KEEP MILLHOUSES PARK PUBLIC

CG

Campaign created by
Christine Gunby

Refuse to rent or sell any public space in Millhouses Park

Why is this important?

Millhouses park is a destination park for the whole of Sheffield and beyond. It is not the biggest park in Sheffield but it is a very popular park because people feel safe within its boundary.

It is a much needed green space which serves Carter Knowle, Nether Edge and the whole Abbeydale corridor, the areas of Sheffield with the least provision of green and open space in the whole city, far less per head of population than Sheffield's declared aspirations.

Having recently been deprived of even more open space in this area, it is crucial that there is no erosion of any public open space in this park.

- The park is not very big but very popular. None should be lost esp for exclusive ventures like this. The pub should convert some of its car park instead.
