## **NORFOLK HERITAGE PARK TRUSTEES' REPORT YEAR ENDED 31 MARCH 2022**

The trustees present their report together with the financial statements of the charity for the year ended 31 March 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and the requirements of the Statement of Recommended Practice, 'Accounting and Reporting by Charities' Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective on 1 January 2019 (Updated second edition – October 19).

### **DESCRIPTION OF CHARITY'S TRUSTS AND OBJECTS**

The City Council acquired Norfolk Park by virtue of a conveyance dated 18 April 1910 from the Duke of Norfolk. The City Council holds the land acquired on trust for charitable purposes. The governing document is the scheme dated 24 August 1998.

The park is held on trust as a public park, recreation ground and community centre. There is further provision that access to the park will be at no charge and there are restrictions on the sort of public meetings that can be held.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

Norfolk Heritage Park is a charity and the sole Trustee is Sheffield City Council. The Charity Trustee Sub Committee is a standing sub committee of the Strategy and Resources Policy Committee. It has been established to take all decisions of the Council, including but not limited to disposal of and other dealings with charitable land.

Management of the park is the responsibility of the Councils' Parks and Countryside service. Management and administrative decisions which are not decisions of the Council as Trustee, may be made, in accordance with the Council constitution delegations, by the Executive Director of Operational Services, the Director of Parks, Leisure and Libraries, or the head of Parks and Countryside service.

### **PUBLIC BENEFIT**

The Trustees have complied with the duty in s. 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission. Details of how the charity has carried out its activities for the public benefit are given in the section below.

**NORFOLK HERITAGE PARK  
TRUSTEES' REPORT  
YEAR ENDED 31 MARCH 2022**

**ACTIVITIES AND ACHIEVEMENTS**

Norfolk Heritage Park is classed as a City Park and is one of the oldest parks in the country. From 1999-2005 the park has been regenerated through a national lottery restoration project. New visitor facilities have been constructed including the Centre in the Park, a multi-purpose community building. The park landscape has been restored to its original Victorian character. A new sports pavilion and car park were opened in March 2005 and then later in 2011 the redeveloped Sports Pitches were officially opened.

More recently in 2018 the renovation and renewal of new Playground facilities was completed. Then in 2019 a new footpath link between Jervis Lum & Beeches Drive was installed creating better access links into the park. To allow controlled entry to the park a new rising arm barrier was fitted at the entrance off Guildford Avenue.

Norfolk Heritage Park has the following facilities for park visitors:

- Under 8's playground
- Adventure playground for over 8's
- Sports pitches, Sports Pavilion and Bowling Greens
- Multi-use games area
- A café
- A crèche/Nursery
- Youth club provision
- Sheffield City Council Ranger Service
- Rooms for hire including an I.T. Training Suite
- Toilets including toilets for disabled visitors
- Bookable event space

**Summary of activities**

Most activities and achievements at the park during 21/22 were returning to pre-pandemic levels again including the following:

- The Park has been awarded the Green Flag for the fifteenth-year running in recognition of the quality of the facilities, services and management.
- We strive to maintain and improve the high standard of facilities within the park for people and wildlife.
- We have created more biodiversity within the park by increasing wildlife habitats & implementing reduced mowing regimes.
- The new pitches are well used and have benefited from the new drainage, irrigation and a knee high rail around the pitches. The pitches have received a higher specification for ongoing maintenance and end of season renovation work.
- We have continued to ensure that all the tenanted buildings associated with the park are fully tenanted in order to maximise income for the charity.
- Norfolk Park Bowling Club still operate from the park albeit with now one green in use.
- Due to the covid pandemic room booking / income within CIP was greatly reduced but has now increased again in 21/22.

**NORFOLK HERITAGE PARK  
TRUSTEES' REPORT  
YEAR ENDED 31 MARCH 2022**

**Centre in the Park**

Due to Covid 19 operations & income within the centre was greatly reduced however the toilet facilities remained open with social distancing & other mitigations in place. Activity has since recovered during 21/22.

There has been successful re configuration of the building around the core use of Age UK who have established a local service delivery hub within the building taking four of the larger community rooms and bringing increased family usage to the centre which will help to safeguard the long term viability of the café within the centre.

There has been significant work with the operators of the crèche to restructure the operation and make it more sustainable which will allow them to continue to provide preschool places within the local area and continue to use facilities within the centre.

The youth club continues to operate from the centre on two nights each week although this was curtailed somewhat by the covid restrictions.

**Groups with an interest in the park**

A new Friends of Norfolk Heritage Park met with Councillors and Sheffield City Council Officers during late 2021 and are currently forming a new committee.

**Events**

A number of events were undertaken during 21/22, some being outdoor events in the park and others being based in Centre in the Park and utilising outdoor facilities.

