The waste and Street Scene Policy Committee is asked to:

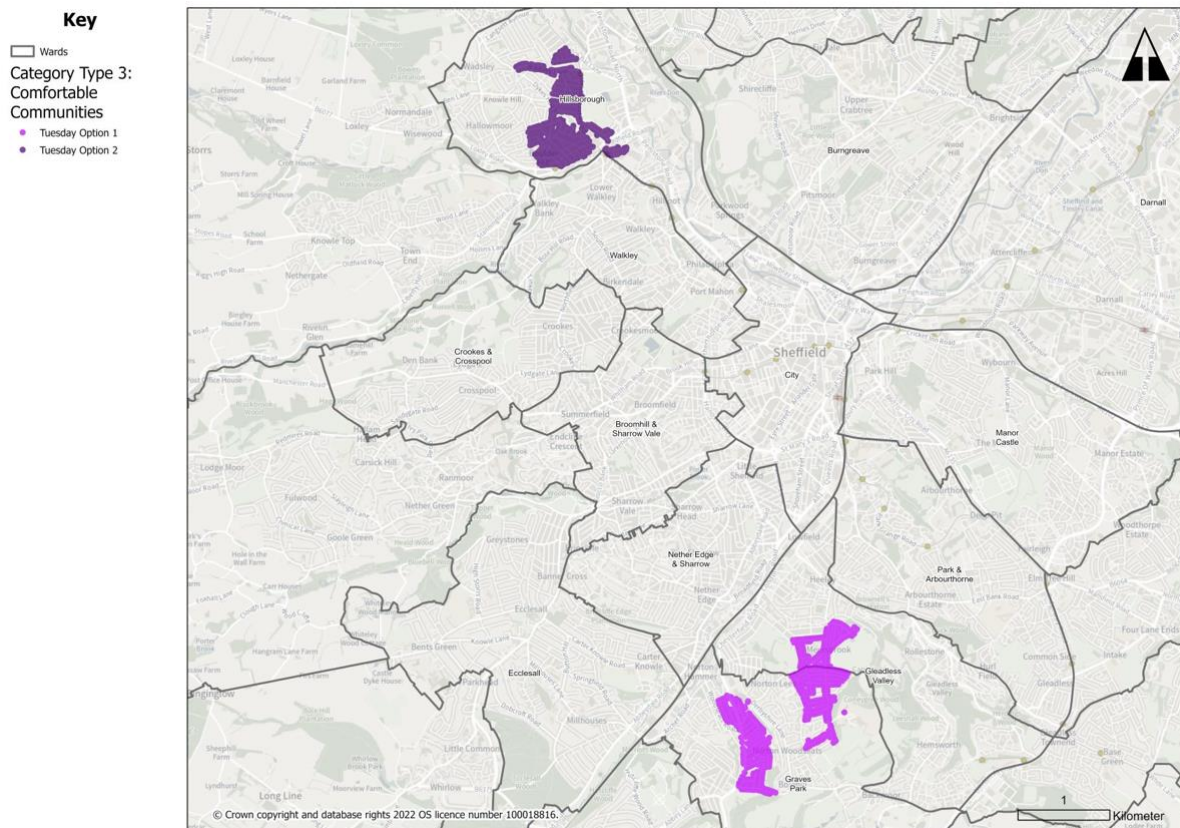

1. select one area from each of the category types, from the areas listed in column E.
2. due to the four day working week, decide whether to leave out the Monday or Friday areas from the trial

* The 'Mix of 1 and 3' (Wednesday area options) are comprised of affluent achievers and comfortable communities. Selecting this round could act as a substitute for the Monday area, allowing Friday to be included within the trial.
