CODE OF CORPORATE GOVERNANCE

1. Purpose of Report

- 1.1 To provide an update to the Council's Code of Corporate Governance

2. Code of Corporate Governance

- 2.1 Governance is about how local government bodies ensure that they are doing the right things, in the right way, for the right people, in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities.

- 2.2 Each local government body operates through a governance framework which brings together an underlying set of legislative requirements, governance principles and management processes. CIPFA produce a Framework document which is intended to be followed as best practice for developing and maintaining a local code of governance and for discharging accountability for the proper conduct of public business, through the publication of an annual governance statement that will make the adopted practice open and explicit. The Framework defines the principles that should underpin the governance of each local government body. It provides a structure to help individual authorities with their own approach to governance.

Whatever form of executive arrangements are in place, authorities are urged to test their structures against the principles contained in the Framework by:

- Reviewing their existing governance arrangements against this Framework.
- Developing and maintaining an up-to-date local code of governance, including arrangements for ensuring its ongoing application and effectiveness.
- Preparing a governance statement in order to report publicly on the extent to which they comply with their own code on an annual basis, including how they have monitored the effectiveness of their governance arrangements in the year, and on any planned changes in the coming period.

- 2.3 The Code of Corporate Governance annexed to this report sets out how Sheffield City Council complies with the governance framework and will be used to assess our effectiveness as part of the Annual Governance Statement.

3. Recommendation

- 3.1 That the Committee:-

approve the updated Code of Corporate Governance
