VARIATION

Do you want the proposed variation to have effect as soon as possible?

Yes

No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes

No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

We would like to include the small yard at the rear of the pub as part of the licensed area. The cafe next door already does the same with alcohol. This is only a small area but will enable us to welcome more patrons, which is especially important during the current climate where social distancing is very important. This variation could be critical to the viability of the business.

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Continued from previous page...

The four licensing objectives are in line with the ethos of the business. We are a relaxed, friendly, mature venue. Unruly/boorish behaviour is not tolerated. Such a responsible mindset automatically encourages/enforces the licensing objective.

It may be worth noting also that, since The Beer House opened in December 2014, we have had no issues with the licensing department and zero police incidents during this time.

b) The prevention of crime and disorder

CCTV is installed on site. Images are retained for up to 28 days on hard drive. Images are downloadable to portable media and made available to licensing authorities and the police upon reasonable request.

We have clear signage stating anti-drugs policy, making it clear that anyone found with drugs will be barred from the premises and reported to the police.

c) Public safety

Prominent, clear and legible notices are displayed at all exits requesting the public respect the needs of local residents and to leave the premises and area quietly.

Fire exits are clearly marked.

The use of door supervisors will be risk assessed on an event by event basis. Where engaged, door staff shall be licensed by the SIA.

d) The prevention of public nuisance

Adherence to licensing hours

We have clear signs stating that no drinking is permitted outside after 9pm

Signs are in place reminding patrons to respect neighbours and leave the premises quietly

e) The protection of children from harm

We operate a 'Challenge 25' policy.

We accept only photo ID (passport, drivers license) as proof of ID/age

We keep a log book of ID requests/refusals

We train staff to ask for ID and conduct refresher courses every 12 months
