I hope my comments are of use and thank you for your time.

If you could please acknowledge this communication and confirm Domo's licensing details once a decision is reached I'd be most grateful.

Dear Gareth & Sheffield Licensing Service,

We would like to add our comments regarding Domo's licensing application in Little Kelham Sheffield.

We regularly have friends and family, some with young children, who like to stay with our son. He lives in close proximity to Domo's.

They come to enjoy the museums, exhibitions and events that the city of Sheffield offers and then go home and spread the word.

So far they have all been extremely impressed by the city and the development at Kelham Island which was sold to our son as a place where a community spirit would be encouraged and young families welcomed.

This will no longer be the case if there is noise and drinking outside his residence late at night and their sleep and movements are disrupted.

We would ask you please to consider:-

- Limiting the outside space for Domo's use to allow at least some of it to remain free for the enjoyment of the residents
- Placing a curfew on the use of such outside space in line with the Gatehouse Bar.

Thank you for your attention.

Yours sincerely,

J T and Mrs H Latham

Subject: Domo Outdoor Licensing

Hi,

I am emailing, on behalf of my household, to put forward some our comments on the potential outdoor licensing for the new restaurant in the Little Kelham development, Domo.

We are residents of the Little Kelham development and our house is approximately 10m from the restaurant. The current outdoor seating area of Domo has been utilised nearly every evening since they opened around a fortnight ago, and is very busy on Friday and Saturday nights. Patrons seem to be able to continue to drink alcohol in the outdoor space until the restaurant closes. As you might expect given the time of year, we have been having our windows open nearly continuously and the noise levels from the outside seating area have been rather intrusive, especially when it is busier. The patrons are also noisy when they leave the restaurant and walk to the entrance to the development past our house.

We also have concerns over the size of the current outdoor seating area - it is arranged all around the boules court and would restrict proper access to this if the seating area remained the same, residents are currently unable to use this due to the current stage of the building work.

We also have concerns relating to parking. Patrons have been parking near the restaurant, within the development, despite multiple signs stating that there is no parking allowed on the communal spaces of the development (excluding emergency vehicles). There was an incident recently where some people drove down Little Kelham Street, out of the development, on motorbikes very quickly - there are many children and pets living here and reckless driving poses a danger to them, as well as to the adults to a lesser extent. Parking officers do patrol but we think it would be reasonable for Domo to also take responsibility to ensure their patrons follow the restrictions.

Our last concern relates to smoking although we don't know if anything can be done about this. When people smoke outside there are times when we can smell it coming through our windows of our living space, which is on the 2nd floor.

Best Wishes,
Grace

Yes of course we are more than happy to provide alternatives to glass in the terrace area.

The terrace is completely uncovered (just a few sun parasols).

Can I ask if we need to display a certificate of any kind regarding the grant of this license?

Dear Raffaele Busceddu

Thank you for giving Public Health sight of your licensing application for Domo at Eagle Works.

Your application refers to an external terrace where alcohol will be consumed. Could we request that only polycarbonate/plastic or other alternatives to glassware are used in external areas which abut pedestrian areas to avoid glass related injuries? Please could you clarify if this external area is an uncovered smoking/vaping area for patrons and if not, where you expect patrons to smoke/vape?

If you are able to confirm that this is acceptable then we have no further concerns about your application.

Thanks and best wishes

Dear Raffaele and Sarah

Thank you for providing a copy of your application to the Sheffield Safeguarding Children Board, as the responsible authority under the Licensing Act 2003 for the protection of children from harm.

I am already aware of the licence conditions you have agreed with South Yorkshire Police and I am writing to inform you that the Safeguarding Children Board does not object to the application, but recommends the following:

1. As the premises will operate as a family friendly restaurant, I recommend that the Designated Premises Supervisor, or other such responsible person, attends the multi agency safeguarding training. The training is free of charge and is delivered by safeguarding, police and trading standards officers. The next session is on 17th July between 1pm and 4pm and an invitation letter will be sent to you by separate email.
2. As the business will be 'family run' I have attached 2 sets of guidance for your attention:
 - a. An advice leaflet about family life at licensed premises
 - b. A set of guidance about children who work (paid or unpaid) at licensed premises.

I hope the above is helpful, if you have any questions about safeguarding children at the premises please don't hesitate to contact me.

Yours sincerely
