

ADDENDUM TO APPENDIX 1 – Letter – Sheffield Care Association.

ADDENDUM TO APPENDIX 1 – Letter – Sheffield Care Association.

Attached to the summary analysis of consultation responses is a letter from the Sheffield Care Association. This letter follows publication of the Market Sustainability: Adult Social Care Fee Rates 2023/24 Committee Report but is considered to be relevant to the decision.

We have considered the contents of the response and feel that the concerns it raises are already addressed in the Report presented to the Committee.
