

Hi licensing,

Could you please now ensure that, in addition to the removal of regulated entertainments as previously agreed, the following four volunteered conditions are also included on any licence issued for the above premises, as agreed below;

The premises shall operate as a restaurant only, and the provision of alcohol shall be primarily with the provision of food or, on a limited basis, in the indoor bar area for diners awaiting a table. Alcohol provision on the outside terrace shall at all times be strictly in conjunction with seated dining only, and ancillary to the provision of a meal in all cases.

· Customer use of the outside terrace dining area shall cease at 2100 hours on all days. Outdoor furniture shall then be cleared away or secured in such a manner as to prevent subsequent unauthorised use.

· The Designated Premises Supervisor or a delegated member of staff shall take a pro-active approach to noise control, checking outside the premises to ensure that the breakout of internal noise and noise from patrons using the external areas and departing the premises is managed so as not to cause a nuisance to occupiers of nearby residential properties.

· The premises licence holder shall prominently display notices on all exits reminding patrons to leave the premises in a quiet and orderly fashion and to respect the local neighbours' needs.

Any questions, please let me know.

Neal.

Kind regards
