Campaign created by Kane Yeardley

Lease a small piece of land to a local business to create a safe and healthy eating and drinking area at the side of the Waggon and Horses at Millhouses Park, Sheffield.

### Why is this important?

Would you agree Sheffield would be a greater city to live in if there were more family friendly places to eat and drink outside adjacent to restaurants and pubs.

We at True North Brew Co are a local business with over 30 years experience running successful pubs and restaurants across Sheffield. We have renovated and bought back to life pubs like The Broadfield, The York, The Blue Stoops, the Riverside Kelham and are now improving the Waggon and Horses at Millhouses Park since we took in over in March 2017.

We want to improve Millhouses Park facilities by creating an outside drinking and eating area at the side of the Waggon and Horses.

We serve over 400 children's meals a week, 900 adults and over 200 Sunday roasts.

Currently patrons have to sit by the roadside inhaling car exhaust fumes on a hot sunny day. We want to change that.

We have offered the council twice the market rent to use a small piece of land at the side of the pub.

Why twice? Because we want the £20,000 rent to guarantee a park maintenance person employment at Millhouses Park. Especially with all the cuts to the parks budget in Sheffield.

Millhouses Park needs an accessible roundabout. Do you think there will be funds in the budget for one?

We don't think so, so we have offered to buy one for £19,000 if they would let us rent an area of park by the Waggon and Horses.

Currently Sheffield City Council is not responding to our request and generous offer.

Well now we are setting up a petition and you can actually make a difference.

If we can get the support of 5000 people, the council have to make a decision.

Together we can do this tell your friends we can do this.

“ Currently you can only sit outside along the road, it's not conducive for families! A garden seating area would hugely improve this and add to the amenities locally!
