Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: RE: Premises Licence Application for Ms Mistry's - OBJECTION TO LICENCE

Mr Crawshaw,

Our flat is directly next door to the proposed outlet - Apartment 17 Wisteria Gardens. S11 8AA

We have many objections to this application, the mains ones being:-

1. potential extra NOISE (directly below our main bedroom) - people on the pavement after departure,
 2. THE LATE HOUR OF CLOSING (11.45pm seven days a week!!),
 3. SAFETY, mainly fire (a number of occupied flats directly above the outlet - our flat also adjoining),
 4. EXTRACTOR FAN (smells) having to be fitted,
 5. CLATTERING NOISE from the recently fitted roller shutter (directly below our main bedroom)
- 6, additional URINATION and DEFICATION (in our, Wisteria Gardens, dustbin area - just twenty yards away - yes it does happen, and often!!)

Good Afternoon,

Following on from your comments submitted against the premises licence application for the above named premises, I have attached for your perusal a full redacted copy of the application itself so that you can see the hours and activities they have applied for and also the suite of conditions that they have put forward to go on the licence if it is granted.

As the consultation process continues, I will forward any other agreed conditions if they get applied by any Responsible Authorities

In relation to extractor smells/roller shutters/parking issues – these aren't anything that can be considered under the Licensing process as they aren't relevant under the Licensing Act 2003. These sort of issues need to be directed to the Planning Authority (assuming they have applied for a change of use in the manner that you have suggested).

I have attached our current Licensing Act Policy for your assistance.

Kindest regards
Jayne