## **PLANS FOR FUTURE PERIODS**

The trustees will continue to work with key stakeholders to further develop Norfolk Heritage Park.

- Continuing to provide a high quality suite of services accessible by all sectors of the community in line with Green Flag standards, maintaining the park's Green Flag Award (nationally recognised).
- Implementing park developments in line with Green Flag Management Plans.
- Continue to implement and develop the Norfolk Heritage Park Environment Policy to reduce the effect of services on the local environment e.g., Bio-Diversity gains
- Work with Activity Sheffield, Heritage Park Community School, GOALS Soccer Centre and All Saints Secondary School to carry out the necessary work to ensure the successful usage of the sports pitches.
- Work with Norfolk Park bowling club to sustain the use of the bowling green within the park and seek to encourage increases in junior bowling within the park.
- Improve visitor information services including supporting Friends Group in the development of their website and ensure interpretation leaflet is widely available.
- Identify marketing opportunities to further promote the park and its facilities, marketing plan to be completed and implemented.
- Parks and Countryside and the Centre in the Park team will continue to provide support and facilitate a range of partnership / community led events that use the park buildings and the park landscape.
- Ensure that the park links with the wider regeneration process taking place on the estate and any strategies and developments that affect the park and its day-to-day operations.
- Work is underway to install 5mph speed limit signage from the Norfolk Pk Rd entrance up to the bowling green car park following a risk assessment exercise
- Replacement of the wooden knee rail fencing around the main carpark is planned to replace with steel knee high rails for extra durability/sustainability.
- The surface of the drive leading into the car park & the car park itself is deteriorating, it has been acknowledged that full surface repairs/renewal will be required in the short-term dependant on funding.

## **FINANCIAL REVIEW AND FUNDING**

**Restricted fund** - Net expenditure of £65,788 (2021: expenditure of £48,390) comprising depreciation of £93,100 (2021: £48,390). This expenditure was offset by capital grant income from the Environment Agency £10,000, Community Infrastructure Levy £10,000 and Sheffield City Council Grant £7,312.

The additional grant income this year covered works on Arbourthorne Pond and Arbourthorne Lodge access.

Fixed assets totalling £44,710 were written off as part of an impairment review to ensure that the carrying value is not greater than the recoverable amount. This comprises of £36,421 on the Centre in the Park and £8,289 in the Park.

## **NORFOLK HERITAGE PARK TRUSTEES' REPORT YEAR ENDED 31 MARCH 2022**

**Unrestricted funds** - Net income of £159 (2021: £0), this includes investment income of £159 (2021: £0). The income from charitable activities was £55,594 (2021: £38,329) with expenditure of £215,489 (2021: £185,573). The deficit was funded by the grant from Sheffield City Council of £159,895 (2021: £147,244).

There has been an increase in charitable expenditure of £29,916 in 21/22. This is a result of activity generally increasing again after the pandemic. Most notably employee costs have risen by £16,225 (30%) due to investing more time in maintaining the Park. There has also been an increase of £4,562 expenditure on supplies & services due to increased activity at the Centre in the Park.

The additional expenditure in year has been partially offset by increased rents and room hire income of £16,103. This is as a result of the post pandemic activity returning to more normal levels. The remainder of the deficit has been covered by the Sheffield City Council grant of £159,895.

At 31 March 2022 the charity had total funds of £1,745,457 (2021: £1,811,086). These funds are mainly tied up in fixed assets and investments. Restricted funds of £1,582,275 (2021: £1,648,063) were held mainly as fixed assets. Endowment and designated funds of £163,182 (2021: £163,023) were held as investments.

There was investment income of £159 (2021: £0) and this has been transferred to the Designated Fund which now totals £3,122 and is available to spend in accordance with the Charity's Trusts & Objectives.

### **RESERVES POLICY**

As the charity is managed and funded by the Council, no specific unrestricted charity reserves are deemed to be necessary.

Annual revenue expenditure is generally greater than income and the variance is born by the Council and not carried forward into the next financial year.

This charity has specific monies invested in the Council's internal investment fund. Interest is received half yearly on the monies invested. The investment monies are held as endowment funds and any interest earned is unrestricted income. This income has been earmarked by the trustees for use at the site for one-off projects rather than ongoing costs and has therefore been shown as a designated fund.

### **RISK MANAGEMENT**

The charity is dependent for its day-to-day management upon Sheffield City Council. It is therefore considered expedient and cost effective for the charity to adopt the Council's risk management policy and strategy, which it considers is a crucial part of the service planning process in highlighting key risks and how they affect the Council's ability to deliver its service and how they will be managed. The Council has incorporated a formal approach to risk management in its day-to-day operations and has developed a toolkit to allow managers to identify risk, which would prevent them from achieving their objectives and to provide information and guidance on how these risks can be managed. The Council operates an Internal Insurance Account covering a variety of risks.

