Page 111	<p>Levelling Up Fund – Harmony Works</p> <p>Background</p> <p>Harmony Works brings together two music institutions: Sheffield Music Academy and Sheffield Music Hub. The Hub introduces young people to music through community outreach; the Academy identifies and develops promising young talent. Both operate out of ‘borrowed’ facilities that are not suited to the scale and quality of their work. Harmony Works will acquire Canada House, a Grade II Listed building beside the Castle site. It will provide fit-for-purpose facilities in an accessible location, securing the future of an asset that would otherwise fall into disrepair.</p> <p>Sheffield City Council has agreed to provide funding for the Sheffield Music Academy in funding the purchase and capital works at Canada House in accordance with the terms of the planning permission dated 15 November 2022 issued by Sheffield City Council under reference number: 22/02548/FUL or any replacement or amendment of that permission.</p> <p>The funding will be passed via a grant agreement.</p> <p>Legal Implications</p> <p>The Council has a general power under Section 1 of the Localism Act 2011 to do anything that an individual may generally do provided it is not prohibited by other legislation and the power is exercised in accordance with the limitations specified in the Act which enables the Council to provide funding for this project.</p> <p>The grant provided by the Council is to be used towards the purchase price, in accordance with the terms and conditions detailed in the Grant Agreement.</p> <p>Key points to note from the Agreement are:</p> <ul style="list-style-type: none"> • Payment is to be made in two instalments, the first grant payment of £50,000 for option to purchase payment shall be made to the recipient no later than 30th October 2023. The second grant payment of £1,550,000 for the Purchase shall be made to the recipient no later than 31st March 2024 upon Sheffield City Council being satisfied that recipient has sufficient match funding to deliver the project outputs.
