

Safer and Stronger Communities Scrutiny and Policy Development Committee 2019/20

Informal note for Cabinet 20th November 2019

From Policy and Improvement Officer

Safer and Stronger Communities Scrutiny and Policy Development Committee had a special meeting on Tuesday 19th November and considered the Call-In of the Individual Cabinet Member Decision on “Council Housing Stock Increase Programme”. Decision of Cabinet Member for Neighbourhoods and Community Safety on 14th October 2019.

Safer and Stronger Communities Scrutiny and Policy Development Committee agreed to take the following course of action from the Scrutiny Procedure rules:

- (c) take no action in relation to the called-in decision but consider whether issues arising from the call-in need to be fed back to the decision maker or added to the work programme of an existing Scrutiny Committee;

In agreeing this option they did consider there are issues arising to be fed back to the decision maker and added to the work programme, a fuller report with the detailed recommendations will be forwarded to the Cabinet Member for Neighbourhoods and Community Safety and reported to Cabinet at a future meeting.
