

REPORT CORRECTION AND APOLOGY

Planning application reference 19/01970/OUT (Wiggan Farm, 30 Towngate Road) was considered by the Planning and Highways Committee on the 08th of December 2020. Within the report the following comment was incorrectly attributed to Councillor Vickie Priestley instead of a member of the public: 'Houses were levelled on the Parson Cross estate, why not rebuild the affordable housing there instead of on our green space.'

Whilst the comment had no material bearing on the outcome of the application, officers wish to formally extend their apologies to Councillor Priestley for any upset this has caused.