**NORFOLK HERITAGE PARK  
TRUSTEES' REPORT  
YEAR ENDED 31 MARCH 2022**

**Trustees' responsibilities statement**

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**TRUSTEES**

Sheffield City Council adopted a Committee system in May 2022. The current Trustees are listed on Pg 1.

**Approved by the Trustees and signed on their behalf by:**

## **INDEPENDENT EXAMINER'S REPORT**

### **TO THE TRUSTEES OF Norfolk Park**

I report to the trustees on my examination of the financial statements of the charity for the year ended 31 March 2022.

#### **Responsibilities and basis of report**

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

**NORFOLK HERITAGE PARK  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**1. Accounting Policies**

Norfolk Heritage Park is a registered charity in England. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are to provide a public park, recreation ground and community centre.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective on 1 January 2019 (Updated second edition – October 19), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The principal accounting policies adopted in the preparation of the financial statements are as follows:

**1.1 Fixed assets**

Norfolk Park is classified as a Community Asset. The trustees policy is to value Community Assets at £Nil.

Land and buildings are carried in the accounts at deemed cost, as at transition to SORP (FRS 102).

Expenditure on fixed assets is capitalised, provided that the fixed asset yields benefit to the charity and the services it provides are for a period of more than one year.

Assets have been reviewed for any impairment loss in respect of consumption of economic benefit.

**NORFOLK HERITAGE PARK  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**1.2 Depreciation**

Depreciation is provided on fixed assets at rates calculated to write off the cost of the assets over their expected useful lives as follows:

- Land and previously revalued buildings are not depreciated.
- Park buildings have been depreciated on a straight line basis over 40 years, commencing on the transfer from assets under construction.
- Depreciation is not provided on land or assets under construction.
- The Trustees perform annual impairment reviews in accordance with the requirements of FRS 102 to ensure that the carrying value is not greater than the recoverable amount.

**1.3 Investments**

Fund balances are invested internally with Sheffield City Council. Investments are held at market value.

**1.4 Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise of unrestricted funds that have been set aside by the trustees for specific purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors or which have been raised by the charity for particular purposes. The aim and use of each restricted fund is set out in the notes to the financial statements.

Endowment funds represent those assets which must be held permanently by the charity, principally investments. Income arising on the endowment fund can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund.

**1.5 Income**

Income from donations and grants, including capital grants, is included in income when it is probable that the income will be received, and is allocated to the appropriate fund.

Investment income is included when receivable.

Rental, events, room hire and similar income is included when the event or function has taken place.

The cost of running the park is funded by Sheffield City Council. Annual revenue expenditure is generally greater than income and any variance is borne by the Council by way of a grant to the charity.

**NORFOLK HERITAGE PARK  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**1.6 Expenditure**

Expenditure is included in the Statement of Financial Activities on an accruals basis, net of any VAT, which can be recovered as Sheffield City Council is the sole trustee and therefore has special status under s33 VAT Act 1994.

The main exception to this treatment is payments for such items as gas and electricity are charged at the date of the meter reading rather than being apportioned between years. This policy is applied consistently each year.

Expenditure has been allocated to the activities to which it is directly attributable.

**Cost of raising funds**

The cost of generating any external funding, such as grant applications and events, is attributable to the time of Sheffield City Council officers who work on a range of projects including the charity. As such it is not possible to accurately apportion the cost of this to the charity so no charge is included in the accounts.

**Charitable activities**

Charitable activities are set out within the charitable deeds and represent the costs associated with the running and maintenance of the park.

**Governance costs**

Independent examination costs and finance officer costs are charged to the charity. The Council currently absorbs the cost of other officers' time. This policy is kept under review.

**Staff costs**

The staff who work for the charity are employed by Sheffield City Council, and are subject to the terms and conditions of that organisation. The costs of such staff are recharged to the charity. Full disclosure of the relevant staff costs and numbers is provided in the notes to these financial statements.

**Pensions**

City Council employees may participate in the Local Government Superannuation Scheme, which provides members with defined benefits related to pay and service. The City Council makes payments for this group of employees to the South Yorkshire Pensions Authority, which administers pension arrangements on behalf of Sheffield City Council and the other local authorities in the South Yorkshire area. The City Council bears any deficit or surplus on the scheme and does not charge this to the charity.

**1.7 Debtors and creditors receivable / payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

**NORFOLK HERITAGE PARK  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**1.8 Financial instruments**

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

**1.9 Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**NORFOLK HERITAGE PARK  
NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 31 MARCH 2022**

**2. Donations and legacies**
