Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), I hereby give Notice that:-

The Cabinet intends to make a Key Decision on behalf of the Sheffield City Council on 23rd September 2020.

The Key Decision will be about COVID-19 Test, Track & Isolate Programme Funding.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision, as required by Regulation 9 (2) of the Regulations.

The reasons why compliance with Regulation 9 is impracticable in this matter are as follows:-

It is necessary to fund the prevention, mitigation and management of local outbreaks of COVID-19 efficiently and effectively to protect the public's health and help the city recover socially and economically. Funding is required to implement the Council's Test, Track & Isolate Programme, the costs of which have only recently become apparent. If a decision is delayed in order to provide 28 clear days' notice of the intention to make the Key Decision, then the Council's ability to prevent, mitigate or manage a local outbreak will also be delayed, negatively impacting public health and the city's social and economic well-being.

Gill Duckworth
Director of Legal and Governance
Sheffield City Council

As required by Regulation 10 of the Regulations, the Chair of the **Healthier Communities and Adult Social Care** Scrutiny and Policy Development Committee has been informed of the matter about which the Key Decision is to be made by being given the above Notice.

Pursuant to Regulation 10 (3) this Copy of the Notice was made available at Sheffield Town Hall for inspection by the public and published on the Council's website on 15/9/20
